## Math Riddles for Smart Kids

2020-10

who knew solving math problems could be this much fun do you get protests and whining every time your child has to do some math exercises do you hear i give up more often when they re doing math homework compared to their other school subjects do you want to make study time more exciting and something your child will actually look forward to many kids struggle with math especially as they move on to more and more abstract concepts it s harder to understand an idea when you can t visualize it and see how it applies to you by making math concepts more relatable children may find that math can actually be enjoyable and relevant if you want to help your child become a math whiz or even just to become more receptive to this unpopular subject you don t need to look any further with this collection of math riddles and brain teasers carefully created by cooper the pooper you won t get the same old math problems that only cover what s taught in school you ll get unique problems that require your child to think beyond basic mathematical concepts and actually apply problem solving and analytical skills plus wouldn t your child be more inclined to answer questions from a dog

## I'm A?

2019-07-29

i m a a book of rhymes riddles and choices is a children's picture book for the juvenile audience ages 0 7 in addition to a great story for kids it's a fun interactive activity being that you're able to read to or with your child and then go through which object from the multiple choice page they think the riddle is referring to this will improve concentration and memory evolving their cognitive development and preparing them for school it's educational by teaching young children words characteristics and objects when you open i m a you'll follow a girl and boy named rachel and randy on a detective adventure as they solve the riddles such as to an african safari to be greeted by a lion the beach where they find a seashell and build a sandcastle or the forest where they meet a bear by the river the colored illustrations will have creative rhymes to match this is children's literature that uses

simple context for the beginner reader and introduces independent thinking and problem solving examining the evidence and using the facts to solve will only boost their self confidence and decision making skills i m a is a feel good book for the youth made with critical thinking in mind but is equally cute and happy while ideally for kindergarten elementary and before preschool it can be great as a rhyming picture book to read to infants as well aiding in brain development and early learning whether you re a parent teacher grandparent or relative you ll enjoy reading these riddles just as much as your young readers love listening to them it is a joyful family or classroom reading experience that will keep kids interested and entertained made for playtime story time or bedtime you re sure to enjoy this book with your little ones at any time
