We Don't Know Ourselves: A Personal History of Modern Ireland 2022-03-15 I like reading a great tragicomic irish novel james wood the new yorker masterful astonishing cullen murphy the atlantic a landmark history leavened by the brilliance of o toole s insights and wit claire messud harper s winner 2021 an post irish book award nonfiction book of the year from the judges the most remarkable irish nonfiction book i ve read in the last 10 years a book for the ages a celebrated irish writer s magisterial brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world fintan o toole was born in the year the revolution began it was 1958 and the irish government in despair because all the young people were leaving opened the country to foreign

investment and popular culture so began a decades long ongoing experiment with irish national identity in we don t know ourselves o toole one of the anglophone world s most consummate stylists weaves his own experiences into irish social cultural and economic change showing how ireland in just one lifetime has gone from a reactionary backwater to an almost totally open society perhaps the most astonishing national transformation in modern history born to a working class family in the dublin suburbs o toole served as an altar boy and attended a christian brothers school much as his forebears did he was enthralled by american westerns suddenly appearing on irish television which were not that far from his own experience given that ireland s main export was beef and it was still not unknown for herds of cattle to clatter down dublin s streets yet the westerns were a sign of what was to come o toole narrates the once unthinkable collapse of the all powerful catholic church brought down by scandal and by the activism of ordinary irish women in particular he relates the horrific violence of the troubles in northern ireland which led most irish to reject violent nationalism in o toole s telling america became a lodestar from john f kennedy s 1963 visit when the soon to be martyred american president was welcomed as a native son to the emergence of the irish technology sector in the late 1990s driven by american corporations which set ireland on the path toward particular disaster during the 2008 financial crisis a remarkably compassionate yet exacting observer o toole in coruscating prose captures the peculiar irish habit of deliberate unknowing which allowed myths of national greatness to persist even as the foundations were crumbling forty years in the making we don t know ourselves is a landmark work a memoir and a national history that ultimately reveals how the two modes are entwined for all of us The Most Amazing Gardens in Britain & Ireland 2010 no two places are alike in this inspirational guide to 700 of the greatest british gardens from the cascading terraces of powis castle to the subterranean fantasy of destow grottoes to the lake and classical temples of stourhead or the magnificent topiary of levens hall you ll find variety drama colour and plenty of surprise

Crown and Shamrock 2009 a whole series of astonishing invitations from the crown to irish leaders and vice versa have taken place since the queen s historic visit in 2011 this book will tell you the origins of how this came about in this fascinating study of the complex relationship between ireland and the british monarchy well known writer and journalist mary kenny has found a fresh perspective in the relationship between britain and ireland the relationships between royalty past and present are examined and illustrated in an absorbing beautifully written account based on unique access to the royal archives in windsor and other historical materials the book reveals some previously unappreciated aspects of the crown and shamrock including edward vii s exceptionally benign attitudes to catholics george v s obsessive worries about civil war between north and south and how ireland was constitutionally altered

and morally riven by the abdication crisis of 1936 it also traces the parallel rise of Ireland's alternative monarchy the pope and the ceremonial role of the Catholic Church which all but replaced the ritual of discarded royalty

Views of the Most Remarkable Public Buildings, Monuments and Other Edifices in the City of Dublin 1970 beyond the green land the pubs and the auburn hair is a rich culture dating back nine thousand years including invasions by just about every nation in Northern Europe the Irish have survived as a people perhaps because of the genetics of hope the richness of tale telling and laughter and the scent of peat in the air Jay Ben Adlersberg the Emerald Isle is known for its gorgeous countryside and rightfully so from the rugged cliffs of the Atlantic coast to the lush meadows and lakes of the interior Ireland is rich in imagery both awe inspiring and serene the vibrant streets of such cities as

dublin and belfast where modern architecture rubs shoulders with georgian townhouses and norman stonework testify to the island's 21st century resurgence as the cosmopolitan celtic tiger from the remains of a bronze age ring fort to the soaring modern spire of dublin to the stallions of the national stud ireland is a land of surprising variety the rich color images collected here weave together the portrait of a land where paleolithic monuments medieval castles quiet fishing villages and bustling cities all exist alongside each other from the eerie astonishing hexagonal stones of the giant's causeway in county antrim to the cozy atmosphere of the town pub from breathtaking wild landscapes to the exquisite gardens of stately homes each page offers a new glimpse of ireland's multifarious beauty the prehistoric tombs of newgrange the gothic peaks of st patrick's cathedral the sublime scenery of connemara national park and countless country villages all are here with a keen visual sensibility jay ben adlersberg captures the tiniest details and the most magnificent vistas that are at the island's heart and that make ireland one of the world's loveliest places to travel or to call home here too is a journey through ireland's history the soaring modern spire of dublin monument the elegant campus of trinity college the ancient seat of ireland's kings at tara each evokes a different moment in ireland's many layered past written in the land itself ireland's history appears here in the slope of a thatched roof in the grass grown remains of a bronze age ring fort in a field tilled for centuries finally here is the soul of a land where out of the hardships of the past have come arts and culture alive with creativity and resilience from traditional flute and fiddle music to a diverse literary tradition from which thirty poems and literary excerpts have been chosen to accompany adlersberg's images including the romantic prose of james joyce the humorous boyhood memories of frank mccourt the celebration of natural beauty in the poetry of w b yeats and the folk tales of douglas hyde as well as numerous others whose writings capture the unique spirit that is ireland samantha bowser supplies the rich and nuanced captions for the more than two hundred photographs

In Search of the Awesome Mystery 2011 this volume presents an overview of various aspects of the quite diverse philosophical developments that have taken place in ireland both past and present with contributions by some of the leading thinkers in their field this book is based although not exclusively so on papers given at a conference held at maynooth university ireland in 2012 to celebrate the 50th anniversary of the irish philosophical society rather than treating philosophy in ireland in a systematic and comprehensive way the contributions give the reader a glimpse of the state of philosophy in ireland today they show that from the beginning and throughout the centuries the philosophical tradition in ireland has been characterised by dialogue this dialogical aspect of irish philosophising remains alive today the book demonstrates how this engagement encompasses the past as interlocutor as well as interactions with the philosophical debates that take place outside of ireland both on the continent and within the anglo american tradition the volume puts forward a strong argument that the future of philosophy in ireland should not move towards an ever greater specialisation thereby resulting in the isolation and impoverishment of individual philosophical traditions rather it argues that the different traditions should remain and

should engage in dialogue with each other with their philosophical and intellectual past and stay steadfastly connected with the society around them

A Guide to Britain and Ireland 2017-11-21 reproduction of the original the bronze age in ireland by george coffey
Ireland: In Word and Image 2013-10-22 the british government has taken steps to halt the prosecution of soldiers responsible for the deaths of civilians in northern ireland most of whom had no connection to paramilitary activities these killings were part of a ruthless dirty war that commenced in 1970 when brigadier frank kitson a counter insurgency specialist was sent to northern ireland kitson had spent decades in britain s colonies refining old and developing new techniques which he applied in northern ireland he became the architect of a clandestine war waged against nationalists while ignoring loyalist atrocities kitson and his colleagues were responsible for the establishment of the clandestine military reaction force mrf which carried out assassinations on the streets of belfast of suspected ira members they unleashed the most violent elements of the parachute regiment 1 para to terrorise nationalist communities which they adjudged were providing support for the official and provisional ira spreading black propaganda designed to undermine republican but not loyalist paramilitary groups deployed psychological warfare techniques involving the torture of internees sent kitson s private army support company of 1 para to derry where they perpetrated the bloody sunday massacre the british widgery and saville inquiries did not hold kitson and his elite troops accountable for bloody sunday kitson s irish war lays bare the evidence they discounted kitson s role in the events leading up to and surrounding that massacre evidence from a deserter from 1 para who joined the ira a deceitful mi5 agent a courageous whistle blower whom the british state tried to discredit and much more all of which points to a motive for the attack on the bogside this book unlocks the some of the key secrets of the dirty war that the british government is still determined to cover up

The Great Shame 1998 in all six of its volumes the broadview anthology of british literature presents british literature in a truly distinctive light fully grounded in sound literary and historical scholarship the anthology takes a fresh approach to many canonical authors and includes a wide selection of work by lesser known writers the anthology also provides wide ranging coverage of the worldwide connections of british literature and it pays attention throughout to matters such as race gender class and sexual orientation the full anthology comprises six bound volumes together with an extensive website component the latter is accessible by using the passcode obtained with the purchase of one or more of the bound volumes a two volume concise edition and a one volume compact edition are also available
