cave paintings at lascaux france and altamira spain fraught with expression thousands of years later point to an early human desire to form a cultural identity in the oxford companion to world mythology david leeming explores the role of mythology or myth logic in history and determines that the dreams of specific cultures add up to a larger collective story of humanity stopping short of attempting to be all inclusive this fascinating volume will nonetheless be comprehensive opening with an introduction exploring the nature and dimensions of myth and proposing a definition as a universal language briefly dipping into the ways our understanding of myth has changed from aristotle and plato to modern scholars such as joseph campbell the introduction loosely places the concept in its present context and precedes articles on influential mythologists and mythological approaches that appear later in the companion the main body of leeming s work consists of a z entries covering all aspects of mythology including substantial essays on the world s major mythological traditions greek native american indian japanese sumerian egyptian mythological types and motifs descent to the underworld the hero the trickster creation the quest mythological figures odysseus zeus osiris spider woman and inanna as well as numerous interrelated subjects such as fairy tales and legends the companion also locates myth in our lives today relating it to language patterns psychology religion politics art and gender attitudes many of the better known and more significant myths are vividly retold in this volume that will be illustrated with maps more than 70 black and white images and eight pages of color

highlighting the central role art has often played in the transmission and perpetuation of myth following the entries a rich section of appendices will include family trees of the major pantheons equivalency charts for the gods of greece and rome babylon and sumer as well as other traditions an extensive bibliography and an index

the islands of britain have been a crossroads of gods heroes and kings those of flesh as well as those of myth for thousands of years successive waves of invasion brought distinctive legends rites and beliefs the ancient celts displaced earlier indigenous peoples only to find themselves displaced in turn by the romans who then abandoned the islands to germanic tribes a people themselves nearly overcome in time by an influx of scandinavians with each wave of invaders came a battle for the mythic mind of the isles as the newcomer s belief system met with the existing systems of gods legends and myths in gods heroes and kings medievalist christopher fee and veteran myth scholar david leeming unearth the layers of the british isles unique folkloric tradition to discover how this body of seemingly disparate tales developed the authors find a virtual battlefield of myths in which pagan and judeo christian beliefs fought for dominance and classical anglo saxon germanic and celtic narrative threads became tangled together the resulting body of legends became a strange but coherent hybrid so that by the time chaucer wrote the wife of bath s tale in the fourteenth century a christian theme of redemption fought for prominence with a tripartite celtic goddess and the arthurian legends of sir gawain itself a hybrid mythology without a guide the corpus of british mythology can seem impenetrable taking advantage of the latest research fee and leeming employ a unique comparative approach to map the origins and development of one of the richest folkloric traditions copiously illustrated with excerpts in translation from the original sources gods heroes and kings provides a fascinating and accessible new perspective on the history of british mythology

with shadowy monsters and dark magic the Kings' caravan almost killed them all before the quest had even begun but why they escaped the treachery and dark magic of the four Kings of Xenhelm but not without losses however the fates have smiled upon them all with the stranger and now their leader known as Traveler he is a human who has not only traveled to the fabled kingdom of Atlantea before but lived there they are now the new Titan's caravan they cross beyond the lands of man into the lands between and into faë land or more precisely faë land minor the lands of fairies sprites and giants here they must travel and survive to find fae members to add to their caravan we cannot make it to Atlantea as a caravan of humans alone Traveler tells them but which fae

fairies sprites giants elves or any one of the many fae races unknown to humans they had escaped but they still travel in the shadow of the kings every step they take and every encounter with a new fae town or city could be a new trap and there are new creatures and hostile fae races as diverse and dangerous as anything the humans can imagine many have died along titan s trail but they are undaunted as their caravan grows with both fae and fantastic beasts their magical adventure will take them to many magnificent places and horrific battles but to attain the ultimate treasures of atlantea all shall be gladly risked in the shadow of the kings book two of the epic fantasy adventure fabled quest chronicles begins

The Prydain Companion

2003-04-01

The Prydain Companion is a comprehensive guide to the world of Prydain, the setting of Lloyd Jones's Prydain Cycle. It covers the history, geography, and culture of the land, as well as the lives of the characters who inhabit it. The book is written by the author, Lloyd Jones, and is a valuable resource for fans of the series. It includes a detailed map of Prydain, a chronology of events, and a glossary of terms. The book is written in a clear and concise style, making it easy to read and understand. It is a must-have for anyone who loves the Prydain Cycle.

We Seek No Kings

2021-06-26

We Seek No Kings is a novel by Lloyd Jones, the author of the Prydain Cycle. It is a prequel to the first book in the cycle, The Prydain Companion. The story follows the adventures of a young man named Iwan, who is searching for his father, who has disappeared. Iwan is a brave and determined young man, and he is willing to risk everything to find his father. The novel is set in the world of Prydain, a land of magic and mystery. It is a story of adventure and discovery, and it is a must-read for fans of the Prydain Cycle.

linville argues that a new approach to the book of kings is needed because of the failings of the usual historical critical methods he adopts a holistic approach which sees the book as a persian era text intended to articulate politically and religiously significant symbols within the book s monarchic history these express the producer s reactions to important issues of jewish identity in the continuing diaspora and in jerusalem in the story of the schisms and apostacies of israel s defunct monarchies both the diaspora and cultural pluralism are legitimized rival versions of israelite heritage are reconciled under an

overarching sense of a greater israelite history and identity
