language standardization is an ongoing process based on the notions of linguistic correctness and models this manual contains thirty six chapters that deal with the theories of linguistic norms and give a comprehensive up to date description and analysis of the standardization processes in the romance languages the first section presents the essential approaches to the concept of linguistic norm ranging from antiquity to the present and includes individual chapters on the notion of linguistic norms and correctness in classical grammar and rhetoric in the prague school in the linguistic theory of eugenio coseriu in sociolinguistics as well as in pragmatics cognitive and discourse linguistics the second section focuses on the application of these notions with respect to the romance languages it examines in detail the normative grammar and the normative dictionary as the reference tools for language codification and modernization of those languages that have a long and well established written tradition i e romanian italian french catalan spanish and portuguese furthermore the volume offers a discussion of the key issues regarding the standardization of the minor romance languages as well as creoles how did the tall lanky don quixote and the short stout sancho panza become staple figures of western iconography so well known that their silhouettes are easily recognizable in picasso s famous work how did the novel don quixote a parody of the romances of knight errantry become a paean to the long suffering impotent nobility of its deluded protagonist according to rachel schmidt the answers to both questions are to be found in the way in which the novel s characters and episodes were depicted in early illustrated editions in critical images schmidt argues that these visual images presented critical interpretations that both formed and represented the novel s historical reception schmidt analyses both spanish and english illustrations including those by william hogarth john vanderbank francis hayman José del castillo and francisco de goya y lucientes and explores several of the iconographic traditions present in the illustrations the burlesque which focuses on the work s slapstick humour the satirical which emphasizes cervantes s supposed didactic enlightenment message and the sentimental which highlights don quixote s purity of heart and purpose schmidt demonstrates that the illustrations offset the neoclassical criticism contained in the same volumes and reveals an intriguing variety of historical readings highlighting the debates controversies and conflicts of interests surrounding interpretations of don quixote dealing with such topical issues as canon formation visual semiotics and the impact of visual media on public opinion critical images will be of great value not only to literary scholars and literary historians but also to art historians and those engaged in cultural and media studies explores the impact of early spanish and english illustrations of the novel don quixote arguing that these visual images presented critical interpretations that both formed and represented the novel s historical reception examines several iconographic traditions represented in the illustrations including the burlesque the satirical and the sentimental and discusses canon formation visual semiotics and the impact of visual media on public opinion annotation copyrighted by book news inc portland or morton aborda lo humano su esencia límites y diferencias respecto de los animales los objetos y el mundo revisa críticamente el ecologismo el antropocentrismo y el humanismo proponiendo una política solidaria para el presente y el futuro el tas se ha convertido en la piedra angular para la resolución de conflictos en el ámbito deportivo su importancia ha ido creciendo paulatinamente desde su creación a finales del siglo pasado hasta convertirse en el tribunal mundial del deporte en este sentido la monografía que ahora ve la luz no solo es un aporte bibliográfico oportuno para los abogados que litigan ante el tas sino que también se convierte en el primer trabajo conjunto de estas características escrito en castellano tras la incorporación de dicha lengua como idioma oficial del tribunal la obra pone a disposición del lector una aproximación eminentemente práctica sobre el funcionamiento y las cuestiones que suelen surgir al litigar ante el tas que los autores todos ellos de amplia y reconocida experiencia abordan de forma profunda y exhaustiva analizando y citando la jurisprudencia más reciente y relevante del sector esta obra se centra en el análisis del documento kairós un texto de carácter ecuménico y contextual elaborado en 1985 cuando sudáfrica vive uno de los momentos más trágicos de su historia reciente bajo el régimen del apartheid la confrontación de la iglesia con una situación de nacionalismo político no es algo nuevo en la vida de

la iglesia pero en pocos lugares la religión ha jugado un papel tan determinante en el último siglo como lo ha hecho en sudáfrica donde se entrecruzan de forma muy característica el nacionalismo bóer con la religión llegando a hablar de la matriz religiosa y cristiana del apartheid en ese sentido sudáfrica se convierte en ejemplo paradigmático de las relaciones entre teología ideología y política el documento kairós reacciona fuertemente ante el peligro de una teología convertida en ideología y advierte de los riesgos de toda nacionalización de la religión definir el papel y el lugar del evangelio en esa crisis discernir en definitiva la voluntad de dios en ese preciso momento y lugar es la difícil tarea a la que se enfrentan los redactores del documento y en último término los cristianos de sudáfrica en él afloran cuestiones de gran calado la reconciliación la justicia y el problema del recurso a la violencia la tiranía y el problema de la desobediencia civil o la discutida implantación sudafricana del calvinismo y su posibilidad de redención pese a tratarse de un documento de carácter coyuntural el texto nos sitúa ante cuestiones nucleares y permanentes de la teología al tiempo que plantea una crucial pregunta cómo debe ser confesada la fe en nuestro mundo la psiquiatría es la única rama de la medicina que tiene vergüenza de usar la palabra enfermedad para definir eso de que se ocupa y por eso llama a sus afecciones como trastornos un eufemismo que traduce el vocablo inglés desórdenes qué orden es el que se desordena cuando alguien es distinto de como se espera qué saber autoriza al médico para clasificar a los seres humanos entendiéndolo que padecen de trastornos de la personalidad que son anormales o peligrosos y que requieren de tratamientos en la presente obra se realiza un análisis del proceso de uniformización y armonización del derecho contractual europeo fenómeno que ha originado que en la actualidad se hable de una verdadera modernización de dicho derecho para ello se toma como punto de partida la influencia de la convención de viena sobre compraventa internacional de mercaderías continuando con los impulsos políticos de las instituciones comunitarias y el papel relevante de los estudios académicos deteniéndose principalmente en los principios de derecho contractual europeo la finalización del borrador del marco común de referencia académico y la repercusión que este proceso ha tenido o está teniendo en la jurisprudencia de nuestro tribunal supremo así como en los trabajos elaborados por la comisión general de codificación juan pablo perez velázquez es doctor en derecho por la universidad pablo de olavide habiendo obtenido la calificación de apto cum laude por unanimidad por la tesis la indemnización de datos y perjuicios por incumplimiento del contrato en los principios de derecho contractual europeo en la actualidad es profesor de derecho civil y director de calidad del máster oficial de abogacía en la universidad pablo de olavide anteriormente ha trabajado como abogado y oficial de notaría la presente obra constituye su segunda monografía habiendo publicado como becario de la fundación mapfre el trabajo los planes de pensiones y los planes de previsión asegurados su inclusión en el casual hereditario
