a complete reference that features a wealth of proven maintenance methods that can reduce energy use in any type of building provided are numerous forms and maintenance procedures for reducing energy use improving system performance and cutting total maintenance costs thoroughly revised and updated since its initial publication in 2010 the second edition of this gold standard guide for case managers again helps readers enhance their ability to work with complex multimorbid patients to apply and document evidence based assessments and to advocate for improved quality and safe care for all patients much has happened since integrated case management icm now value based integrated case management vb icm was first introduced in the u s in 2010 the integrated case management manual valued based assistance to complex medical and behavioral health patients 2nd edition emphasizes the field has now moved from complexity assessments to outcome achievement for individuals patients with health complexity it also stresses that the next steps in vb icm must be to implement a standardized process which documents analyzes and reports the impact of vb icm services in removing patient barriers to health improvement enhancing quality and care coordination and lowering the financial impact to patients providers and employer groups written by two expert case managers who have used vb icm in their large fully disseminated vb icm program and understand its practical deployment and use the second edition also includes two authors with backgrounds as physician support personnel to case managers working with complex individuals this edition builds on the consolidation of biopsychosocial and health system case management activities that were emphasized in the first edition a must have resource for anyone in the field the integrated case management manual value based assistance to complex medical and behavioral health patients 2nd edition is an essential reference for not only case managers but all clinicians and allied personnel concerned with providing state of the art value based integrated case management presents the results of a study of the alcoholics anonymous aa phenomenon in the us finland iceland sweden austria switzerland poland and mexico examining aa as an international movement and detailing how aa activities are adapted to various cultures looks at aa as a social movement and social network as a belief system and as a system of interaction outlining the history of the group and discussing its relation to professional treatment paper edition unseen 14 95 annotation copyright by book news inc portland or in a people s history of the u s military historian michael a bellesiles draws from three centuries of soldiers personal encounters with combat through fascinating excerpts from letters diaries and memoirs as well as audio recordings film and blogs to capture the essence of the american military experience firsthand from the american revolution to the wars in iraq and afghanistan military service can shatter and give meaning to lives it is rarely a neutral encounter and has contributed to a rich outpouring of personal testimony from the men and women who have literally placed their lives on the line the often dramatic and always richly textured first person accounts collected in this book cover a wide range of perspectives from ardent patriots to disillusioned cynics barely literate farm boys to urbane college graduates scions of founding families to recent immigrants enthusiasts and dissenters women disguising themselves as men in order to serve their country to african americans fighting for their freedom through military service a work of great relevance and immediacy as the nation grapples with the return of thousands of men and women from active military duty a people s history of the u s military will become a major new touchstone for our understanding of american military service american
