## ***The Rights of Women in Islam 2008***

women s issues continue to dominate the islamic world in particular as there has been a very gradual change in the status of women in the islamic world as a whole this book covers various aspects relating to the status of women in the pre islamic period customs and traditions forms of marriage divorce and forms of divorce dower traditions regarding slave girls and so on it then goes on to deal with the status of women in the post islamic period the qur anic concept of women s rights in marriage divorce inheritance custody of children polygamy maintenance property right to earn etc it quotes extensively from the qur an and sunnah it also deals with the arab adaat that is pre islamic customs and traditions regarding women altogether it attempts to arm muslim women with islamic arguments for their empowerment the author a renowned scholar has sought to set the record straight by reinterpreting women s rights in the true qur anic spirit he argues quite convincingly that the holy book gives equal rights to both the sexes and it does not discriminate between them as regards personal democratic and human rights the question whether in a secular society muslim personal law needs any change and if so in which direction the reform should be undertaken is dealt with in detail this third edition contains a chapter on a muslim woman leading the congregational prayer this chapter deals with the important aspect of muslim women s problems and also hopes to further enhance their understanding of the shari ah issues

## **Status of Women in Islam 1996**

the present book deals with the status of women in islam it has been divided into two parts the first deals with the status of women as per tenets of islam in the family structure and in the society and economy and the other with the status of muslim women in our country the problems specifically highlighted are the acquisition of knowledge by muslim women their participation in the process of consultation their rights and obligations in regard to social life of muslim community and their role in economic activities

## **Women and Gender in Islam 2021-03-16**

a classic pioneering account of the lives of women in islamic history republished for a new generation this pioneering study of the social and political lives of muslim women has shaped a whole generation of scholarship in it leila ahmed explores the historical roots of contemporary debates ambitiously surveying islamic discourse on women from arabia during the period in which islam was founded to iraq during the classical age to egypt during the modern era the book is now reissued as a veritas paperback with a new foreword by kecia ali situating the text in its scholarly context and explaining its enduring influence ahmed s book is a serious and independent minded analysis of its subject the best informed most sympathetic and reliable one that exists today edward w said destined to become a classic it gives muslim women back our rightful place at the center of our histories rana kabbani the guardian

## **Great Women of Islam 2001**

this book is about the life stories of the mothers of the believers and 16 other sahabiyat who had been given the good news of the paradise in this world by prophet muhammad s there are good examples in the lifestyle of the mothers of the believers and women companions especially for the muslim women it is necessary for all of us to study the seerah of these noble and fortunate women besides the mothers of the believers the compiler of the book has included the description of those sixteen women who had been given the good news of the paradise in this world by the prophet muhammad s although the original book is in the urdu language but the efforts of the translator had made it more beneficial for the readers

## **Women in Islam 2003**

in this two volume set all the issues concerning women in islam religions sociological sexual and cultural have been exhaustively discussed

## **Women In Islam- Exploring New Paradigms 2015**

women in islam exploring new paradigms is a revolutionary book that explores the vast literature and canonical texts on the rights of muslim women the author argues that the revelation of qur an marked a watershed in the history of muslim women it empowered them in several ways if women are oppressed today it is on account of factors extrinsic to islam had the true intent of the qur an been followed there would have been gender equality but this true intent was undermined by arabian patriarchal practices and by imports from surrounding in egalitarian civilizations he believes that the solution lies not in reforming but in rediscovering islam differences regarding gender status are attributed primarily to the way the qur an has been predominantly interpreted especially in the shari a holy law

## ***Women in Islamic Biographical Collections 1994***

political projects of modern nation states the specificities of their nationalist histories and the positioning of islam vis a vis diverse nationalisms are addressed in this volume with respect to their implications and consequences for women through a series of case studies

## **Status of Women in Islam 2001**

relying explicitly on the source texts of islam including the holy quran and the sayings of the holy prophet muhammad dr da costa details the true rights and roles of muslim women

## ***Women, Islam and the State 2016-07-27***

## **The Honor of Women in Islam *2002***

this book distinguishes islam as a spiritual message from the sociopolitical context of its revelation while the sacred text of the quran reveals a clear empowerment of women and equality of believers such spirit is barely reflected in the interpretations trapped between western rhetoric that portrays them as submissive figures in desperate need of liberation and centuries old parochial interpretations that have almost become part of the sacred muslim women are pressured and profoundly misunderstood asma lamrabet laments this state of affairs and the inclination of both muslims and non muslims to readily embrace flawed human interpretations that devalue women rather than remaining faithful to the meaning of the sacred text full of insight this study carefully reads the qur an to arrive at its deeper spiritual teachings

## **Status of Women in Islam *1987***

is women s inequality supported by the qur an do men have the exclusive right to interpret islam s holy scripture in her best selling book believing women in islam unreading patriarchal interpretations of the qur an asma barlas argues that far from supporting male privilege the qur an actually encourages the full equality of women and men she explains why a handful of verses have been interpreted to favor men and shows how these same verses can be read in an egalitarian way that is fully supported by the text itself and compatible with the qur an s message that it is complete and self consistent a brief introduction presents the arguments of believing women in a simplified way that will be accessible and inviting to general readers and undergraduate students the authors focus primarily on the qur an s teachings about women and patriarchy they show how traditional teachings about women s inferiority are not supported by the qur an but were products of patriarchal societies that used it to justify their existing religious and social structures the authors hope is that by understanding how patriarchal traditionalists have come to exercise so much authority in today s islam as well as by rereading some of the qur an s most controversial verses adherents of the faith will learn to question patriarchal dogma and see that an egalitarian reading of the qur an is equally possible and for myriad reasons more plausible

## Women and Men in the Qur'an 2018-05-02

for several decades the muslim world has experienced a religious resurgence the reassertion of islam in personal and political life has taken many forms from greater attention to religious practice to the emergence of islamic organizations movements and institutions one of the most controversial and emotionally charged aspects of this revival has been its effect on women in muslim societies the essays collected in this book place this issue in its historical context and offer case studies of muslim societies from north africa to southeast asia these fascinating studies shed light on the impact of the islamic resurgence on gender issues in iran egypt jordan pakistan oman bahrain the philippines and kuwait taken together the essays reveal the wide variety that exists among muslim societies and believers and the complexity of the issues under consideration they show that new things are happening for women across the islamic world and are in many cases being initiated by women themselves the volume as a whole militates against the stereotype of muslim women as repressed passive and without initiative while acknowledging the very real obstacles to women s initiatives in most of these societies

## Women in Sharī'ah (Islamic Law) 1990

does islam call for the oppression of women the subjugation of women in many muslim countries is often used as evidence of this while many muslims read the qur an in ways that seem to justify sexual oppression and inequality in this paradigm shifting book asma barlas argues that far from supporting male privilege the qur an actually affirms the complete equality of the sexes offering a historical analysis of religious authority and knowledge barlas shows how for centuries muslims have read patriarchy into the qur an to justify existing religious and social structures in this seminal volume she takes readers into the heart of islamic teachings on women gender and patriarchy offering an egalitarian reading of islam s most sacred scripture this revised edition includes two new chapters a new preface and updates throughout
