

## Sirena

2010-07

sirena is a young chamorro girl who loves nature she ignores her chores as usual to go swimming in the sparkling river at a time in guam s history when all is pristine her mother utters a curse that will forever change sirena s life unless her godmother can help based on a universal tale of the mystery and origin of mermaids sirena a mermaid legend from guam is a retelling of a classic for the next generation of chamorro children and all to dive into

## Chamorro Legends on the Island of Guam

1993

legend of the children of guam s green jungle is an eco fable for elder children and their heirs the green life is a good life the ever children of the green jungle live a carefree and joyful life on their tiny remote tropical island they laugh and play they tell stories around the evening fire and are blessed with the abundance of fish and fruits that the island provides life is good life is green but changes are ahead as the skies darken and the sea grows dark green strangers begin to arrive and the children are forced into accepting new ways new thoughts and new lives the spirit of the green children is challenged to survive join the children on this journey and remember the green throughout history cultures have risen been established conquered assimilated and have evolved this has occurred worldwide as transportation improves technology advances and as nations continue to expand and dominate legend of the children of guam s green jungle explores what happens to native cultures that are subjected to progress in an ever changing world the struggle remains in those cultures that survive to preserve a sense of self identity this short story written as an eco fable for children young adults and future generations explores the struggles of a native island population through five hundred years of occupation by three conquering nations as they strive to hold on to their original heritage it is a story of a people dominated by others who submitted to change that may not have been sought after and of survival it is a story that could be applied to many other populations some that have disappeared completely and others that continue to struggle for their identity it is a story of all time and a story of our time

## **Pacific Island Legends**

1999

in the years since the japanese war crimes trials concluded the proceedings have been colored by charges of racism vengeance and guilt in this book tim maga contends that in the trials good law was practiced and evil did not go unpunished the defendants ranged from lowly japanese imperial army privates to former prime ministers since they did not represent a government for which genocide was a policy pursuit their cases were more difficult to prosecute than those of nazi war criminals in contrast to nuremberg the efforts in tokyo guam and other locations throughout the pacific received little attention by the western press once the cold war began america needed pacific allies and the atrocities committed by japanese soldiers throughout the 1930s and early 1940s were rarely mentioned the trials were described as phony justice and japan bashing keenan and his compatriots adopted criminal court tactics and established precedents in the conduct of war crimes trials that still stand today maga reviews the context for the trials recounts the proceedings and concludes that they were in fact decent examples of american justice and fair play

## **Ancient Chamorro Society**

1992

oceanic voices european quills celebrates the linguistic historiography of two oceanic poles the northwest pacific s chamorro of guam and the northern marianas was the first 16th century and the southeast pacific s rapanui of easter island one of the last 19th century of the austronesian tongues to inspire linguistic investigation within greater oceania these pioneering efforts are honored in nine articles which document translate chronicle describe and analyze the earliest relics from these two island cultures this collection of articles reveals fundamental insights not only into earlier stages of both chamorro and rapanui but also into the very discipline of linguistic historiography in one of earth s humanly richest and most fascinating regions
