Charles I

2019-09-16

charles i provides a detailed overview of charles stuart placing his reign firmly within the wider context of this turbulent period and examining the nature of one of

phantom boys 2 more thrilling tales from uk and us operators of the
mcdonnell douglas f 4 (Download Only)
the most complex monarchs in british history the book is organised chronologically
beginning in 1600 and covering charles early life his first difficulties with his
parliaments the personal rule the outbreak of civil war and his trial and eventual
execution in 1649 interwoven with historiography the book emphasises the impact of
charles challenging inheritance on his early years as king and explores the transition
from his original championing of international protestantism to his later vision of a
strong and centralised monarchy influenced by continental models which eventually
provoked rebellion and civil war across his three kingdoms this study brings to light
the mass of contradictions within charles nature and his unusual approach to
monarchy resulting in his unrivaled status as the only english king to have been tried
and executed by his own subjects offering a fresh approach to this significant reign
and the fascinating character that held it charles i is the perfect book for students of
early modern britain and the english civil war

Everyday Life in the Covid-19 Pandemic

2024-04-18

how will the covid 19 pandemic be remembered what did it mean to people how did it feel this book provides a compelling account of the pandemic as it was experienced in the uk everyday life in the covid 19 pandemic is a democratic history based on the 5 000 diaries collected by mass observation on 12 may 2020 it is a record of what many of these diarists wrote from a wide range of positions in a variety of voices and on a wealth of different subjects the book shines a light on their lives on the day in question their experiences during the first two months of the pandemic and their hopes and fears for the coming months and years the diaries capture much of everyday life in the pandemic for millions of people in the uk and beyond the activities events and rituals from funerals to working from home the sites and stages from shops to zoom the roles and categories from key workers to vulnerable groups the frames from luck to the new normal and the moods from anxiety to grief in these diaries we see what people did when the pandemic arrived in the uk but also what people thought and felt how they interpreted the pandemic experience and gave it meaning we see both how the nation responded and the nation who responded the book also includes two essays offering expert contextualisation of the diaries and discussion of their value for narrating the pandemic and presenting everyday life

Up and Over

List of Mines in Great Britain and the Isle of Man

1925

this book explores the use of antisemitism by britain s interwar fascists and the ways
in which the country s jews reacted to this examining the two alongside one another
for the first time and locating both within the broader context of contemporary events
in europe daniel tilles challenges existing conceptions of the antisemitism of britain s
foremost fascist organisation the british union of fascists he demonstrates that it was a
far more central aspect of the party s thought than has previously been assumed this
in turn will be shown to be characteristic of the wider relationship between interwar
european fascism and antisemitism a thus far relatively neglected issue in the
burgeoning field of fascist studies tilles also argues that the bufs leader sir oswald
mosley far from being a reluctant convert to the anti jewish cause or simply a cynical
exploiter of it as much of the existing scholarship suggests was aware of the role
antisemitism would play in his fascist doctrine from the start and remained in control
of its subsequent development these findings are used to support the notion that
contrary to prevailing perceptions jewish opposition to the buf played no part in
provoking the fascists adoption of antisemitism britain s jews did nevertheless play a
significant role in shaping british fascism s path of development and the wide ranging

phantom boys 2 more thrilling tales from uk and us operators of the
and effective anti fascist activity they pursued represents an important alternative
narrative to the dominant image of jews as mere victims of fascism

British Fascist Antisemitism and Jewish Responses, 1932-40

2014-11-20

this work reveals the hitherto unrepresented relationship that developed between scotland and sweden during the second half of the sixteenth and first half of the seventeenth centuries sweden s emergence as an independent nordic and indeed european power required continual military and economic growth which in turn necessitated a constant supply of manpower the initially piecemeal migration of private individuals from scotland bringing both martial and mercantile skills to sweden gradually grew into an informal alliance albeit officially sanctioned by the swedes based on personal networks equally the impact of sweden s support for the scottish covenanting movement on british state formation is scrutinized this fresh perspective on scottish swedish connections is aimed at those interested in state formation migration studies diplomatic developments and military history

1970

this book examines the far reaching changes made to the constitution in the united
kingdom in recent decades it considers the way these reforms have fragmented
power once held centrally through the crown in parliament by means of devolution
referendums and judicial reform it examines the reshaping of the balance of power
between the executive legislature and the way that prerogative powers have been
curtailed by statute and judicial ruling it focuses on the human rights act and the
creation of the uk supreme court which emboldened the judiciary to limit executive
action and even to challenge parliament and argues that many of these symbolised an
attempt to shift the political constitution to a legal one many virtues have been
ascribed to these reforms to the extent that criticism exists it is often to argue that
these reforms do not go far enough an elected upper chamber regional english
parliaments further electoral reform and a codified constitution are common tonics
prescribed by commentators from this point of view this volume adopts a different
approach it provides a critical evaluation of these far reaching reforms drawing from
the expertise of highly respected academics and experienced political figures from
both the left and right the book is an invaluable source of academic expertise and
practical insights for the interested public students policymakers and journalists who
too often are only exposed to the further reform position

Crime, Gender and Social Order in Early Modern England

james vi and noble power in scotland explores how scotland was governed in the late

phantom boys 2 more thrilling tales from uk and us operators of the
mcdonnell douglas f 4 (Download Only)
sixteenth century by examining the dynamic between king james and his nobles
from the end of his formal minority in 1578 until his accession to the english throne
in 1603 the collection assesses james relationship with his nobility detailing how he
interacted with them and how they fought co operated with and understood each
other it includes case studies from across scotland from the highlands to the borders
and burghs and on major individual events such as the famous gowrie conspiracy
themes such as the nature of government in scotland and religion as a shaper of policy
and faction are addressed as well as broader perspectives on the british and european
nobility bloodfeuds and state building in the early modern period the ten chapters
together challenge well established notions that james aimed to be a modern
centralising monarch seeking to curb the traditional structures of power and that the
period represented a period of crisis for the traditional and unrestrained culture of
feuding nobility it is demonstrated that king james was a competent and successful
manager of his kingdom who demanded a new level of obedience as a universal king
this volume offers students of stuart britain a fresh and valuable perspective on james
and his reign
