how can music making help improve the lives of homeless people and others living in poverty in urban neighborhoods in the global north how can popular music support the most vulnerable in developing their capabilities and asserting their human rights in this book author klisala harrison takes readers to one of north america s poorest urban areas vancouver s downtown eastside as she looks at and asks questions of its musical initiatives for the urban poor from music jams and music therapy sessions to public performances of music theatre harrison not only demonstrates how these initiatives succeed in promoting human rights but also reveals that they may sometimes unwittingly exacerbate human rights violations music downtown eastside draws on two decades of research to illustrate how human rights such as the

right to health the right to self determination and women s rights all of which often remain unfulfilled for the homeless and the urban poor can be promoted through music ethnographic vignettes and song lyrics by artists from the local community provide a vivid insight into the unique musical scene of downtown eastside at the same time harrison s examination of how gentrification grant funding and different community organizations affect the success or failure of human rights focused musical initiatives offers insights into the complex relationship between music poverty and human rights that have repercussions beyond this local context

popular song is a liminal hybrid form of cultural production as a manifestation of adaptation studies it has lacked visibility by comparison with more dominant adaptation practices especially those for the screen this book serves to fill this gap it investigates what songwriters read and write before they start singing showing that they need either to adapt material from existing sources or write their own lyrics drawn from a wide range of source texts and personal experiences they are subject to myriad influences and among these are other song lyrics poems novels plays films and hybrid cultural forms this deep structure intertextuality is embedded in the cultural flux of language and operates at both conscious and subconscious levels this book thus explores the complex and multifarious intertextual connections between popular songs of various genres styles and eras and literary works including but by no means limited to the bible and shakespeare as such it offers a valuable resource by exploring the deep intertextual significance of literary source material for the intellectual and emotional diversity that can be found in the popular song form the inverse reciprocal relationship while much less common is also considered in the study

---

## *The Intertextuality and Intermediality of the Anglophone Popular Song*

a music autobiography rock n roll stories of the tropics tom petty mudcrutch the rascals gregg allman cactus and many more music legends friends and loved ones untold tales of tragedy and truth a story of real musical roots the life and times of charlie souza book endorsements in 1965 the tropics were the biggest band in florida simple as that i watched them in awe their power was never truly captured on record but a show beyond belief no small part of that was bassist charlie souza when my band in 1975 was looking for a bass player as i was switching from bass to guitar we asked charlie to join and he did i found him to be a great musician and a nice guy i m sure his book will be an interesting read for anyone looking for rock roll adventure tom petty 2011 he hits all the right notes a great player terrific singer and a gentleman as well it s always a pleasure to share the stage with my friend charlie souza dino danelli rascals after i left cactus charlie eventually became the bass player in the new cactus band i came to know him as a good bass player and friend i m sure he has some great stories to tell tim bogert vanilla fudge cactus bba beck bogert appice the thing i love about charlie souza s musicianship is that he comes from the heart that coupled with his great understanding of what he plays makes for great music you know i bought my house from charlie and his good energy is in my wooden beams that s why i sleep good at night tim hauser manhattan transfer

### The Dream

2011-09-27

examining one of the most popular and enduring genres of american music this encyclopedia of classic rock from 1965 to 1975 provides an indispensable resource for cultural historians and music fans more than movies literature television or theater rock music set the stage for the cultural shifts that occurred from 1965 to 1975 led by the beatles and bob dylan rock became a self conscious art form during these years daring to go places unimaginable to earlier rock and roll musicians the music and outspokenness of classic rock artists inspired and moved the era s social cultural and political developments with a power once possessed by authors and playwrights and influenced many artists in younger generations of rock

---

musicians this single volume work tracks the careers of well known as well as many lesser known but influential rock artists from the period providing readers with a handy reference to the music from a critical groundbreaking period in popular culture and its enduring importance the book covers rock artists who emerged or came to prominence in the period ranging 1965 1975 and follows their careers through the present it also specifically defines the term classic rock and identifies the criteria that a song must meet in order to be considered as within the genre while the coverage naturally includes the cultural importance and legacy of most well known american and british bands of the era it also addresses the influence of artists from western and eastern europe africa asia and latin america readers will grasp how the music of the classic rock era was notably more sophisticated than what preceded it an artistic peak from which most of contemporary rock has descended

## **Live Your Dream**

2017-02-24

this companion covers charles wright s first two trilogies country music 1982 and the world of the ten thousand things 1990 providing biographical details information on wright s sources and influences and historical notes it pays special attention to the way that wright s poems work together and the links that are formed between them while each poem is given its own commentary the author argues that they work together in a concentrated whole to document a man s spiritual journey
