captured by the great wonder of god and he regarded prayer as the primary means of coming into his presence but if our everyday life is filled with the barrenness of busyness and there is no serious urgency to pray we forfeit the wonder of being conformed to the image of christ and knowing our god more intimately the true christian life prayer is doable god is accessible and tozer provides the wisdom and encouragement to help us encounter him daily with commentary and reflection questions provided by compiler w l seaver prayer takes our understanding of prayer to new depths and helps us have a life that prays

during his ministry which included extended pastorates in chicago and toronto dr tozer was often referred to as a prophet that doesn t mean he predicted future events but rather he spoke god s truth to believers and the culture even if it meant disrupting the status quo even in the bible prophets were much more likely to hold god s people and their leaders accountable to the truth of god s word than to foretell the future the encouragement in voice of a prophet is that the church today is in desperate need of the kind of prophet tozer embodied and describes in this important book using the lives of such prophets as elijah elisha and john the baptist tozer underscores the importance of the ministry of the prophet in our world today
