Digital Scrapbooking 2004

a new account of elizabethan diplomacy with an original archival foundation this book examines the world of letters underlying diplomacy and political administration by exploring a material text never before studied in its own right the diplomatic letter book author elizabeth r williamson argues that a new focus on the central activity of information gathering allows us to

situate diplomacy in its natural context as one of several intertwined areas of crown service and as one of the several sites of production of political information under elizabeth i close attention to the material features of these letter books elucidates the environment in which they were produced copied and kept and exposes the shared skills and practices of diplomatic activity domestic governance and early modern archiving this archaeological exploration of epistolary and archival culture establishes a métier of state actor that participates in even defines a notably early modern growth in administration and information management extending this discussion to our own conditions of access a new parallel is drawn across two ages of information obsession as williamson argues that the digital has a natural place in this textual history that we can no longer ignore this study makes significant contributions to epistolary culture diplomatic history and early modern studies more widely by showing that understanding elizabethan diplomacy takes us far beyond any single ambassador or agent defined as such it is a way into an entire administrative landscape and political culture

Introduction to Murdaugh family 1994

drawing upon findings from many disciplines including sociology communication family studies human development psychology and anthropology this book provides the first composite study of the whole family and of the complex interplay between self and collectivity in family life it departs sharply from the traditional two person cause effect models used in conventional studies and attempts to delineate a social psychology of the family this book undertakes to define and understand the nature of families to point out ways of discerning different family characters and to comprehend the processes by which these characters are established and maintained by so doing it introduces a new dimension into the study of family behavior and provides a framework within which meaningful investigations and practical applications can be pursued this long awaited fourth edition continues the goal of preceding editions to understand families in terms of the kinds of interaction through which family life is constructed contributors drawn from a wide variety of disciplines sociology communication family studies human development psychology anthropology and social work provide a range of authoritative and up to date sources on the family and interpersonal relations including newly emergent forms of family organization in providing a new framework for fruitful investigation and practical application this volume contains the best available interdisciplinary work on the social psychology of the family

A Family Heritage 2010-09-07

the definitive edition of the classic myth shattering history of the american family leave it to beaver was not a documentary a man s home has never been his castle the male breadwinner marriage is the least traditional family in history and rape and sexual assault were far higher in the 1970s than they are today in the way we never were acclaimed historian stephanie coontz examines two centuries of the american family sweeping away misconceptions about the past that cloud current debates about domestic life the 1950s do not present a workable model of how to conduct our personal lives today coontz argues and neither does any other era from our cultural past this revised edition includes a new introduction and epilogue exploring how the clash between growing gender equality and rising economic inequality is reshaping family life marriage and male female relationships in our modern era more relevant than ever the way we never were is a potent corrective to dangerous nostalgia for an american tradition that never really existed

Teaching Diverse Learners 2021-05-23

diverse international perspectives on the ways in which young children's learning and care may be supported converge in this book traversing the field of early childhood education and care from its established philosophical underpinnings to 21st century research policies and practices the contributions to this volume draw together past and present discourses as a basis for shaping future trajectories in spite of a growing international consensus on the strong influence of early childhood experiences on lifetime outcomes the nineteen chapters reveal contemporary early childhood pedagogy as a collection of spaces characterised by plurality complexity and dissonance these characteristics signal the importance of recognising early childhood pedagogies multiple models of practice for the many diverse learning and care contexts that have the capacity to value young children as individuals and enable each to flourish now and throughout their lives moreover such characteristics disrupt notions that a single optimal early childhood pedagogy is either possible or desirable

Elizabethan Diplomacy and Epistolary Culture **2018-04-17**

this pioneering work provides an index to over 1 700 biographies of prominent u s entrepreneurs innovators and company executives published in over 120 biographical collected works which are identified examined and indexed here these collected works cover a span of over 100 years and include men and women who shaped the history of american enterprise in the past collected works such as these have never been indexed but finally this book makes the biographies accessible to the general public wahib nasrallah has created the only book available today that indexes these stories of corporate success as they are documented in collected works of biography a large number of executive biographies are published in collected works that are rich with stories of american enterprise male and female entrepreneurs of many ethnic backgrounds since these stories have never been indexed before united states entrepreneurs and the companies they built an index to biographies and collected works is a central research tool in both academic and corporate worlds

The Psychosocial Interior of the Family 1973

after ellis island is an unprecedented study of america's foreign born population at a critical juncture in immigration history the new century had witnessed a tremendous surge in european immigration and by 1910 immigrants and their children numbered nearly one third of the u s population the census of that year drew from these newcomers a particularly rich trove of descriptive information one from which the contributors to after ellis island draw to create an unmatched profile of american society in transition chapters written especially for this volume explore many aspects of the immigrants lives such as where they settled the jobs they held how long they remained in school and whether or not they learned to speak english more than a demographic catalog after ellis island employs a wide range of comparisons among ethnic groups to probe whether differences in childbirth child mortality and education could be traced to cultural or environmental causes did differences in schooling levels diminish among groups in the same social and economic circumstances or did they persist along ethnic lines did absorption into mainstream america measured through duration of u s residence neighborhood mingling and ability to speak english blur ethnic differences and increase chances for success after ellis island also shows how immigrants

eased the nation's transition from agriculture to manufacturing by providing essential industrial laborers after Ellis Island offers a major assessment of ethnic diversity in early twentieth century American society the questions it addresses about assimilation and employment among immigrants in 1910 acquire even greater significance as we observe a renewed surge of foreign arrivals this volume will be valuable to sociologists and historians of immigration to demographers and economists and to all those interested in the relationship of ethnicity to opportunity

The Family Heritage Series 2016-03-29

the perceived quality of a destination's cultural offering has long been a significant factor in determining tourist choices of destination more recently the need to present touristic offerings that include cultural experiences and heritage has become widely recognised that this aspect of the tourism experience is an important differentiator of destinations as well as being amongst the most manageable this has also led to an increase in the management of such experiences through special exhibitions events and festivals as well as through ensuring more routine and controlled access to heritage sites reflecting the increasing application of cultural heritage as a driver for tourism and development this book provides for the first time a cohesive volume on the subject that is theoretically rich practically applied and empirically grounded written by expert scholars and practitioners in the field the book covers a broad range of theoretical perspectives of cultural heritage tourism regeneration policy stakeholders marketing socio economic development impacts sustainability volunteering and ICT it takes a broad view integrating international examples of sites monuments as well as intangible cultural heritage motor vehicle heritage events and modern art museums this significant book furthers knowledge of the theory and application of tourism within the context of cultural heritage and will be of interest to students researchers and practitioners in a range of disciplines

The Way We Never Were 2018-12-07

originally published as a special issue of Christian Higher Education this volume showcases diverse forms of community engagement work carried out by faith based colleges and universities throughout the US acknowledging the rise of community engagement as a contemporary expression of a longstanding civic impulse community engagement in Christian higher education explores how religious mission and identity animate institutional practice across various forms of Catholic and Protestant higher education offering perspectives from faculty members administrators and community partners at nine different US institutions chapters highlight effective initiatives that have been actively implemented in rural urban and suburban contexts to meet local needs and serve the public good with a focus on practical community work the text demonstrates the very concrete ways in which Christian values can inform and foster community engagement this volume will be of interest to scholar practitioners researchers and academics in the fields of higher education sociology of education religious education and practical theology more broadly the text offers important insights for faith leaders and the faculty of faith based institutions exploring issues of community identity and shared purpose
