the cambridge history of the british empire 1932

newsinger challenges the claim that the british empire was a kinder gentler empire and suggests that the description rogue state is more fitting in a wonderful popular history of key episodes in british imperial history he illustrates the darker side of the glory years britain s deep involvement in the chinese opium trade gladstone s maiden parliamentary speech defending his family s slave plantation in jamaica paying particular attention to the strenuous efforts of the colonised to free themselves of the motherland s baleful rule

The Cambridge History of the British Empire 1929

consists of a preview of history of the british colonies together with a dedication to the king

The British Empire 2006

between 1858 and 1947 twenty british men ruled millions of some of the most remarkable people of the nineteenth and twentieth centuries from the indian mutiny to the cruel religious partition of india and the newly formed and named pakistan the viceroy had absolute power more than the monarch who had sent him selected from that exclusive class of english scottish and irish breeding the aristocracy the viceroys were plumed rode elephants shot tigers even their wives stood when they entered the room nevertheless many of them gave everything for india the first viceroy canning exhausted by the mutiny buried his wife in calcutta before he left the subcontinent to die shortly afterwards the average viceroy lasted five years and was granted an earldom but rarely a sense of triumph did these viceroys behave as badly as twenty first century moralists would have us believe when the raj was over the legacy of empire continued as the new rulers slipped easily into the offices and styles of the british who had gone being british was now a caste viceroys is the tale of the british raj the last fling of british aristocracy it is the supreme view of the british in india portraying the sort of people who went out and the sort of people they were on their return it is the story of utter power and what men did with it moreover it is also the story of how modern british identity was established and in part the answer to how it was that such a small offshore european island people believed themselves to have the right to sit at the highest institutional tables and judge what was right and unacceptable in other nations and institutions

The Blood Never Dried 1941

for nearly two hundred years great britain had an empire on which the sun never set this is the story of its rise and fall

The Foundation and Growth of the British Empire 1969

mad dogs and englishmen is a visually arresting and richly informative tour of the british empire at its height when its boundaries stretched from cairo to cape town and from winnipeg to wagga wagga the empire on which the sun never sets embraced peoples as diverse as head hunting dyaks eskimos fulani horsemen gulf sheikhs canadian hunters zoroastrian pilgrims and caparisoned maharajahs in a sequence of thematic chapters examining every aspect of the empire from the imperial monarchy to the armed forces and from district commissioners to dependent territories mad dogs and englishmen describes the shape and functioning of the largest imperium in world history each chapter consists of a lively and accessible essay accompanied by a vivid and array of captioned pictures evoking the fascinating spectacle that the british empire presented to its citizens the sights scenes and organizations that shaped the world view of people in britain and its colonies and dominions beyond the seas

Britain Across the Seas: Africa 1923

modern britain is a nation shaped by wars the boundaries of its separate parts are the outcome of conquest and resistance the essence of its identity are the warrior heroes both real and imagined who still capture the national imagination from boadicea to king arthur rob roy to henry v the duke of wellington to winston churchill it is a sense of identity that grew under careful cultivation during the global struggles of the eighteenth century and found its most powerful expression during the world wars of the twentieth in warrior race lawrence james investigates the role played by war in the making of britain drawing on the latest historical and archaeological research as well as numerous unfamiliar and untapped resources he charts the full reach of british military history the physical and psychological impact of roman military occupation the monarchy s struggle for mastery of the british isles the civil wars of the seventeenth century the total war experience of twentieth century conflict but warrior race is more than just a compelling historical narrative lawrence james skillfully pulls together the momentous themes of his subject he discusses how war has continually been a catalyst for social and political change the rise survival and reinvention of chivalry the literary quest for a british epic the concept of birth and breeding as the qualifications for command in war and the issues of patriotism and britain s antiwar tradition warrior race is popular history at its very best incisive informative and accessible immaculately researched and hugely readable balancing the broad sweep of history with an acute attention to detail lawrence james never loses sight of this most fascinating and enduring of subjects the question of british national identity and character
