# The Battle for Palestine 1917

[readforlove.mombaby.com.tw](http://readforlove.mombaby.com.tw)

the story of allied victory in the holy land far from the carnage of the western front but a crucial morale boosting success under the aggressive and forward thinking general allenby three battles for the control of the key fortress city of gaza took place in 1917 between the british force with units from across the empire most notably the anzacs and the turks the allies were repulsed twice but on their third attempt under the newly appointed general allenby a veteran of the western front where he was a vocal critic of haig s command finally penetrated turkish lines captured southern palestine and as instructed by lloyd george took jerusalem in time for christmas ending 400 years of ottoman occupation this third battle similar in many ways to the contemporaneous fighting in france is at the heart of this account with consideration of intelligence espionage air warfare and diplomatic and political elements not to mention the logistical and medical aspects of the campaign particularly water the generally overlooked turkish defence in the face of vastly superior numbers is also assessed far from laying out and executing a pre ordained plan allenby who is probably still best remembered as t e lawrence s commanding officer in arabia was flexible and adaptable responding to developments as they occurred john d grainger is the author of numerous books on military history ranging from the roman period to the twentieth century

## The Battle for Syria

2020-07-01

an unprecedented analysis of the crucial but underexplored roles the united states and other nations have played in shaping syria s ongoing civil war one of the best informed and non partisan accounts of the syrian tragedy yet published patrick cockburn independent syria s brutal long lasting civil war is widely viewed as a domestic contest that began in 2011 and only later drew foreign nations into the fray but in this book christopher phillips shows the crucial roles that were played by the united states russia iran saudi arabia turkey and qatar in syria s war right from the start phillips untangles the international influences on the tragic conflict and illuminates the west s strategy against isis the decline of u s power in the region and much more originally published in 2016 the book has been updated with two new chapters

## The Battle for Cork

2011-09-01

by the sixth week of the irish civil war in 1922 all eyes turned to cork as the national army readied its climactic attack on the rebel capital at 2 a m on a bank holiday monday emmet dalton and 450 soldiers of the national army landed at passage west in one of the most famous surprise attacks in irish military history their daring amphibious assault knocked the famed cork ira onto the back foot though three more days of stubborn fighting was required for the national army to secure the city the retreating ira left destruction in their wake setting the stage for michael collins fatal final visit to his home county for the first time the battle for cork tells the full story of the battle for cork showing all the chaos bravery and misery of the largest engagement of the irish civil war and the final defeat of republican cork

## ***The Battle for Moriah***

2013-05-30

in a subtle but menacing move a dark force poises itself to lay siege to the kingdom of moriah loyalties are tested as the people of moriah take up arms to defend their kingdom all the while a greater battle is being waged within

## **The Battle for Asia**

2004-03-01

asia has long been an ideological battleground between capitalism and communism between nationalism and westernisation and between the nation state and globalization this book is a history of the asian region from 1945 to the present day which delineates the various ideological battles over asia s development subjects covered include theories of development decolonization us political and economic intervention the effects of communism the end of the cold war the rise of neo liberalism asia after the crisis asia in the era of globalisation broad in sweep and rich in theory and empirical detail this is an essential account of the growth of asian miracle and its turbulent position in the global economy of the twenty first century

## ***The Battle for North Africa***

2004-08-30

it may almost be said that before alamein we never had a victory after alamein we never had a defeat wrote winston churchill in the second world war the distinguished military historian general strawson s authoritative book describes how the balance of power in north africa sawed between the italians the british and the germans through the years 1940 to 1943 and how ultimate victory was won by the allies in showing how the nature and conduct of battles developed during this three year desert campaign john strawson brings together the strategic considerations the changing tactics and the impressions of those who did the actual fighting his exciting narrative is illustrated by numerous contemporary photographs and specially drawn maps and by eye witness accounts the soldiers of many nations germans italians gurkhas australians new zealanders british tank crews and americans all give their impressions of what the battle for north africa was like

## **The Battle for Britain**

2002-09-11

it is generally accepted that britain was held together during the second world war by a spirit of national democratic consensus but whose interests did the consensus serve and how did it unravel in the years immediately after victory this well observed and powerfully argued book overturns many of our assumptions about the national spirit of 1939 45 it shows that the current return to right wing politics in britain was prefigured by ideologies of change during and immediately after the war

## **The Battle for Rome**

2003

this landmark work draws on newly released documents and firsthand accounts to tell the dramatic story of rome's dark days during the german occupation 8 pages of photos 2 maps

## **The Battle for Breezy Point**

2014-07-15

on october 29 2012 hurricane sandy struck breezy point home to many new york city first responders firefighters from the roxbury rockaway point and point breeze volunteer fire departments remained on duty throughout the storm ready to assist our neighbors that night our quiet oceanfront community was ravaged by the hurricane's winds and waves leaving 202 homes destroyed and 2 219 severely damaged another 126 homes were then devoured by one of the largest residential fires in new york city history in the weeks following our actions became international news and an inspiration for a massive recovery effort despite freezing temperatures and primitive conditions volunteers from across the globe fought to save and rebuild our battered community during this time we witnessed incredible acts of bravery sacrifice and selflessness by the volunteers and residents who struggled to carry on this is our story

## **The Battle for Arcanon Major**

2013-01-07

with an army of four thousand at her command halíka dacomé daughter of the primord elemental king must lead the final battle to save her planet the six hundred thousand savage and bloodthirsty primords plan to wipe out the diminished royal line of the elementals once and for all when the battle goes badly the unexpected arrival of some gifted friends change the course of the fight among the newcomers is her childhood playmate nerído xipilé reunited emotions run high and promises are made but the enemy has a new plan involving halíka dacomé one she cannot refuse and the ultimate price could be treason the battle for arcanon major is the first prequel to elemental the first

## **The Battle for the Buffalo River**

2010-03-01

under the auspices of the 1938 flood control act the u s corps of engineers began to pursue an aggressive dam building campaign a grateful public generally lauded their efforts but when they turned their attention to arkansas s buffalo river the vocal opposition their proposed projects generated dumbfounded them never before had anyone challenged the corps s assumption that damming a river was an improvement led by neil compton a physician in bentonville arkansas a group of area conservationists formed the ozark society to join the battle for the buffalo this book is the account of this decade long struggle that drew in such political figures as supreme court justice william o douglas senator j william fulbright and governor orval faubus the battle finally ended in 1972 with president richard nixon s designation of the buffalo as the first national river drawing on hundreds of personal letters photographs maps newspaper articles and reminiscences compton s lively book details the trials gains setbacks and ultimate triumph in one of the first major skirmishes between environmentalists and developers

## **Raising Courageous Children In a Cowardly Culture: The Battle for the Hearts and Minds of Our Children**

2017-04-11

two seasoned parents share the personal story of how they made conscious faithful choices to raise six successful and courageous children michelle and jim capra have given all parents a precious practical gift by sharing their own honest journey to create six children of character their struggles to develop habits of excellence accountability and moral standards in a loving godly way are lessons for us all i only wish i had read this book when i was raising my own children barbara a glanz hall of fame speaker and author of priceless gifts using what god s given you to bless others as parents to six children what really resonates with me about james and michelle capra s book raising courageous children in a cowardly culture is their candidness i truly appreciate that he withstands the tide of political correctness and states what parents today really need to hear this is the go to resource for raising upright children david heavener evangelist revelation media ministry

## **The Battle for History**

1997

although 50 years have passed since the end of world war 11 there has as yet been no definitive history of that conflict existing histories have raised as many questions as they answer did roosevelt have foreknowledge of the attack on pearl harbour could the allies have invaded france before 1944 might bombing the auschwitz railway have impeded the course of the holocaust john keegan here assesses the literature that has emerged from world war 11 and the controversies it has generated in a book that combines stunning erudition with crisp prose and highly personal discernment

## **The Tale of Two Bridges and the Battle for the Skies Over North Vietnam**

1976

a harrowing and incisive high quality battle history from one of the world s finest military historians booklist the allied attack of normandy beach and its resultant bloodbath have been immortalized in film and literature but the us campaign on the beaches of western italy reigns as perhaps the deadliest battle of world war ii s western theater in january 1944 about six months before d day an allied force of thirty six thousand soldiers launched one of the first attacks on continental europe at anzio a small coastal city thirty miles south of rome the assault was conceived as the first step toward an eventual siege of the italian capital but the advance stalled and anzio beach became a death trap after five months of brutal fighting and monumental casualties on both sides the allies finally cracked the german line and marched into rome on june 5 the day before d day richly detailed and fueled by extensive archival research of newspapers letters and diaries as well as scores of original interviews with surviving soldiers on both sides of the trenches anzio is a relentlessly fascinating story with plenty of asides about individuals experiences publishers weekly masterly a heartbreaking beautifully told story of wasted sacrifice the washington post

## **Anzio**

2007-12-01

this is the face of war as only those who have fought it can describe it senator john mccain fallujah iraq s most dangerous city unexpectedly emerged as the major battleground of the iraqi insurgency for twenty months one american battalion after another tried to quell the violence culminating in a bloody full scale assault victory came at a terrible price 151 americans and thousands of iraqis were left dead the epic battle for fallujah revealed the startling connections between policy and combat that are a part of the new reality of war the marines had planned to slip into fallujah as soft as fog but after four american contractors were brutally murdered president bush ordered an attack on the city against the advice of the marines the assault sparked a political firestorm and the marines were forced to withdraw amid controversy and confusion only to be ordered a second time to take a city that had become an inferno of hate and the lair of the archterrorist al zarqawi based on months spent with

the battalions in fallujah and hundreds of interviews at every level senior policymakers negotiators generals and soldiers and marines on the front lines no true glory is a testament to the bravery of the american soldier and a cautionary tale about the complex and often costly interconnected roles of policy politics and battle in the twenty first century

## **The Battle for Native Industry. The Debate Upon the Corn Laws, the Corn Importation and Customs'Duties Bills, and the Other Financial Measures of the Government, in Session 1846. Reprinted by Permission, from "Hansard's Parliamentary Debates." [Edited by A. S. O'B., I.e. Augustus Stafford O'Brien, Afterwards Augustus Stafford.]**

1846

this is the second volume of geirr haarr s monumental and unsurpassed account of the events at sea during the german invasion of norway in 1940 the early part of the book covers the operations off southern and western norway where noewegian and british forces attempted to that the german advance out of the invasion ports and the stream of supplies and reinforcements across the skagerrak the second part focuses on the british landings in central norway where the royal for the first time had its mastery challenged by air superiority from land based aircraft the author then covers the events in and around narvik where norwegian british french and polish naval air and land forces were engaged in the first allied combined amphibious landings of world war ii finally the author focuses on the events during the allied evacuation in june in which the first carrier task force operations of the war including the loss of the carries glorious figure prominently as in the first volume the narratives shifts continuously between the strategic and operational issues and the experiences of the officers and ratings living through the events while extensive research has revealed aspects of the war that remain controversial to this day book jacket

## **The Battle For The Atlantic**

1996

a thorough look at this turning point wwii aerial battle with eyewitness accounts maps and rare photos incredibly well researched aircrew book review by late summer 1940 nazi germany had conquered all its opponents on the continent including the british army itself which was forced to scramble back aboard small boats to its shores a non aggression pact with the soviet union in hand hitler had only one remaining object that season the british isles themselves however before he could invade his luftwaffe needed to wipe the royal air force from the skies history s first strategic military campaign conducted in the air alone was about to take place this book contains a large number of dramatic eyewitness accounts even as it reveals new facts that will alter common perceptions of the battle for example the twin engined messerschmitt bf 110 was actually a good day fighter and it performed at least as well in this role as the bf 109 during the battle the luftwaffe s commander hermann göring performed far better than has been believed the british night bombers played a more decisive role than previously thought in addition this book disproves that the

german 109 pilots were in any way superior to their hurricane or spitfire counterparts the author has examined records from both sides and provides surprising statistics that shatter much conventional wisdom laying out the battle of britain as seldom seen before includes color photos of the relevant aircraft

## ***No True Glory***

2011-12-07

by the summer of 1944 it was clear that japan s defeat was inevitable but how the drive to victory would be achieved remained unclear the ensuing drama that ended in japan s utter devastation was acted out across the vast theater of asia in massive clashes between army air and naval forces in recounting these extraordinary events max hastings draws incisive portraits of macarthur mao roosevelt churchill stalin and other key figures of the war in the east but he is equally adept in his portrayals of the ordinary soldiers and sailors caught in the bloodiest of campaigns with its piercing and convincing analysis retribution is a brilliant telling of an epic conflict from a master military historian at the height of his powers

## ***The Battle for Norway***

2010

chronicles the events of 1916 a watershed year in the history of the small canadian town known today as kitchener ontario the community founded by german immigrants was in turmoil over attempts to raise a battalion to support the british war effort and that turmoil broke down the established order and culminated in the town s name change annotation copyright by book news inc portland or

## **The Battle of Britain**

2015-09-19

the famous d day landings of 6 june 1944 marked the beginning of operation overlord the battle for the liberation of europe military historian sir max hastings acclaimed account overturns many traditional legends in this memorable study drawing together the eyewitness accounts of survivors from both sides plus a wealth of previously untapped sources and documents overlord provides a brilliant controversial perspective on the devastating battle for normandy

## ***Retribution***

2009-03-10

in this insightfully honest and moving memoir about the realities of teaching in an inner city school ed boland smashes the dangerous myth of the hero teacher and shows us how high the stakes are for our most vulnerable students piper kerman author of orange is the new black in a fit of idealism ed boland left a twenty year career as a non profit executive to teach in a tough new york city public high school but his hopes quickly collided headlong with the appalling reality of his students lives and a hobbled education system unable to help them freddy runs a drug ring for his incarcerated brother nee cole is homeschooled on the subway by her brilliant homeless mother byron s ivy league dream is dashed because he is undocumented in the end boland isn t hoisted on his students shoulders and no one passes ap anything this is no urban fairy tale of at risk kids saved by a hollywood hero but a searing indictment of schools that claim to be progressive but still fail their students told with compassion humor and a keen eye boland s story is sure to ignite debate about the future of american education and attempts to reform it

## ***The Battle for Berlin, Ontario***

2012-03-22

the battle for crested hill is an epic tale about a man who has made so many wrong decisions in his life that he has found himself on the darkend road what does a person do when he finds himself in the midst of the spiritual battles that take place within most of us who are willing to admit it the battles between the light and the

dark the setting takes place in the spiritual realm where gigot has been led to mount illumine to join the likes of epaga lortnoc humilty and suffering in order to take back all of the land that gigot will and others had given up over time the first battle takes place on the plain of alongore and takes the reader along with them on their journey to retake the crested hill the forces of darkness remain steadfast in their quest to keep what they believe is theirs their supreme leader ementior and his liege ophis the snake king do not have any intention on relinquishing anything particularly to the known failure gigot the battle for the crested hill is not left to chance in the mind of ementior but everything within his power is thrown at gigot and will to defeat them at every juncture of their journey this is a battle of the mind a battle of the will a spiritual battle for the heart of man where men see their own personal weaknesses on the darkend road where darklings dwell in shadows and the pain of a memory is sent to the no more yet the great one speaks in the still small voice saying i am here and gigot knows for certain that he is not alone

## Overlord

2016-02-09

a compulsive page turner a triumph of brilliant storytelling an instant classic that is an awesome remarkable and exuberant achievement simon sebg montefiore winner of the wolfson history prize and shortlisted for the duff cooper prize in the summer of 1812 napoleon the master of europe marched into russia with the largest army ever assembled confident that he would sweep everything before him yet less than two years later his empire lay in ruins and russia had triumphed this is the first history to explore in depth russia s crucial role in the napoleonic wars re creating the epic battle between two empires as never before dominic lieven writes with great panache and insight to describe from the russians viewpoint how they went from retreat defeat and the burning of moscow to becoming the new liberators of europe the consequences of which could not have been more important ultimately this book shows memorably and brilliantly russia embarking on its strange central role in europe s existence as both threat and protector a role that continues in all its complexity into our own lifetimes
