the purpose of the study was to combine data from previous studies and other records with current information obtained in the area to evaluate the ground water resources of the area with respect to future development and to make recommendations as to the needs for future studies champion great bend and deferiet were all founded in the 1800s farming has always been the lifeblood of champion noadiah hubbard original settler land agent merchant and builder did much to encourage its settlement and growth great bend s location on the black river drew various mills looking to utilize inexpensive waterpower such corporations included the sherman paper company and the great bend paper company which was incorporated in september 1868 to manufacture straw wrapping papers and strawboard f w woolworth of five and dime fame endowed a church here in honor of his parents on september 15 1915 deferiet was originally founded by french émigré jenika de ferriet it became a mill town in 1899 when the land was acquired by the st regis paper company which employed immigrants of italian and polish extraction as the mills gradually left the northeast these communities reverted to their farming roots in many cases attracting families for settlement and retirement champion great bend and deferiet were all founded in the 1800s farming has always been the lifeblood of champion noadiah hubbard original settler land agent merchant and builder did much to encourage its settlement and growth great bend s location on the black river drew various mills looking to utilize inexpensive waterpower such corporations included the sherman paper company and the great bend paper company which was incorporated in september 1868 to manufacture straw wrapping papers and strawboard f w woolworth of five and dime fame endowed a church here in honor of his parents on september 15 1915 deferiet was originally founded by french emigre jenika de ferriet it became a mill town in 1899 when the land was acquired by the st regis paper company which employed immigrants of italian and polish extraction as the mills gradually left the northeast these communities reverted to their farming roots in many cases attracting families for settlement and retirement a novel of challenge and conflict in california s wine country jason had not planned to stay for long fix up the house his father had left him and return to san francisco it was true though that the home in a small town on the russian river did have its attractions there was a beautiful environment with good neighbors but this was not his life his options seemed clear at first you can t fight city hall or can you jason s new neighbors were engaged in a struggle to save their community and powerful forces were lined up against them the thrust and parry of local politics dominated the agenda in the council chambers once again there was a battle over the land at ruskaya bend diane garner considers herself a small town texas anglo girl with an astonishingly successful single mom she experiences a dramatic transition from desperate poverty that resulted when her father abandoned the family the family finds prosperity in a small texas town when her mother becomes a hospital executive a very unusual career for a woman in the fifties diane grows up in the nurturing community where she enjoys various adventures and mischievous pranks with friends one day at the age of twenty two she learns a startling secret about her mother s hidden past then embarks on a journey to restore the lost legacy of her family the history of the first national park in texas the politics intrigues controversies and the people inspired by the stunning desert environment a breathtaking country of rugged mountain peaks uninhabited desert and spectacular river canyons big bend is one of the united states most remote national parks and among texas most popular tourist attractions located in the great bend of the rio grande that separates texas and mexico the park comprises some 800 000 acres an area larger than the state of rhode island and draws over 300 000 visitors each year the story of big bend national park offers a comprehensive highly readable history of the park from before its founding in 1944 up to the present john jameson opens with a fascinating look at the mighty efforts involved in persuading washington officials and local landowners that such a park was needed he details how money was raised and land acquired as well as how the park was publicized and developed for visitors moving into the present he discusses such issues as natural resource management predator protection in the park and challenges to land water and air along the way he paints colorful portraits of many individuals from area residents to park rangers to lady bird johnson whose 1966 float trip down the rio grande brought the park to national attention this history will be required reading for all visitors and prospective visitors to big bend national park for everyone concerned about our national parks it makes a persuasive case for continued funding and wise stewardship of the parks as they face the twin pressures of skyrocketing attendance and declining budgets during the early weeks of 1848 as u s congressmen debated the territorial status of california a swiss immigrant and an itinerant millwright forever altered the future state s fate building a sawmill for johann august sutter james wilson marshall struck gold the rest may be history but much of the story of what happened in the following year is told not in history books but in the letters diaries journals and other written recollections of those whom the california gold rush drew west in this second installment in the projected four part collection the great medicine road narratives of the oregon california and mormon trails the hardy souls who made the arduous trip tell their stories in their own words seven individuals tales bring to life a long ago year that enriched some impoverished others and forever changed the face of north america responding to often misleading promotional literature adventurers made their way west via different routes following the carson river through the sierra nevada or taking the lassen route to the sacramento valley they

passed through the mormon zion of great salt lake city and traded with and often displaced native americans long familiar with the trails their accounts detail these encounters as well as the gritty realities of everyday life on the overland trails they narrate events describe the vast and diverse landscapes they pass through and document a journey as strange and new to them as it is to many readers today through these travelers diaries and memoirs readers can relive a critical moment in the remaking of the west and appreciate what a difference one year can make in the life of a nation the big bend region of texas variously referred to as el despoblado the uninhabited land a land of contrasts texas last frontier or simply as part of the trans pecos enjoys a long colorful and eventful history a history that began before written records were maintained with big bend s ancient and modern past editors bruce a glasrud and robert j mallouf provide a helpful compilation of articles originally published in the journal of big bend studies reviewing the unique past of the big bend area from the earliest habitation to 1900 scholars of the region investigate not only the peoples who have successively inhabited it but also the nature of the environment and the responses to that environment as the studies in this book demonstrate the character of the region has to a great extent dictated its history the study of big bend history is also the study of borderlands history studying and researching across borders or boundaries whether national state or regional requires a focus on the factors that often both unite and divide the inhabitants the dual nature of citizenship of land holding of legal procedures and remedies of education and of history permeate the lives and livelihoods of past and present residents of the big bend the new thrilling novel featuring jack west jr from new york times and 1 international bestselling author matthew reilly jack west jr and his family are living contentedly on their remote farm when their lives are abruptly shattered jack is brutally kidnapped and he awakens in an underground cell to find a masked attacker with a knife charging at him it seems he has been chosen along with a dozen other elite soldiers to compete in a series of deadly challenges designed to fulfill an ancient ritual with the fate of the earth at stake he will have to traverse diabolical mazes fight cruel assassins and face unimaginable horrors that will test him like he has never been tested before in the process he will discover the mysterious and powerful group of individuals behind it all the four legendary kingdoms he might also discover that he is not the only hero in this place this volume provides a comprehensive general history of the state of pennsylvania beginning with native american tribes through its involvement in the american civil war histories of each county are also provided with a significant portion of the adams county history devoted to the town and battle of gettysburg volume ii of iii this volume is sub titled the battle of st mihiel and covers st mihiel pont a mouson and metz the first 18 pages provide the historical background how the st mihiel salient was formed in september 1914 and how it was eventually eliminated four years later in september 1918 details of the american forces corps and divisions involved are given with photos of some of their commanders then follow the outlines of three guided tours round the battlefields with comments on the scenes of interest and accounts of the fighting the first tour covers verdun to commercey via calonne trench eparges apremont forest ailly wood and st mihiel including a visit to the latter the next trip goes from commercey to metz via pont a mouson and including a visit to pretre wood where there was heavy fighting from sep 1914 to may 1915 when it finally passed into french hands and remained there it ends with a tour of metz the third tour runs from metz to verdun via etain the main place of interest visited on this leg which does not take in the verdun battlefield good maps and battlefield photos all make this an interesting piece of wwi history includes section review of recent geological literature this book explores the idea psychology and political geography of northeast india as forged by two interrelated but autonomous meta narratives first the politics of conflict inherent in and therefore predetermined by physical geography and second the larger geopolitics that was unfolding during the colonial period unravelling the history behind the turmoil engulfing northeast india the study contends that certain geographies most pertinently fertile river valleys and surrounding mountains which feed the rivers are integral to nature and any effort to disrupt this cohesion will result in conflict it comprehensively traces the geopolitics of the region since colonial era in particular the great game the politics that went into the making of the mcMahon line the Radcliffe line and the Pemberton line the region s relations with its international neighbours china bhutan myanmar bangladesh and nepal as well as the issue of many formerly non state bearing populations awakening to the reality of the modern state lucid and analytical this book will be of great interest to scholars and researchers of northeast india modern indian history international relations defence and strategic studies and political science
