Tallinn Manual 2.0 on the International Law Applicable to Cyber Operations 2017-02-02

this manual provides an extensive overview of the importance and use of romance languages in the media both in a diachronic and synchronic perspective its chapters discuss language in television and the new media the language of advertising or special cases such as translation platforms or subtitling separate chapters are dedicated to minority languages and smaller varieties such as galician and picard and to methodological approaches such as linguistic discourse analysis and writing process research

Manual of Romance Languages in the Media 2017-09-25

for well experienced lawyers the federal civil procedure manual provides a comprehensive treatment of procedural law in federal courts that an attorney can rely on for quick answers to discrete issues for new attorneys the manual provides a complete blueprint for commencing and working through a case in court the copious and very recent case law updating provides authoritative sources that go into great detail about the designated issues the authors have nearly 50 years experience in developing crafting and approving amendments to the civil rules they were intimately involved with the amendment process for virtually all the civil rules their combined experience brings unmatched insights into the civil rules the federal civil procedure manual addresses not only procedural law but it also contains extensive discussion of jurisdictional matters the chapters on arbitration as an alternative dispute procedure are typically not addressed in a procedural book
