challenging orthodox assumptions concerning british federalism the british tradition of federalism offers a unique revisionist critique of britain s recent constitutional past the central themes of empire ireland and europe provide the empirical focus of this volume together they reveal a fundamental continuity of british federal ideas a single intellectual tradition which spans the last century by reinstating a neglected dimension of the larger british political tradition burgess shows how the continuing relevance of this federal tradition serves as both the source of and inspiration for a wide range of constitutional reform proposals in the 1990s

The British Tradition in America

1954

this collection offers a reinterpretation of the history of british criticism by exploring the work of neglected as well as celebrated critics it contextualizes the current crisis and shows how traditional criticism anticipates and to some extent parallels the concerns of postmodern critical theory the issue of value is also addressed as is the question of the future direction of criticism making this volume an important contribution to contemporary critical debate

The British Tradition of Federalism

1995

tristram potter coffin s the british traditional ballad in north america published in 1950 became recognized as the standard reference to the published material on the child ballad in north america centering on the theme of story variation the book examines ballad variation in general treats the development of the traditional ballad into an art form and provides a bibliographical guide to story variation as well as a general bibliography of titles referred to in the guide roger dev renwick s supplement to the british traditional ballad in north america provides a thorough review of all sources of north american ballad materials published from 1963 the date of the last revision of the original volume to 1977 the references which include published text fragments and published title lists of items in archival collections are arranged according to each ballad s story variations textual and thematic comparisons among ballads in the british and american tradition are made throughout in his introductory essay renwick synthesizes the various theoretical approaches to the phenomenon of variation that have appeared in scholarly publications since 1963 and provides examples from texts referred to in the bibliographical guide itself the supplement like its parent work is an invaluable reference tool for the

study of variation in ballad form content and style together with the reprinted text of the 1963 edition the supplement provides an exhaustive bibliography to the literature on the british traditional ballad in north america

the standard work of reference on the subject of oak furniture consulted by dealers collectors auctioneers valuers and students of furniture

The British Tradition

2003

first published in 1982 this book is concerned with the tensions between continuity and change in customs rituals beliefs of artisans factory workers and sections of the lower middle classes in the nineteenth century it explores a range of factors which contributed to changes in custom including the effects of urbanisation conflict over the use of public land new conceptions of public order the decline of the oral tradition and the growth of a new recreational nexus in the larger cities drawing on material from all parts of the british isles the book demonstrates the enormous variety and diversity of popular tradition this book will be of interest to those studying victorian history

The British Tradition

2005

many of the traditions which we think of as very ancient in their origins were not in fact sanctioned by long usage over the centuries but were invented comparatively recently this book explores examples of this process of invention the creation of welsh and scottish national culture the elaboration of british royal rituals in the nineteenth and twentieth centuries the origins of imperial rituals in british india and africa and the attempts by radical movements to develop counter traditions of their own it addresses the complex interaction of past and present bringing together historians and anthropologists in a fascinating study of ritual and symbolism which poses new questions for the understanding of our history

the genre of britpop with its assertion of englishness evolved at the same time that devolution was striking deep into the hegemonic claims of english culture to represent britain it is usually argued that britpop with its strident declarations of englishness was a response to the dominance of grunge the contributors in this volume take a different point of view that britpop celebrated englishness at a time when british culture with its english hegemonic core was being challenged and dismantled it is now timely to look back on britpop as a cultural phenomenon of the 1990s that can be set into the political context of its time and into the cultural context of the last fifty years a time of fundamental revision of what it means to be british and english

The House of Lords

1994

this book explores the british animal defense movement s mobilization of the cultural and intellectual traditions of its time from christianity and literature to natural history evolutionism and political radicalism in its struggle for the cause of animals in the nineteenth and early twentieth centuries each chapter examines the process whereby the animal protection movement interpreted and drew upon varied intellectual moral and cultural resources in order to achieve its manifold objectives participate in the ongoing re creation of the current traditions of thought and re shape human animal relations in wider society placing at its center of analysis the movement s mediating power in relation to its surrounding traditions li s original perspective uncovers the oft ignored cultural work of the movement whilst restoring its agency in explaining social change looking forward it points at the same time to the potential of all traditions through ongoing mobilization to effect change in the human animal relations of the future
