could soon expand to the country's north as it warned the U.S. that military action would most likely be the only way to the war in Gaza began with Hamas Oct 7 attack in southern Israel in which Palestinian militants killed some 1,200 people and took around 250 hostages. Hamas is still holding about 100 captives. Sept 21, 2024, 3:00 AM PDT by Dan De Luce and Owen Hayes. Russian intelligence services are building up their presence in Mexico for spy operations targeting the United States. A return to Cold War Israel has committed a war crime when it blew up thousands of communication devices in Lebanon, says Geoffrey Nice, a British human rights lawyer who led the prosecution of former Serbian. As tensions between Israel and Hezbollah have shot up to new highs, Israeli soldiers anticipating being deployed to the north are increasingly turning for help to the civilian donation efforts. European Union officials proposed a new round of sanctions in response to Russia's recent actions to escalate the war. The Pentagon announces an additional \$1.1 billion in long-term aid for the strikes are part of a new cycle of escalation between the enemies that has raised fears of a full-out war erupting in the Middle East, particularly after two separate attacks in Lebanon. In Russian and Ukrainian forces engage along a 300-mile (480km) front line in the eastern Donbas region. A long-awaited Russian offensive in the east began late on Monday with Moscow claiming it. The Islamic Republic of Iran will have more than a say in the matter. Israel has been signaling to Hezbollah, the Iranians, the U.S. and others for months on end that it needs to return its
