hodder stoughton admire sir mo s bravery in revealing his experience of being

trafficked as a child his memoir twin ambitions published in 2013 is based on the story he felt able to tell at the time which we understood to be the true version of events it is now clear that sir mo did not wish to share some of his difficult early experiences and we respect the decisions he made both then and now 4 august 2012 super saturday on the most electric night in the history of british sport mo farah braved the pain and punishment to seize olympic gold in the 10 000m and in the process went from being a talented athlete to a national treasure seven days later mo seized his second gold at the 5000m to go where no british distance runner has gone before records have tumbled before him european track records at 1500m 5000m indoors and 10 000m british track records at 5000m 3000m indoors and 10k on the road have all fallen to mohamed mo farah the boy from somalia who came to britain at the age of eight leaving behind his twin brother and with just a few words of english and a natural talent for running his secondary school pe teacher alan watkinson spotted his potential and began easing this human gazelle towards the racetrack in 2001 mo showed his promise by winning the 5000m at the european junior championships soon he was smashing a string of british and european records he began living with a group of elite kenyan runners following their strict regime of run sleep eat and rest mo was determined to leave no stone uncovered in his bid for distance running glory after a disappointing olympics in beijing mo took the bold decision to relocate to portland oregon to work under legendary coach alberto salazar the results were emphatic as mo took silver at the 10 000m and then raced to gold in the 5000m at the 2011 world championships in daegu even better would soon follow at london 2012 twin ambitions is much more than an autobiography by a great olympic champion it s a moving human story of a man who grew up in difficult circumstances separated from his family at an early age who struggled to overcome seemingly insurmountable obstacles and realise his dream jimmy connors took the tennis world by storm like no player in the history of the game a shaggy haired working class kid from the wrong side of the tracks he was prepared to battle for every point to shout and scream until he was heard and he didn t care whom he upset in doing so he was brash he was a brat he was a crowd pleaser a revolutionary and he won more tournaments an astonishing 109 than any other man in history including eight grand slam singles titles only now is connors ready to set the record straight on what really happened on and off the court the rivalry with john mcenroe that frequently threatened to turn violent with bjorn borg and ivan lendl his romance with chris evert which made them the sweethearts of the sport the escapades with his partner in crime ilie nastase the deep roots of the fierce determination that made him the best player on the planet this is no genteel memoir of a pillar of the tennis establishment unflinching hard hitting humorous and passionate this is the story of a legend the one and only jimmy connors this work has been points with popular sayings proverbs allegories first carefully turning them inside out in today's game there is no place on the pitch for player contact let alone the sort of hard robust tackling that could earn a player the nickname psycho but twenty five years ago things were different only when players really overstepped the mark were their names added to the referee's little black book and psycho pat van den hauwe had a reputation as one of the hardest players in the game in a career encompassing some 401 football league appearances for birmingham city everton tottenham hotspur and millwall he notched up two league titles and a european cup winners cup medal but he also made his mark as one of the toughest and most feared defenders in the game but pat wasn't just a tough player on the pitch the way he lived his life meant that he needed to be tough off the pitch as well a hard nut reputation invites people into your life who want to see how far they can push you and pat attracted such people by the bus load this autobiography is not the usual collection of career memories from an ex pro it is probably the most explicit book ever written by a former footballer throughout his career and long after he left the game pat van den hauwe courted danger in fact he nearly paid the ultimate price for living life to the extreme irish national hero a celtic great and their most capped player patrick packie bonner is a goalkeeping legend he was jock stein's last signing for the club when he left his native donegal for the city of glasgow in 1978 where packie evolved from being a shy homesick teenager into a confident world class talent and first choice goalkeeper billy mcneill handed him a debut on st patrick's day in 1979 and packie went on to provide the last line of defence a record 641 times for the club a seasoned irish internationalist packie was a vital component in the most celebrated irish national squad ever playing in a golden era under the tutelage of the inimitable jack charlton in the last line packie shares stories from his incredible career including his greatest moment in front of a global audience during the italia 90 world cup tournament when he became the penalty shoot out hero of the nation by saving a spot kick that took the irish to the quarter finals stage in their very first world cup adventure it was an iconic moment that would change his life forever not least because whilst in italy he along with his teammates had an audience with another goalkeeper pope john paul ii throughout his 80 cap international career he competed against the very best in the world men such as ruud gullit marco van basten gheorghe hagi roberto baggio and gary lineker came to know the name packie bonner equally in his glittering celtic career that included the winning of four scottish league titles three scottish cups and one scottish league cup packie bonner played alongside some great celtic names like tommy burns paul mcstay and murdo macleod along the way packie had to endure a career threatening back injury as well as the devastation of a routine save going wrong and costing a goal on the world stage against holland in 1994 ultimately leading to elimination from the world cup in america more than just the telling of trophies titles and triumphs this is the story of a celtic legend and a true great
