Ordinary People

1982-10-28

one of the great bestseller of our time the novel that inspired robert redford s oscar winning film starring donald sutherland and mary tyler moore in ordinary people judith guest s remarkable first novel the jarrets are a typical american family calvin is a determined successful provider and beth an organized efficient wife they had two sons conrad and buck but now they have one in this memorable moving novel judith guest takes the reader into their lives to share their misunderstandings pain and ultimate healing ordinary people is an extraordinary novel about an ordinary family divided by pain yet bound by their struggle to heal admirable touching full of the anxiety despair and joy that is common to every human experience of suffering and growth the new york times rejoice a novel for all ages and all seasons the washington post book world

Edgy Conversations

2014-05

everything you think you know about success is wrong set goals work hard be persistent it s the typical success advice you can probably repeat in your sleep the type of advice that doesn t seem to work for you or anyone you know for that matter you work your butt off but at the end of the day you re no closer to success than you were yesterday the ugly truth is that it s not what you re doing that is holding you back it s who you are it s the baggage between your ears that keeps you from achieving your dreams and goals that s why we have to change the dialogue about success it s why we need to have an edgy conversation an edgy conversation is a gut wrenchingly honest no holds barred discussion about confronting and fixing the beliefs and behaviors that limit your ability to be amazing it tackles head on the uncomfortable yet powerful truth that pain fear and love yes love have a huge impact on success edgy is how ordinary people become extraordinary edgy is how a master chef a world war ii veteran a 15 year old girl a homeless retired paramedic an australian potato farmer and a shoe executive became amazing did the unthinkable and forever changed their corner of the world and edgy is how you can achieve outrageous success regardless of who or where you are in life right now you don t need another book on success you just need to be more edgy let s talk about it

A Prehistory of Ordinary People

2010-12-15

for the past million years individuals have engaged in multitasking as they interact with the surrounding environment and with each other for the acquisition of daily necessities such as food and goods although culture is often perceived as a collective process it is individual people who use language experience illness expend energy perceive landscapes and create memories these processes were sustained at the individual and household level from the time of the earliest social groups to the beginnings of settled agricultural communities and the eventual development of complex societies in the form of chiefdoms states and empires even after the advent of "civilization" about 6 000 years ago human culture has for the most part been created and maintained not by the actions of elites—as is commonly proclaimed by many archaeological theorists—but by the many thousands of daily actions carried out by average citizens with this book monica l smith examines how the archaeological record of ordinary objects—used by ordinary people—constitutes a manifestation of humankind's cognitive and social development a prehistory of ordinary people offers an impressive synthesis and accessible style that will appeal to archaeologists cultural anthropologists and others interested in the long history of human decision making

Organic Outreach for Ordinary People

2018-05-22

fulfill one of your deepest longings every follower of jesus has a sincere desire to share god's love with others we want to tell friends and family about who jesus is what he means to us and all he has done for them deep in our hearts we have a burning passion to pass on the good news we have received but where do we start we want to share our faith but we don't want it to feel awkward uncomfortable or unnatural for them or for us organic outreach for ordinary people will help you shape a personal approach to passing on the good news of jesus in natural ways this is not a system or a program it's a collection of biblical practices that you can incorporate into your life starting today you can begin right where god has placed you you can share the love and message of jesus in a way that fits exactly how god has wired you in this practical and easy to read book kevin harney offers the tools needed to reach out with god's love in organic ways in these pages you will discover that sharing the good news of jesus can be as natural as talking about your favorite sports team or telling a friend about a wonderful new restaurant on the golf course over coffee while taking a walk anywhere and everywhere become a bearer of grace share the amazing love of god tell the life changing story of jesus discover ordinary ways to communicate god's love and the message of salvation naturally

In Praise of Ordinary People

2013-12-17

the discipline of social history has still not given enough attention to the ways in which the perceptions and roles of ordinary people changed over time in these fascinating british and dutch cases we see how the study of this evolution imparts historical texture and enables us to understand early modernity with greater clarity

Ordinary People, Extraordinary God

2010-09

the bible is full of heroes people doing god's work and heeding his call at one time however these prophets disciples and pivotal personalities were ordinary people just like us in ordinary people extraordinary god author and minister scott g van note shows us how as the pinnacle of the lord's creation we too can be heroes of faith and accomplish great and mighty things for him van note focuses on the people of the bible presenting stories of their lives to show how their ordinary lives were transformed by their willingness to listen to god's word two interactive chapters contain worksheets to help readers understand how their lives and experiences relate to the lives of the biblical people that are discussed the questions posed offer food for individual reflection as well as for youth and adult group study and discussion through his word god has poured out love and compassion for each of us and he is still in the business of helping blessing and gifting his creation ordinary people extraordinary god helps us relate to scripture and the people within it like never before god does desire to use us in his kingdom and if we are willing he will use us mightily ordinary people extraordinary god shows how god uses people just like you and me in powerful ways when we act on faith in him and his word and abandon the bad habit of trusting in our own strength plans and ideas as i read the book and was reminded of those in the biblical story whom we think of as heroes of the faith i was challenged to renew my absolute trust in and obedience to the lord i know scott and he is a man who models this life of faith and obedience i recommend this book as a source of encouragement and challenge in our faith walk herschel rosser senior associate pastor the vineyard church of stafford sugar land texas

Ordinary People, Extraordinary Power

2010

in today's world we need christians and churches willing to break out of the normal patterns of religion and tradition to impact and reach the world

ordinary people extraordinary power gives a strong case for the apostolic culture as a criterion for change in the church today a culture is a way of life of a group of people the behaviors beliefs values and symbols that they accept generally without thinking about them and that are passed along by communication and imitation from one generation to the next an apostolic culture is simply the ways beliefs behavior and values of god s people it is a culture of power and the holy spirit apostolic leaders will impart power and authority to the members believers need to be activated to heal deliver prophesy and preach they must be activated to demonstrate the kingdom the apostolic culture includes worship deliverance apostolic teams prophecy ordaining establishing pioneering evangelizing prayer teaching helps governments missions healing the gifts of the spirit holiness impartation and church government all of these will be discussed in this book in order to help leaders and believers move in apostolic power and authority

Genesis for Ordinary People, Second Edition

2017-01-30

the book of genesis is considered by some people to be inspired truthful and sacred others think of it as a fairy story and wonder why people still believe such an ancient book genesis for ordinary people doesn t shy away from the questions that go through people s minds as they read the first book in the bible are there reasons it is trustworthy in addressing these questions paul poultan follows the intriguing thread that runs through the entire book of genesis he takes a good look at the story s wonderful and flawed people and beings inviting readers to gaze into the garden of eden to witness the reality of what actually happened there he follows the storyline of genesis but often looks back adding a fresh perspective to adam and eve s enthralling lives a fascinating picture emerges as the layers of genesis accumulate

The Lighthouse Effect

2021-09-28

in this stirring follow up to his memoir steve pemberton gives practical encouragement for how you can be a human lighthouse for others and through these inspiring stories will renew your hope for humanity our polarized divisive culture seems to be without heroes and role models we are adrift in a dark sea of disillusionment and distrust and we need human lighthouses to give us hope and direct us back to the goodness in each other and in our own hearts steve pemberton found a lighthouse in an ordinary man named john sykes his former high school counselor john gave steve a safe harbor after steve escaped an abusive foster home and together they navigated a new path that led to personal and professional success through stories of people like john and several others you will identify how the hardships you have overcome equip you to be a human lighthouse inspiring those around you the humble gestures of kindness that change the course of our lives can shift the course for america too with a unique vision for building up individuals and communities and restoring trust the lighthouse effect opens your eyes to those who are quietly heroic you will reflect on the lighthouses in your own life and be reminded that the greatest heroes are alongside us and within us

promises even when we don't believe the woman at the well god doesn't let your mistakes stand in his way ruth god is the ultimate redeemer matthew god invites us to live for him

We, the Ordinary People of the Streets

2000

one woman's shining example of christian social action we the ordinary people of the streets comprises the powerful reflections by madeleine delbr  l 1904-1964 an award winning poet writer and catholic layperson whose conviction and insight led her to a life of social work in the atheistic communist dominated city of ivry sur seine france delbr  l draws from her own experiences living in ivry witnessing to the possibility of a life at once rooted radically in the church and fully engaged in the world this posthumously published collection spans delbr  l's life from a piece she wrote as a seventeen year old atheist to her later christian works her passionate essays explore the christian's role in a secular society the difficulty of faith in an atheistic environment the need for prayer the centrality of the church and the fundamental importance of loving both god and our neighbors

Extraordinary News for Ordinary People

2009-06

we live in a world that is constantly telling us to work harder dig deeper and strive closer to an ideal and purposeful existence we're told that if we don't succeed in making something of ourselves we'll have nothing to show for our lives for those who succumb to this mindset life can seem like nothing more than one immense competition one where we usually come up short when this is how we view our lives can we ever be truly content with ourselves can god still love and use us flaws and all in a world which equates ordinary with not good enough heath trampe uses powerful examples from the bible to prove that even ordinary people can accomplish amazing things as you read about the lives of such biblical characters as jonah zacchaeus and esther remember that they were simply ordinary sinners in the hands of an extraordinary god they each experienced their share of hardships and struggles but when god took hold of their lives remarkable things began to happen as you journey through these 12 stories of inspiration and hope you'll discover that ordinary is a pretty amazing thing to be included are bible study questions for each chapter with in depth answers and commentary this book is ideal for both individual and group study

EMPOWERED

2020-12-03

what is it about the top tech product companies such as amazon apple google netflix and tesla that enables their record of consistent innovation most people think it's because these companies are somehow able to find and attract a level of talent that makes this innovation possible but the real advantage these companies have is not so much who they hire but rather how they enable their people to work together to solve hard problems and create extraordinary products as legendary silicon valley coach and coach to the founders of several of today's leading tech companies bill campbell said leadership is about recognizing that there's a greatness in everyone and your job is to create an environment where that greatness can emerge the goal of empowered is to provide you as a leader of product management product design or engineering with everything you'll need to create just such an environment as partners at the silicon valley product group marty cagan and chris jones have long worked to reveal the best practices of the most

Ordinary Lives, Death, and Social Class

2022-06-23

many people come to analysis appearing quite ordinary on the surface however once below that surface we often come into contact with something quite unexpected extra ordinary protections created to keep at bay any awareness of deeply traumatic happenings occurring at some point in life judith mitrani investigates the development and the function of these protections allowing the reader to witness the evolution of the process of transformation wherein defensiveness steadily mutates into communication she lucidly and artfully weaves detailed clinical with a variety of analytic concepts and her original notions including unmentalized experience and its expression in enactments adhesive pseudo object relations and the way in which this contracts and compares with normal and narcissistic object relations provide valuable tools for understanding the infantile transference countertransference and for the refinement of our technique with primitive mental states ordinary people and extra ordinary protections will prove stimulating and accessible in its style and substance to a broad analytic readership from the serious student of psychoanalysis to the most seasoned professional

Ordinary People and Extra-ordinary Protections

2009-03-04

do you worry youre too ordinary do you ever wonder if youre a success do you think about what youve done with your life or how the world will view you after youre gone do you know if your family will be proud of you are you yourself satisfied with what youve accomplished john radcliffe shares his path to success with you so that you can answer yes when you look in the mirror and ask yourself the ultimate question are you doing exactly what you want to be doing your quality of life your level of success your happiness are all based on your attitude success for ordinary people offers you inspiration from johns own life as well as motivational passages from the bible the dalai lama and albert einstein all to help you polish your attitude and achieve your dreams as the author says remember there is always a difference between what we are and what we can become our potential is a lot more than what we think we have our limits but most of us never get close to them dream plan act its all about motivation this book will motivate you

Success for Ordinary People by an Ordinary Person

2010-04-29

a scientist takes on the distortions and outright lies foisted on the public robert g williscroft firmly establishes that the sky is not falling by using scientific research and solid reasoning he explains some of the most disturbing problems facing our nation including global warming the safety of nuclear power the politics of education and the oxymoron of government efficiency with a clear message he discerns what is true from what is merely chicken little gibberish revised 2nd edition

The Chicken Little Agenda

2006-05-31

delving into the everyday lives of real everyday people walt harrington skillfully draws the reader into an intimate relationship with the men and women profiled in this powerful collection of stories people like v i smith a homicide detective deane guy a stock car racer jackie jordan a social worker in family services and sheri d amato a girls soccer coach originally appearing in the washington post magazine these stories which capture a cross section of americans stand out in the field of journalism because of the unique way in which walt harrington uses unheralded individual lives to elaborate on the great human issues of the day in mothers and daughters three generations of women discuss how society affected the choices they made and who they became the mystery of goodness follows a harvard educated lawyer who handles death row cases for very little money because he feels the system is unfair to african americans in to have and have not a young couple with two small children struggle to make ends meet harrington describes in detail the creation of a poem by rita dove then united states poet laureate in the shape of her dreaming harrington has adeptly combined sociology and journalism into beautiful prose as literary journalism the stories employ scene dialogue and physical description within a narrative framework at the same time they also adhere to all the traditional journalistic standards of accuracy fairness and balance as a result at the heart of it represents a subgenre that is rarely practiced and seldom understood even within the profession of journalism all of these stories are snapshots pieces of everyday life in america that are intended to be a mirror held to the lives of readers these are not stories about which you can remain neutral even the most casual readers will be moved by the glimpses walt harrington provides us of ourselves
