

The Story of Charlotte Mason, 1842-1923 2021-11-25 charlotte mason 1842 1923 orphaned and poor at the age of sixteen nonetheless developed into an inspiring and original educational reformer of the late nineteenth and early twentieth century a period of great intellectual vitality and cultural change enabled through the help of friends and colleagues she founded the parents national educational union pneu in 1887 and established the the house of education the teacher training college for women in ambleside in 1892 the clarity and coherence of her applied philosophy of education established the foundation for a simple stimulating and deeply satisfying enjoyment of learning for children of all ages in countless homes and schools in britain and the world in her biography essex cholmondeley draws on her own experiences of mason s teaching as well as her extensive literary output to unfold her life and work whilst she and elsie kitching lacked full details of mason s family history a warm and lively personality emerges able to inspire other people with her own splendid vision

Charlotte Mason 2015-09-24 as the acknowledged founder and philosopher of the parents national educational union pneu charlotte mason was revered by her followers as a saintly madonna figure she died in 1923 at the peak of her fame having achieved mythic status as the principal of her house of education and wide recognition after the introduction of her liberal educational programmes into state schools yet her early life and heritage remained shrouded in mystery drawing upon unsubstantiated sources the official biography released in 1960 confused rather than illuminated charlotte s background contributing to several enduring misapprehensions in her new and definitive biography margaret coombs draws on years of research to reveal for the first time the hidden backdrop to charlotte mason s life tracing the lives of her previously undiscovered quaker ancestors to offer a better understanding of the roots of her personality and ideas coombs charts her rise from humble beginnings as an orphaned pupil teacher to great heights as a lady of culture venerated within prestigious pneu circles illustrating how with determination she surmounted the victorian age s rigid class divisions to achieve her educational vision a thorough analysis of charlotte mason s educational influences and key friendships challenges longstanding notions about the roots of her philosophy offering a more realistic picture of her life and work than ever accomplished before with a growing following in the usa and australia charlotte mason s ideas have a clear relevance to the continuing educational debate today admirers of her philosophy and scholars of the history of education will find much to enthral and instruct them in these pages

Poverty Archaeology 2023-10-13 the poor laws in the united kingdom left a built and material legacy of over two centuries of legislative provision for the poor and infirm workhouses represent the first centralized state organized system for welfare though they maintain a notorious historical reputation workhouses were intended to be specialized institutions with dedicated subdivisions for the management of different categories of inmate examining the workhouse provision from an archaeological perspective the authors demonstrate the heterogeneity of the poor law system from a built heritage perspective this volume forms a social archaeology of the lived experience of poverty and health in the nineteenth century

Unlocking Climate Finance in Asia-Pacific 2024-01-29 the transition to a sustainable future in the asia pacific region has global economic significance despite driving global growth in recent years the region s heavy coal reliance led to significant greenhouse gas emissions meeting climate mitigation and adaptation needs in emerging and developing asia requires investment of at least 1 1 trillion annually actual investment falls short by about 800 billion asia pacific s environmental performance has also hampered its ability to tap into private flows from the fast growing esg asset class keeping the cost of issuing sustainable debt instruments relatively high compared to other regions this paper provides an overview of the climate finance ecosystem in countries in the asia pacific region and presents strategies to mobilize climate finance for the region s transition to a sustainable future the paper identifies challenges including gaps in the climate information architecture policy conflicts global complexities and emphasizes the need for coordinated action involving governments central banks financial supervisors the imf and other multilateral institutions in particular governments need to establish a well defined climate strategy with strong institutional oversight and coordination to strengthen the framework on data taxonomies and disclosures fossil fuel subsidies should be phased out and carbon pricing schemes expanded to create fiscal space for sustainable investments strengthening macroeconomic management is essential to attract private capital financial supervisors and central banks should coordinate across jurisdictions to promote global interoperable disclosure standards enhance climate risk analysis and reporting and incorporate climate related financial risks into prudential frameworks developing climate labels for sustainable investment funds and shifting the focus of esg scores to better capture sustainability and climate impact would foster trust in the

evaluations the imf can drive climate action by integrating discussions in surveillance activities and strengthening data and statistics including through capacity building and peer learning to develop common standards around climate risk measurement and analysis the resilience and sustainability trust could contribute to reducing financing gaps through its catalytic and reform supporting functions while multilateral development banks could scale up grant financing and concessional lending and where appropriate adopt risk mitigating mechanisms to expand lending capacity cooperation among multilateral institutions is essential to align efforts and resources to achieve a balanced allocation between mitigation and adaptation lending

Antisemitism in Galicia 2020-08-01 in the last third of the nineteenth century the discourse on the jewish question in the habsburg crownlands of galicia changed fundamentally as clerical and populist politicians emerged to denounce the jewish assimilation and citizenship this pioneering study investigates the interaction of agitation violence and politics against jews on the periphery of the danube monarchy in its comprehensive analysis of the functions and limitations of propaganda rumors and mass media it shows just how significant antisemitism was to the politics of coexistence among christians and jews on the eve of the great war

Light in Dark Times 2020 at once historical and allegorical light in dark times is an illustrated ride crossing time space and place as the characters walk a difficult path while grasping a lifeline of hope on a journey through knowledge

Determinants of Indigenous Peoples' Health 2015 the health disparities affecting indigenous peoples in canada might well be understood as a national epidemic although progress has been made in the last decade towards both understanding and ameliorating indigenous health inequalities very little research or writing has expanded a social determinants of health framework to account for the unique histories and present realities of indigenous peoples in this country this timely edited collection addresses this significant knowledge gap exploring the ways that multiple health determinants beyond the social from colonialism to geography from economy to biology converge to impact the health status of indigenous peoples in canada this unique collection comprised largely of contributions by indigenous authors offers the voices and expertise of first nations inuit and metis writers from across canada the multitude of health determinants of indigenous peoples are considered in a selection of chapters that range from scholarly papers by research experts in the field to reflective essays by indigenous leaders appropriate throughout a range of disciplines including health studies indigenous studies public and population health community health sciences medicine nursing and social work this engaging text broadens the social determinants of health framework to better understand health inequality most importantly it does so

by placing front and center the voices and experiences of indigenous peoples

Visualising Small Traumas 2022-02-28 cultural history of contemporary portuguese comics and their creative responses to trauma portugal s vibrant comics scene originated as early as the 19th century bringing forth brilliant individual artists but has remained mostly unknown beyond portugal s borders to this day now a new generation employs this medium to put into question hegemonic views on the economy politics and society following the experience of the financial crisis of the past decades and its impact on social policies access to and rules of public discourse and civil strife comics have questioned what constitutes a traumatogenic situation and what can act as a creative response by looking at established graphic novels by marco mendes and miguel rocha fanzine level and even experimental productions visualising small traumas is the first english language book that addresses portuguese contemporary comics and investigates how trauma studies can both shed a light on comics making and be informed by that very same practice this publication is gprc labeled guaranteed peer reviewed content

Urban Redevelopment and Modernity in Liverpool and Manchester, 1918-1939 2016-09-22 faced with economic decline unprecedented levels of unemployment and new forms of political extremism during britain s last great economic crash politicians and planners in liverpool and manchester responded by investing in dramatic and ambitious programmes of urban regeneration urban redevelopment and modernity in liverpool and manchester 1918 1939 is the first book to provide the hitherto unknown story of the innovative transformation of these cities charlotte wildman challenges academic scholarship in british history which associates the post 1918 period with the emasculation of local government and the decline of civic culture she shows that local politicians planners architects businessmen and even religious leaders embraced innovative trends in creating distinct forms of urban modernities which particularly changed the way women experienced the transformed city urban redevelopment and modernity in liverpool and manchester 1918 1939 offers a complex interactive and multipolar interpretation of the ways cities develop pointing to new methods and ways of understanding both interwar britain and urban history more generally at a time of debate and discussion about devolution and decentralisation of government this book makes an opportune contribution to debates about urban governance and regionalism in contemporary britain

Acquiring Cultures 2018-12-03 as more parts of the world outside europe became accessible and in the wake of social and technological developments in the 18th century a growing number of exotic artefacts entered european markets the markets for such objects thrived while a collecting culture and museums emerged this book provides insights into the methods and places of exchange networks prices expertise and valuation concepts as well as the transfer and transport of these artefacts over 300 years and across four continents the contributions are from international experts including ting chang nélia dias noémie etienne jonathan fine philip jones sylvester okwunodu ogbechie léa saint raymond and masako yamamoto

Transforming Supply Chains 2019-07-04 reinvent your supply chain from the outside in cut costs growth revenue and increase customer satisfaction we are now seeing and experiencing increasing turbulence in practically all our major industries which is leading to costly mis alignments between suppliers and their customers end users the world is no longer as forgiving as it was a few decades ago customers going online have become increasingly demanding and the operating environment has become exceedingly complex this combination means that companies wishing to survive and thrive in the coming decades must transform themselves to become more agile and market responsive the problem is where to start this transformation journey we all pay lip service to being customer centric but the reality is that most of the world s large corporations have built up their logistics networks and by extension their enterprise supply chains over many years of sunk investment pursuing the flawed philosophy of one size fits all the solution to this dilemma is the dynamic alignmenttm framework which directly links the target market to the operational strategies internal cultural capability and leadership styles inside our enterprise it will help you to adopt an outside in perspective of our market by seeing the world through the lens of our customers and use the insights gained in this way to reverse engineer the capabilities inside our enterprises to more precisely align with customers expectations transforming supply chains allows you to segment your customer s expectations into not one but several dominant buying behaviours by identifying how your market is structured you can develop matching value propositions and corresponding operational strategies for each behavioural segment identified and then use those findings to redefine the internal operating structure as well as the external supply chains companies already using this model have seen greater customer satisfaction an uplift in revenue and a reduction in costs in some cases companies have doubled their margins within a year the full text downloaded to your computer with ebooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends ebooks are downloaded to your computer and

accessible either offline through the bookshelf available as a free download available online and also via the ipad and android apps upon purchase you ll gain instant access to this ebook time limit the ebooks products do not have an expiry date you will continue to access your digital ebook products whilst you have your bookshelf installed

B is for Balance, Second Edition: A Nurse's Guide to Caring for Yourself at Work and at Home, 2015 AJN Award Recipient 2014-10-15 b is for balance is about the individual nurse the professional the multi tasker the be all things to all people leader while the first edition of b is for balance was well received and has been a great resource to nurses and other professionals the second edition has been updated to focus on 12 steps to balance including engagement focus sleep deficits fatigue diet re inventing one s career and the need for each of us to live longer and to live well

Balanced and Barefoot 2016-04-22 angela hanscom is a powerful voice for balance richard louv author of last child in the woods in this important book a pediatric occupational therapist and founder of timbernook shows how outdoor play and unstructured freedom of movement are vital for children s cognitive development and growth and offers tons of fun engaging ways to help ensure that kids grow into healthy balanced and resilient adults today s kids have adopted sedentary lifestyles filled with television video games and computer screens but more and more studies show that children need rough and tumble outdoor play in order to develop their sensory motor and executive functions disturbingly a lack of movement has been shown to lead to a number of health and cognitive difficulties such as attention deficit hyperactivity disorder adhd emotion regulation and sensory processing issues and aggressiveness at school recess break so how can you ensure your child is fully engaging their body mind and all of their senses using the same philosophy that lies at the heart of her popular timbernook program that nature is the ultimate sensory experience and that psychological and physical health improves for children when they spend time outside on a regular basis author angela hanscom offers several strategies to help your child thrive even if you live in an urban environment today it is rare to find children rolling down hills climbing trees or spinning in circles just for fun we ve taken away merry go rounds shortened the length of swings and done away with teeter totters to keep children safe children have fewer opportunities for unstructured outdoor play than ever before and recess times at school are shrinking due to demanding educational environments with this book you ll discover little things you can do anytime anywhere to help your kids achieve the movement they need to be happy and healthy in mind body and spirit

Afghanistan and Central Asia 2013 papers presented at the nato advanced research workshop entitled as nato the fight against international terrorism in afghanistan and security situation in central asia since 9 11 held at the middle east technical university in ankara turkey between april 10 11 2011

Ruth: An Earth Bible Commentary 2020-06-25 this ecological reading of the book of ruth takes into account the power which this short story holds speaking to the whole person by engaging each reader s emotions imagination memory and reason alice m sinnott demonstrates how the story of ruth transcends geographical spatial and historical boundaries by appealing to all concerned with the plight of the earth sinnott highlights the ecological dimensions of the text that scholars have ignored or dismissed in the past and explores how the narrator gives voice to the way in which the earth functions throughout the story integral to her reading of the text is a concern for earth and matters such as food famine death harvests grain day and night and members of the earth community sinnott considers non human characters as legitimate determining factors in the structuring of the narrative and recognizes earth and members of the earth community as equally valid subjects by identifying with these aspects of ruth sinnott is able to read the text with new eyes and by placing special emphasis in how the narrator depicts the natural world she reinforces how subjects from that world emerge as integral components

2 Corinthians: A Social Identity Commentary 2021-09-23 philip f esler provides a comprehensive coverage of the issues in 2 corinthians from the perspective of social identity with a focus on paul s leadership esler enlists social identity theory in critical dialogue with existing scholarship to show how paul sought to persuade the corinthian christ followers to adopt certain views on four critical issues that had arisen in his relationship with them with his discourse demonstrably reflecting the ancient mediterranean culture they shared two introductory chapters set out those four issues summarise the events reflected in 1 and 2 corinthians make an initial case for the integrity of the letter against partition theories explain and defend the use of social identity theory in biblical interpretation and describe the social identity approach to leadership in the commentary esler explores how paul re establishes his leadership role by reconnecting with the corinthians urges their participation in the collection for jerusalem and defends his position against recently arrived opponents all the while reinforcing his addressees social identity as christ followers prominent features of the commentary fostered by its social identity perspective include its cumulative case for the letter s unity for paul s opponents being similar to those in galatia and for the interweaving of social and theological dimensions in the text

T&T Clark Handbook of Jesus and Film 2021-01-14 the t t clark handbook of jesus and film introduces postgraduate readers to the critical field of jesus and on film the bulk of biblical films feature jesus as protagonist in cameo or as a looming background presence or pattern the handbook assesses the field in light of the work of important biblical film critics including chapters from the leading voices in the field and showcasing the diversity of work done by scholars in the field movies discussed include the passion of the christ the king of kings jesus of nazareth monty python s life of brian son of man and mary magdalene the chapters range across two broad areas 1 jesus films understood broadly as filmed passion plays other relocations of jesus historical jesus treatments and jesus adjacent cinema privileging invented characters or minor gospel characters and 2 other cinematic jesuses including followers who imitate jesus devotionally or aesthetically christian christ figures antichrists yet other messiahs and competing jesuses in a pluralist world as one leaves the confines of christian theology the question of what a film or interpreter is doing with jesus or christ becomes something to be determined not necessarily something

In Common Things 2022-03-01 the hardness of stone the pliancy of wood the fluidity of palm oil the crystalline nature of salt and the vegetable qualities of moss each describes a way of being in and understanding the world these substances are both natural objects hailed in romantic literature and global commodities within a system of extraction and exchange that has driven climate change representing the paradox of the modern relation to materiality in common things examines these five common substances stone wood oil salt and moss in the literature of romantic period authors excavating their cultural ecological and commodity histories the book argues that the substances and their histories have shaped cultural consciousness and that romantic era texts formally encode this shaping matthew rowney draws together processes beings and things both from the romantic period and from our current ecological moment to re invoke a lost heritage of cultural relations with common substances enabling a fresh reading of romantic literature in common things prompts a reevaluation of the simple the everyday and the common in light of their contributions to our contemporary sense of ourselves and our societies

Through the Lens of Cultural Anthropology 2024-05-01 through the lens of cultural anthropology presents an introduction to cultural anthropology designed to engage students who are learning about the anthropological perspective for the first time the book offers a sustained focus on language food and sustainability in an inclusive format that is sensitive to issues of gender sexuality race and ethnicity integrating personal stories from her own fieldwork laura tubelle de gonzález brings her passion for transformative learning to students in a way that is both timely and thought provoking the second edition has been revised and updated throughout to reflect recent developments in the field it includes further discussion of globalization an expanded focus on indigenous peoples in the united states and canada revised discussion of sexuality and gender identities across the globe a brief introduction to the anthropology of science and updated box features and additional discussion questions that focus on applying concepts beautifully illustrated with over sixty full color images including comics and maps through the lens of cultural anthropology brings concepts to life in a way that resonates with student readers the second edition is supplemented by a full suite of updated instructor and student resources for more information go to lensofculturalanthropology.com
