since his death in 1930 d h lawrence has become not only one of the most controversial english novelists of the twentieth century but also one of the most widely read and quoted writers in the language in this new study of his major fiction alistair niven revalues all the novels tracing lawrence s development through them both as an artist and as a thinker at the centre

of the book Dr Niven discusses the rainbow and women in love as the diverse products of a single creative intention nothing less than an exploration of where modern man is going. Lawrence's early novels *The White Peacock* and *The Trespasser* receive exceptionally close scrutiny. There are also full length chapters on Lawrence's well known fiction of sexual self discovery *Sons and Lovers* and *Lady Chatterley's Lover*. The travel novels *The Lost Girl* and *Aaron's Rod*, *The Plumed Serpent* and especially the Australian novel *Kangaroo* which the author believes has been seriously underestimated by previous critics are given prominence as evidence of Lawrence's restless desire to find a superior set of values to those he believed had failed in England. Dr Niven's conclusions are derived solely from his close reading of the novels themselves and when relevant from Lawrence's correspondence and short stories. This study with its unusually lively and commonsense approach confirms Lawrence as not only a great novelist but a central figure in the development of the modern mind.

Jamie Peacock is the ultimate modern forward in rugby league taking the hard hits making the toughest yards and leading by example in the Super League and international arenas. JP has come through adversity on and off the pitch to become one of the most respected players of his generation. His strength, determination and unfailing will to win have seen him claim the Man of Steel and International Forward of the Year awards along with a host of other individual honours while picking up Super League titles and Challenge Cups with Bradford and Leeds. His autobiography *No White Flag* is a revelatory and inspirational account of a life in professional sport from starting out as a skinny youth and being told he wouldn't make the grade to dark days in hospital waiting rooms with his career hanging by a thread culminating in the euphoria of winning the grand final with hometown club Leeds Rhinos and leading Great Britain to a historic series whitewash over New Zealand in the autumn of 2007. Forthright and to the point, Jamie pulls no punches in describing rugby league as he sees it, replete with opinions and anecdotes. This book is essential reading for anyone with an interest in what it takes to become one of sport's true gladiators.
