this new colour edition has been updated to conform to the revised fce specifications

Assessing Second Language Reading 2000-02-24

this volume explores the process of aligning language tests with the common european framework of reference cefr

The Ultimate B2 First Writing Guide 1996-11-07

this book documents a major study comparing the cambridge first certificate in english fce with the test of english as a foreign language toefl to investigate similarities in test content candidature and use while both tests were designed to measure many of the same abilities they represent radically different approaches to language test development reflecting deeper differences between educational measurement traditions in the us and uk the thorough investigation of the fundamental characteristics and operational utility of two of the most widely used english tests for foreign students makes this study a valuable contribution to language testing research as such it will be of considerable interest to language testing specialists and examination boards as well as to academic researchers and graduate students in the field of language assessment more generally

Assessing Reading 1996-12-19

this book describes the process of language test construction and reviews current practice

New Progress to First Certificate Teacher's Book 2011-08-25

this volume focuses on innovative approaches to teaching foreign language courses offered to non language degree students it includes essays related to the innovative use of icts new developments in methodology approaches to course and materials design and the contribution of language theory to foreign language teaching as the book brings together researchers and practitioners working in a variety of contexts it provides detailed insight into ways the same challenges are dealt with in different educational environments the ideas and experiences analysed in this collection of essays will appeal to anyone interested in the current trends in foreign language teaching and learning particularly educationalists the best practices in FLT that the book offers will be a source of inspiration for in service teachers and course designers while the theoretical backgrounds provided in each chapter will be valuable to pre service teachers and stimulating to researchers

Exam Classes 1997-04-03

this volume examines the nature of second language listening proficiency and how it can be assessed the book highlights the need for test developers to provide a clear explication of the ability constructs which underpin the tests they offer in the public domain this is increasingly necessary if claims about the validity of test score interpretation and use are to be supported both logically and with empirical evidence it operationalises a comprehensive test validation framework which adopts a socio cognitive perspective the framework embraces six core components examining and then analysing Cambridge ESOL listening tasks from the following perspectives test taker cognitive validity context validity scoring validity criterion related validity and consequential validity

Examining Speaking 2010-11-11

test developers need to provide a clear explication of the language ability constructs that underpin the tests they offer in the public domain such an explication is essential for supporting claims about the validity or usefulness of test scores this volume describes the theory and practice of Cambridge ESOL's approach to assessing second language writing ability a comprehensive test validation framework is used

to examine the tasks in cambridge esol writing tests from a number of different validity perspectives that reflect the socio cognitive nature of any assessment event the authors show how an understanding and analysis of the framework and its components can assist test developers to operationalise their tests more effectively especially in relation to the key criteria that differentiate one proficiency level from another the book provides an up to date review of relevant literature on assessing writing an accessible and systematic description of the different proficiency levels in second language writing a comprehensive and coherent basis for validating tests of writing this volume is a rich source of information on all aspects of examining writing ability as such it will be of considerable interest to examination boards who wish to validate their own writing tests in a systematic and coherent manner as well as to academic researchers and students in the field of language assessment more generally book jacket

New Progress to First Certificate Self-study Student's Book 1995-03-16
