## The Conquest of Gaul

1982-12-09

between 58 and 50bc caesar conquered most of the area now covered by france belgium and switzerland and twice invaded britain this is the record of his campaigns caesar s narrative offers insights into his military strategy paints a fascinating picture of his encounters with the inhabitant of gaul and britain as well as offering lively portraits of a number of key characters such as the rebel leaders and gallic chieftains this can also be read as a piece of political propaganda as caesar sets down his version of events for the roman public knowing that he faces civil war on his return to rome

## Caesar's Conquest of Gaul

2012-10-29

the gallic wars were a series of military campaigns waged by the roman proconsul julius caesar against several gallic tribes they lasted from 58 bc to 50 bc and culminated in the decisive battle of alesia in 52 bc in which a complete roman victory resulted in the expansion of the roman republic over the whole of gaul the wars paved the way for julius caesar to become the sole ruler of the roman republic although caesar portrayed this invasion as being a preemptive and defensive action most historians agree that the wars were fought primarily to boost caesar s political career and to pay off his massive debts still gaul was of significant military importance to the romans as these had been attacked several times by native tribes both indigenous to gaul and further to the north conquering gaul allowed rome to secure the natural border of the river rhine the gallic wars are described by julius caesar as himself in this book which was originally titled commentarii de bello gallico it is a pertinent and only slightly tendentious and altogether the most important historical source regarding the conflict this updated edition contains the translated text and various illustrations depicting roman warfare and key moments in caesar s journey

## *The Gallic Wars*

2009

discusses caesar s campaigns in gaul and britain during the gallic wars

## Caesar's Conquest of Gaul

1996

commentarii de bello gallico commentaries on the gallic war is julius caesar s firsthand account of the gallic wars written as a third person narrative in it caesar describes the battles and intrigues that took place in the nine years he spent fighting local armies in gaul that opposed roman domination the gaul that caesar refers to is sometimes all of gaul except for the roman province of gallia narbonensis modern day provence encompassing the rest of modern france belgium and some of switzerland on other occasions he refers only to that territory inhabited by the celtic peoples known to the romans as gauls from the english channel to lugdunum lyon the full work is split into eight sections book 1 to book 8 with the last book written by aulus hirtius after caesar s death

## *Caesar's Conquest of Gaul*

1971

first published in 2004 routledge is an imprint of taylor francis an informa

## ***Caesar's Conquest of Gaul***

1903

pompetti and tarek have produced a visually intoxicating work whose sense of grandeur is difficult not to get swept up in a place to hang your cape based on julius caesar s influential work commentaries on the gallic war conquest julius caesar s gallic wars is a 136 page graphic novel account of julius caesar s conquest of gaul from 49 b c to 52 b c painstakingly painted by hand in watercolor and meticulously researched using the most recent archaeological data available this book is one of the most accurate accounts both visually and textually of this period in history the whole of gaul is divided into three parts one of which the belgae inhabit the aquitani another and the third a people who in their own language are called celts but in ours gauls they all differ among themselves in respect of language way of life and laws thus begins one of the major works of humanity the gallic war written by a man who marked our history and subconscious julius caesar

## **Caesar's Conquest of Gaul**

1899

this ancient roman military history examines the famous gallic wars in which julius caesar extended roman rule across much of europe in 46 bc julius caesar celebrated two historic victories the conquest of gaul and the defeat of his rival in the roman civil war this sweeping history details the decades of military conflict that led to this culminating celebration historian michael sage begins his narrative with the roman republic s early forays across the alps clashing with the gauls in what is now provence these battles against one of ancient europe s greatest warrior societies resulted in some of rome s heaviest defeats this context makes all the more remarkable the dazzling success of the audacious campaigns just half a century later by which caesar rapidly completed the initial conquest of the rest of gaul the subsequent revolts that occurred culminating in the great unified rising under vercingetorix are also covered in detail with the epic siege of alesia as the dramatic climax michael sage narrates and analyses all these campaigns showing how the roman war machine was ultimately able to overcome vastly superior numbers of celtic warriors to extend rome s rule from the mediterranean to the english channel

## ***The Gallic Wars***

2012-09-16

titus pullus joined the 10th legion in 61 bc as a young boy looking for adventure with his childhood friend forty two years later titus looks back on the beginning of his career when he was a legionary marching with caesar as the greatest roman of all conducted one of the most notable military campaigns of all time the conquest of gaul page 4 of cover

## **Caesar's Conquest of Gaul**

1971

excerpt from caesar s conquest of gaul the book in its present form may be regarded as final for the edition is large and i do not expect that another will be demanded while i live or that i should have time or inclination to make further alterations moreover although minute details are constantly being added to our knowledge of prehistoric gaul and although the criticism of caesar s text has been continued with zeal and not wholly without profit it is unlikely

that we shall ever know much more about caesar s conquest with which this book is mainly concerned than we do now about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

## Caesar's Gallic Wars 58-50 BC

2004-03-01

a detailed fully illustrated overview of julius caesar s gallic wars one of the most important conflicts of the ancient world julius caesar was one of the most ambitious and successful politicians of the late roman republic and his short but bloody conquest of the celtic tribes led to the establishment of the roman province of gaul modern france caesar s commentaries on his gallic wars provide us with the most detailed surviving eye witness account of a campaign from antiquity in this book respected roman military historian kate gilliver makes use of this account and other surviving evidence to consider the importance of the gallic wars in the context of the collapse of the roman republic and its slide toward civil war updated and revised for the new edition with full colour maps and new images throughout this accessible introduction provides an important reference resource for the academic or student reader as well as those with a general interest in the ancient world

## A History of France

1859

this is a new release of the original 1859 edition

## A History of France from the Conquest of Gaul by Julius Caesar To the Reign of Louis Philippe, with Conversation at the End of Each Chapter

1862

known as one of the greatest works in personal propaganda ever written gaius julius caesar himself details his famous conquest of gaul avenging a societal grudge stretching back nearly 500 years when a force comprised of celts heralding from gaul sacked rome itself this text in the time of caesar bolstered his name among the people of the collapsing republic granting him a mandate that would eventually lead to caesar assuming the position of first emperor of rome this is the de bello gallico or the conquest of gaul

## **The History of France; from the Conquest of Gaul by the Romans to the Peace of 1856**

1858

excerpt from the history of france from the conquest of gaul by the romans to the peace of 1856 fabulous as are the chronicles of this period it is how ever certain that the franks albeit the least civilized of the usurpers became in time a powerful race extended their conquests to the banks of the loire and were governed somewhere about the year 485 by a christian king named clovis who was the grandson of mrcvée and principal founder of the french monarchy it must be confessed that christianity produced no beneficial effect upon these wild converts on the contrary it appeared only to increase the ferocity of their dispositions and clovis who received from his clergy the title of most christian king has left a reputation stained by every crime it was during the reign of this monarch that the court removed to paris clovis died in the year 511 after having secured to the franks all that district which lies between the rhine the rhone the ocean and the pyrenees the city of paris destined afterwards to become the most elegant of modern capitals was at this time confined to the narrow limits of the isle de la cité and consisted of some few churches and hovels surrounded by a fortification a palace was situated beyond the walls on the south bank of the river the abbeys of st genevieve st germain lauxerrois st germain des pres and others were scattered about the vicinity and the grounds in the neighbourhood of the river having been partially cleared of their primeval forests were planted with vineyards and fig trees about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
