in junot díaz on the half life of love josé david saldívar offers a critical examination of one of the leading american writers of his generation he explores díaz s imaginative work and the diasporic and immigrant world he inhabits showing how his influences converged in his fiction and how his writing especially his pulitzer prize winning novel the brief wondrous life of oscar wao radically changed the course of us latinx literature and created a new way of viewing the decolonial world saldívar examines several aspects of díaz s career from his vexed relationship to the literary aesthetics of whiteness that dominated his mfa experience and his critiques of the colonialities of power race and gender in culture and societies of the dominican republic united states and the américas to his use of the science fiction imaginary to explore the capitalist zombification of our planet throughout saldívar shows how díaz s works exemplify the literary currents of the early twenty first century the book contains a selection of papers focusing on the idea of crossing boundaries in literary and cultural texts composed in english the authors come from different methodological schools and analyse texts coming from different periods and cultures trying to find common ground the theme of the volume between the apparently generically and temporarily varied works and phenomena in this way a plethora of perspectives is offered perspectives which represent a high standard both in terms of theoretical reflection and in depth analysis of selected texts consequently the volume is addressed to a wide scope of both scholars and students working in the field of english and american literary and cultural studies furthermore it will be of interest also to students interested in theoretical issues linked with investigations into literature and culture recent literary expressions of the immigrant experience reveal the postmodern narrative obsession with the immigrant as cultural and political outlier wretched refuge immigrants and itinerants in the postmodern asks us to reimagine this preoccupation with what junot diaz calls the actual flows of third world bodies as part of a larger more pertinent motif of the postmodern itinerant as a figure of cultural becoming the itinerant stands for displacement and dispersion exceeding the confines of physical location political subjectivity and relation to the natural world thus wretched refuge seeks to map the

cosmopolitan positionalities of an immigrant or exilic experience the itinerant the migrant and other foreign bodies the essays in wretched refuge consider fiction memoir and pop culture genres that reconceive time space and the shifting situatedness of the subject within nature politics and culture the book weaves together modern and postmodern visions of itinerancy in the writings of cormac mccarthy bob dylan junot diaz edwidge danticat jeffrey eugenides jhumpa lahiri roberto bolaño paul bowles and bill mckibben among others throughout these radically different narratives the trace of the itinerant suggests a cosmopolitan response to localized anxieties about global hegemony

non sono un cattivo ragazzo so che dicendolo sembro un po paraculo però è vero sono uguale agli altri debole pieno di magagne ma buono eppure magdalena non è d accordo mi considera un tipico uomo dominicano cioè un bastardo inaffidabile che tradisce la fidanzata non con una ma con cinquanta ragazze dimenticandosi pure di cancellare dalla posta le loro mail ecco yunior alter ego dell autore e protagonista di questo libro uno capace di mettere nero su bianco una vera e propria guida all amore per infedeli senza cambiare una virgola delle proprie abitudini pronto a lanciarsi in desperate richieste di perdono ogni volta che la fidanzata di turno tradita lo pianta yunior è il ragazzino che si innamora sempre delle donne di suo fratello che cerca di fare amicizia con i bambini americani nel giardino pieno di neve di un condominio di periferia in cui è appena sbarcato È il nipote che non riesce a scordarsi il nonno lasciato a santo domingo le sue mani da contadino il suo dispiacere quando l ha visto partire È l adolescente arrabbiato che non sa come comportarsi con suo fratello che sta morendo di cancro ma rimane loco al cento per cento e fa impazzire di dolore la madre spingendola nelle

braccia del pianeta geova ma yunior è soprattutto il ragazzo ormai adulto che si emoziona ogni volta che torna nella sua isola e vede il mare spinto nel cielo dallo spruzzo di una balena e crede davvero che alla fine di una storia dopo tradimenti e suppliche sia sempre possibile provarci ancora junot d'áz ormai consacrato come uno dei migliori talenti della narrativa internazionale del nuovo millennio riesce nel miracolo di mettere a nudo i desideri e le debolezze del cuore umano con dolcezza e ironia comico nei momenti più struggenti seducente nella follia irresistibile nella tenerezza e ci ricorda che in fondo la passione trionfa sempre sul buon senso how the immigration policies and popular culture of the 1980 s fused to shape modern views on democracy in the 1980s amid increasing immigration from latin america the caribbean and asia the circle of who was considered american seemed to broaden reflecting the democratic gains made by racial minorities and women although this expanded circle was increasingly visible in the daily lives of americans through tv shows films and popular news media these gains were circumscribed by the discourse that certain immigrants for instance single and working mothers were feared censured or welcomed exclusively as laborers in the cultural politics of u s immigration leah perry argues that 1980s immigration discourse in law and popular media was a crucial ingredient in the cohesion of the neoliberal idea of democracy blending critical legal analysis with a feminist media studies methodology over a range of sources including legal documents congressional debates and popular media such as golden girls who s the boss scarface and mi vida loca perry shows how even while multicultural immigrants were embraced they were at the same time disciplined through gendered discourses of respectability examining the relationship between law and culture this book weaves questions of legal status and gender into existing discussions about race and ethnicity to revise our understanding of both neoliberalism and immigration
