## **Zibaldone 2013-07-16**

giacomo leopardi was the greatest italian poet of the nineteenth century and was recognized by readers from nietzsche to beckett as one of the towering literary figures in italian history to many he is the finest italian poet after dante leopardi was also a prodigious scholar of classical literature and philosophy and a voracious reader in numerous ancient and modern languages for most of his writing career he kept an immense notebook known as the zibaldone or hodgepodge as harold bloom has called it in which he put down his original wide ranging radically modern responses to his reading his comments about religion philosophy language history anthropology astronomy literature poetry and love are unprecedented in their brilliance and suggestiveness and the zibaldone which was only published at the turn of the twentieth century has been recognized as one of the foundational books of modern culture its 4 500 plus pages have never been fully translated into english until now when a team led by michael caesar and franco d intino of the leopardi centre in birmingham have spent years producing a lively accurate version this essential book will change our understanding of nineteenth century culture giacomo leopardi 1798 1837 italy s first and greatest modern poet was also a critic philosopher and philologist his enormous zibaldone or philosophical and critical notebook which many consider one of the great books of the 19th century was published in penguin classics in 2013

## **Art Patronage, Family, and Gender in Renaissance Florence 2018-02-22**

charles mack examines the evolving context of renaissance art while offering fresh insight into the meaning of the renaissance

## **Gender, Kinship and Power 2014-01-27**

scholarship on pre university education in italy before 1500 has been dominated by studies of individual towns or by general syntheses this work offers not only an archival study of a region but also attempts to discern crucial local

variations

## ***Il mio Zibaldone 2015***

a new account of the sui generis renaissance writer and architect leon battista alberti one of the most brilliant and original authors and architects of the entire renaissance leon battista alberti had an output encompassing engineering surveying cryptography poetry humor political commentary and more he employed irony satire and playful allusion in his written works and developed a sophisticated approach to architecture that combined the ancient and modern born into the florentine elite alberti was nonetheless disadvantaged due to exile and illegitimacy as a result he became an acute analyst of the social institutions of his time as well as a profoundly existential writer who was intensely preoccupied with the human condition this new account explores alberti's life and works examining how his personal and intellectual preoccupations continually pushed him to engage with an ever broader spectrum of renaissance culture

## ***Antoine Busnoys 1999***

this book offers a comprehensive approach to the study of the political history of the renaissance its analysis of government is embedded in the context of geography and social conflict instead of the usual institutional history it examines the florentine state from the mountainous periphery a periphery both of geography and class where florence met its most strenuous opposition to territorial incorporation yet far from being acted upon florence's highlanders were instrumental in changing the attitudes of the florentine ruling class the city began to see its own self interest as intertwined with that of its region and the welfare of its rural subjects at the beginning of the fifteenth century contemporaries either remained silent or purposely obscured the reasons for this change which rested on widespread and successful peasant uprisings across the mountainous periphery of the florentine state hitherto unrecorded by historians

## ***Giovanni Rucellai Ed Il Suo Zibaldone: A Florentine patrician and his palace 1981***

the family book a kind of diary written by and about the family for its various members was established by scholars as a genre in italy in the 1980s although initially regarded as an italian genre the family book can also be found in other parts of europe nevertheless the genre can be traced back to florence where it first emerged and consequently flourished with the lavish production of such documents this abundance springs from the social structure of the city where such texts were essential for establishing and cultivating the basis for the social promotion of florentine families this book presents a reconstruction of the evolution and persistency of tuscan family books as well as a study of several aspects of social history including reading and private libraries domestic devotion and the memory of historical events starting with the renaissance the investigation then broadens to the 17th 18th centuries and considers other forms of memory such as private diaries and autobiographies a final section is dedicated to the issue of memory in the egodocuments of early modern europe this book was translated by susan amanda george

## ***Women and the Circulation of Texts in Renaissance Italy 2020-03-26***

professor kent is concerned with one of the major questions posed by historical research on the later middle ages and the renaissance did these periods witness the nuclearization of the aristocratic family considering three celebrated and representative florentine ottimati lineages the author reconstructs the histories and activities of scores of their households for the period circa 1420 1550 the author describes the nuclear and extended households and the acknowledgement of kinship among the men and separate households of each patrilineage his analysis indicates that the nuclear family and the clan cannot justifiably be regarded as opposing forms of family organization each representative of a distinct historical era and social ambience professor kent's study places renaissance individualism in a wider more corporate social context than that in which it has been traditionally viewed by historians originally published in 1977 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

## ***Zibaldone: The Notebooks of Leopardi 2013-08-08***

a look into the tantalising secrets of florence's palazzo rucellai when italian renaissance professor allison levy takes up residency in the palazzo of her dreams the palazzo rucellai in florence she finds herself consumed by the space and swept into the vortex of its history she spends every waking moment in dusty florentine libraries exploring the palazzo's myriad rooms seeking to uncover its secrets as she unearths the stories of those who have lived behind its celebrated façade she discovers that it has been witness to weddings suicides orgies the dissection of a monster and even a murder entwining levy's own experiences with the ghosts of the palazzo rucellai's past house of secrets paints a scintillating portrait of a family a palace and one of the most iconic cities in the world

## **Il Zibaldone 1797**

the figure of the putto often portrayed as a mischievous baby made frequent appearances in the art and literature of renaissance italy commonly called spiritelli or sprites putti embodied a minor species of demon in their nature neither good

## **Looking at the Renaissance 2005**

## **Household and Lineage in Renaissance Florence 2015-03-08**

the perception that the early sixteenth century saw a culmination of the renaissance classical revival only to degrade into mannerism shortly after raphael s death in 1520 has been extremely tenacious but many scholars agree that this tidy narrative is deeply problematic exploring how we can reconceptualize the high renaissance in a way that reflects how we research and teach today this volume complicates and deepens our understanding of artistic change focusing on rome the paradigmatic centre of the high renaissance narrative each essay presents a case study of a particular aspect of the culture of the city in the early sixteenth century including new analyses of raphael s stanze michaelangelo s sistine ceiling and the architectural designs of bramante the contributors question notions of periodization reconsider the renaissance relationship with classical antiquity and ultimately reconfigure our understanding of high renaissance style

## **House of Secrets 2019-01-24**

this book challenges critical approaches that argue for giacomo leopardi s and samuel beckett s pessimism and nihilism such approaches stem from the quotation of leopardi in beckett s monograph proust as part of a discussion about the removal of desire nonetheless in contrast to ataraxia as a form of ablation of desire the desire of and for the other is here presented as central in the two authors oeuvres desire in leopardi and beckett is read as lying at the cusp between the theories of jacques lacan and emmanuel levinas a desire that splits as much as it moulds the subject when called to address the other inspiring what levinas terms infinity as opposed to totality an infinity pitted

against the nothingness crucial to pessimist and nihilist readings

## **Inventing the Renaissance Putto 2001**

in the middle decades of the sixteenth century the republican city state of florence birthplace of the renaissance failed in its place the medici family created a principality becoming first dukes of florence and then grand dukes of tuscany the fruit of liberty examines how this transition occurred from the perspective of the florentine patricians who had dominated and controlled the republic the book analyzes the long slow social and cultural transformations that predated accompanied and facilitated the institutional shift from republic to principality from citizen to subject more than a chronological narrative this analysis covers a wide range of contributing factors to this transition from attitudes toward officeholding clothing the patronage of artists and architects to notions of self family and gender using a wide variety of sources including private letters diaries and art works nicholas baker explores how the language images and values of the republic were reconceptualized to aid the shift from citizen to subject he argues that the creation of medici principality did not occur by a radical break with the past but with the adoption and adaptation of the political culture of renaissance republicanism

## **The Enigma of Piero 2002-08-17**

in his application of statistical methods to history mr molho offers a new approach to the study of florentine politics scholars have long recognized that florence s deficit financing of its wars of independence against the visconti of milan had far reaching economic political and social effects but this is the first document based history to provide concrete support for that general knowledge focusing on the governmental and fiscal agencies of florence as well as a number of memoirs and account books written by florentine citizens mr molho has gathered and statistically reconstructed much archival material on florentine taxation public income and expenses he concludes that between 1423 and 1433 florence underwent a prolonged and vast fiscal crisis that affected both the fiscal structure of the city and its constitutional and institutional framework his work thus sheds new light on cosimo de medici s rise to power in 1434

## **Florence 2018-06-28**

probes the basic attitudes the underlying values and the core convictions that rome s intellectuals and artists experienced lived for and believed in from pope eugenius iv s reign to the eternal city in 1443 to the sacking of 1527

## **The Understanding of Ornament in the Italian Renaissance 2015-11-16**

## **Nuns' Chronicles and Convent Culture in Renaissance and Counter-Reformation Italy 2003-12-04**

there has been an increasing interest in the meaning and importance of friendship in recent years particularly in the west however the history of friendship and the ways in which it has changed over time have rarely been examined friendship a history traces the development of friendship in europe from the hellenistic period to today the book brings together a range of essays that examine the language of friendship and its significance in terms of ethics social institutions religious organizations and political alliances the essays study the works of classical and contemporary authors to explore the role of friendship in western philosophy ranging from renaissance friendships to christian and secular friendships and from women s writing to the role of class and sex in friendships friendship a history will be invaluable to students and scholars of social history

## **Latin Translation in the Renaissance 2004-07-08**

the transmission of culture in early modern europe focuses on the ways in which culture is moved from one generation or group to another not by exact replication but by accretion or revision the contributors to the volume each consider how the passing of historical information is an organic process that allows for the transformation of previously accepted truth the volume covers a broad and fascinating scope of subjects presented by leading scholars anthony grafton s contribution on the fifteenth century forger annius of viterbo emphasizes the role of imagination in the classical revival lisa jardine demonstrates the way in which erasmus helped turn a technical and rebarbative book by rudolph agricola into a sixteenth century success story alan charles kors finds the roots of enlightenment atheism in the works of french catholic theologians donald r kelley follows the legal idea of custom from its formulation by the ancients to its assimilation into the modern social sciences and lawrence stone shows how changes in legal action against female adultery between 1670 and 1857 reflect basic shifts in english moral values

## **Rethinking the High Renaissance 2017-07-05**

in this first detailed and comprehensive account of leopardi s theory of poetry g singh assesses both the literary and critical attainments of a poet whose eminence ranks him with dante and petrarch singh s analysis which employs extensive reference to leopardi s work in order to illustrate the author s own comments sets forth leopardi s views on the larger questions of tradition inspiration and the imagination in poetry later chapters are concerned with the more specific matters of the poetic image style and language

## **The Power of Tradition 2004**

christian muslim relations a bibliographical history 5 cmr 5 covering the period 1350 1500 is a continuing volume in a general history of relations between the two faiths from the seventh century to 1900 it comprises a series of introductory essays and also the main body of detailed entries which treat all the works surviving or lost that have been recorded these entries provide biographical details of the authors descriptions and assessments of the works themselves and complete accounts of manuscripts editions translations and studies the result of collaboration between numerous leading scholars cmr 5 along with the other volumes in this series is intended as an indispensable tool for research in christian muslim relations

## **Beyond the Suffering of Being: Desire in Giacomo Leopardi and Samuel Beckett 2017-03-01**

the aim of this publication is to clarify the relationships between material restoration and politics in italian renaissance art the focus of this research is on the question of origin as a foothold for political patrimonial and cultural identity these claims were enacted within a system which rather than restoring the initial forms and meanings of existing objects remodeled the past according to new identity requirements spaces were reorganized and works of art invested with new meanings their material and aesthetic reality was thus transformed and redefined the aim is therefore to analyze the potential physical modifications of these artefacts in light of their symbolic recoding restoration practices in italian renaissance art reassessing the concept of renaissance recording of ancient works for political purposes

## **The Fruit of Liberty 2013-11-04**

this book examines one of the most pervasive but also perplexing textual phenomena of the early modern world the manuscript miscellany faced with multiple problems of definition categorization and often conflicting terminology modern scholars have tended to dismiss the miscellany as disorganized and chaotic miscellaneous order radically challenges that view by uncovering the various forms of organization and order previously hidden in early modern manuscript books drawing on original literary and historical research and examining both the materiality of early modern manuscripts and their contents this book sheds new light on the transcriptive and archival practices of early modern britain as well as on the broader intellectual context of manuscript culture and its scholarly afterlives based on extensive archival research and interdisciplinary in both subject and matter miscellaneous order focuses on the myriad kinds of manuscript compiled and produced in the early modern era showing that the miscellany was essential to the organization of knowledge across a range of genres and disciplines from poetry to science and from recipe books to accounts it proposes a new model for understanding the proliferation of manuscript material in the sixteenth and seventeenth centuries by restoring attention to miscellaneous order in this way it shows that we have fundamentally misunderstood how early modern men and women read wrote and thought rather than a textual form characterized by an absence of order the miscellany it argues operated as an epistemically and aesthetically productive system throughout the early modern period
