## **The Freya Project**

2016-07-31

this book introduces contemporary buddhists from across asia and from various walks of life eschewing traditional hagiographies the editors have collected sixty six profiles of individuals who would be excluded from most buddhist histories and ethnographies in addition to monks and nuns readers will encounter artists psychologists social workers part time priests healers and librarians as well as charlatans hucksters profiteers and rabble rousers all whose lives reflect changes in modern buddhism even as they themselves shape the course of these changes the editors and contributors are fundamentally concerned with how individual buddhists make meaning and display this understanding to others some practitioners profiled look to the past lamenting the transformations buddhism has undergone in recent times while others embrace these some have adopted a new asceticism while others are eager to explore different religious traditions as they think about the semierways  
processo al cioccolato  
inchiesta semiseria sui  
rischi e benefici del cibo  
degli dei

of being buddhist arranging the profiles according to these themes looking backward forward inward and outward reveals the value of studying individual buddhists and their idiosyncratic religious backgrounds and attitudes thus highlighting the diversity of approaches to the practice and study of buddhism in asia today students and teachers will welcome sections on further readings and additional tables of contents that organize the profiles thematically as well as by tradition theravada mahayana vajrayana region and country

## **Narrative Matters**

2008-10-02

this book takes a lofty vision of recovery and of a life in the community for every adult with a serious mental illness promised by the u s president s 2003 new freedom commission on mental health and shows the reader what is entailed in making this vision a reality beginning with the historical context of the recovery movement and its recent emergence on the center stage of mental health policy around the world the authors then clarify various definitions of mental health recovery and address the most common misconceptions of recovery held by skeptical practitioners and worried families with this framework in place the authors suggest fundamental principles for recovery oriented care a set of concrete practice guidelines developed in and for the field a recovery guide model of practice as an alternative to clinical case management and tools to self assess the recovery orientation of practices and practitioners in doing so this volume represents the first book to go beyond the rhetoric of recovery to its implementation in everyday practice much of this work was developed with the state of connecticut s department of mental health and addiction services helping the state to win a 1 ranking in the recent nami report card on state mental health authorities since initial development of these principles guidelines and tools in connecticut the authors have become increasingly involved in refining and tailoring this approach for other systems of care around the globe as more and more governments ministry leaders system managers practitioners and people with serious mental illnesses and their families embrace the need to transform mental health services to promote recovery and community inclusion if you ve wondered what all of the recent to do has been about with the notion of recovery in mental health this book explains it in addition it gives you an insider s view of the challenges and strategies involved in transforming to recovery and a road map to follow on the first few steps down this exciting promising and perhaps long overdue path

## **The Palgrave Handbook of the Vampire**

2013-04-15

to defeat her enemies she must make them immortal only men are allowed into the wells of vision but cara s mother defies this edict and is killed but not before returning with a vision of terrible and wonderful things that are to come and all because of five year old cara years later evil destroys the rest of cara s family in a rage cara uses magic to transform herself into a male warrior but she finds that

to defeat her enemies she must break the cycle of violence not continue it as cara s mother s vision of destiny is fulfilled the wonderful follows the terrible and a quest for revenge becomes a quest for eternal life

## ***A Practical Guide to Recovery-Oriented Practice: Tools for Transforming Mental Health Care***

2013-06-15

pushes urban fantasy noir to its logical extreme by casting the resurrected body of christ now called cross as an angel slaying wise cracking antihero publishers weekly for thousands of years cross has wandered the earth a mortal soul trapped in the undying body left behind by christ he s been a thief a con man a soldier and a drunkard he s fought as a slave in the colosseum and as a knight at king arthur s side but now he must play the part of reluctant hero as an angel comes to him for help finding the mona lisa the real mona lisa that inspired the painting cross s quest takes him into a secret world within our own populated by characters just as strange and wondrous as he is haunted by memories of penelope the only woman he truly loved he wants to avenge her death at the hands of his ancient enemy judas a forgotten god from an ancient time the angel promises to deliver judas to cross but nothing is ever what it seems when judas is involved and when a group of renegade angels looking for a new holy war show up things truly go to hell a deliriously unhinged roller coaster of a novel blending fantasy history horror and humour with the aplomb of an overfull blender but all of it smarter than it truly has any right or need to be national post sweeps you up with its gallows humour whether you re revelling in the pleasures of two fisted angel punching action or the cleverly rendered language quill quire takes urban fantasy to a different level with this tale of conspiracy and confession library journal

## **The Warrior Who Carried Life**

2013

as a subject area of inquiry and research fear of crime and punitiveness have played an increasingly important role in criminology since the early 1990s and emanating largely from within the united states there has been a growing body of research as well as increased attention given to the subject by the media and policy makers in part triggered by the fact that the unites states has the highest imprisonment rate approx 780 100 000 in 2012 in the western world and still has the death penalty in most states increasing attention has been paid to the impact of peoples perceptions of crime their fear of possible victimization and their sense of punitivity to wards offenders and although the body of literature on fear of crime and puntivity has been growing there still remain many regions and countries of the world where there is a dearth of such research this collection includes several of the countries where such research represents the first of its kind the reader will be provided a broad overview of the subject and presented with varied observations about fear of crime and punitivity from different parts of the world as the project represents a novel and exploratory venture into the subject area the collective content provided in this collection will hopefully also serve to advance future research and inform sentencing policy and initiatives to address fear of crime this volume includes seven comparable reports in which the contributors used a common standardized survey to collect data on fear of crime and punitivity among post secondary students the countries represent a cross section of different legal political and cultural systems the countries also vary in their degree of criminal justice development and in terms of the rights of victims in each of the contribu tions the author s provide of their country before disc 8/13 ng the results of the survey they
