The World Factbook 1995

accounts of u s empire building in latin america typically portray politically and economically powerful north americans descending on their southerly neighbors to engage in lopsided negotiations dennis merrill s comparative history of u s tourism in latin america in the twentieth century demonstrates that empire is a more textured variable and interactive system of inequality and resistance than commonly assumed in his examination of interwar mexico early cold war cuba and puerto rico during the alliance for progress merrill demonstrates how tourists and the international travel industry facilitated the expansion of u s consumer and cultural power in latin america he also shows the many ways in which local service workers labor unions business interests and host governments vied to manage the yankee invasion while national leaders negotiated treaties and military occupations visitors and hosts navigated interracial encounters in bars and brothels confronted clashing notions of gender and sexuality at beachside resorts and negotiated national identities highlighting the everyday realities of u s empire in ways often overlooked merrill s analysis provides historical context for understanding the contemporary debate over the costs and benefits of globalization

Economic Information on Argentina 1983

criminal prosecutions for immigration offenses have more than doubled over the last two decades as national debates about immigration and criminal justice reforms became headline topics what lies behind this unprecedented increase from deportation to prison unpacks how the incarceration of over two million people in the united states gave impetus to a federal immigration initiative the criminal alien program cap designed to purge non citizens from dangerously overcrowded jails and prisons drawing on over a decade of ethnographic and archival research the findings in this book reveal how the criminal alien program quietly set off a punitive turn in immigration enforcement that has fundamentally altered detention deportation and criminal prosecutions for immigration offenses patrisia macías rojas presents a street level perspective on how this new regime has serious lived implications for the day to day actions of border patrol agents local law enforcement civil and human rights advocates and for migrants and residents of predominantly latina o border communities from deportation to prison presents a thorough and captivating exploration of how mass incarceration and law and order policies of the past forty years have transformed immigration and border enforcement in unexpected and important ways back cover
