Cosas de España Illustrative of Spain and the Spainards as They are 1866 the rise of spain from obscurity to the position of one of europe s greatest powers is centrally important in the history of western europe in the sixteenth century spain 1474 1598 explores key themes including the unification of spain and the domestic and foreign policies of each of the monarchs ferdinand and isabella charles v and philip ii this book also examines whether the sixteenth century was a golden century for spain culturally with its art and literature as well as its society and economy The History of Spain and Portugal 1832 papers presented at the symposium held by the gaspar de portolà catalonian studies program of international and area studies at the university of california berkeley on 24 25 february 1989 History of Spain and Portugal 1860 spain has never worked as a democracy

throughout the country s history only one system of government has ever enjoyed any real success dictatorship and the use of violence violence in fact is what spain is made of lying at the heart of its culture and identity far more so than any other western european nation for well over a thousand years the country has only ever been forged and then been held together through the use of aggression brutal merciless terror and warfare directed against its own people without it the country breaks apart and spain ceases to exist a fact that recent events in barcelona confirm authoritarianism is the spanish default setting yet spain has produced many of the most important artists and thinkers in the western world from cervantes author of the first modern novel to gove the first modern painter much of western artistic expression in fact from the picaresque to cubism would be unthinkable without the spanish contribution this unique national genius however does not exist despite spain s violent backdrop it is in fact born out of it indeed spain s genius and violent nature go hand in hand locked together in a macabre elaborate dance this is the country s tragedy la violencia unveils this truth for the first time exposing the bloody heart of spain from its origins in the ancient past to the civil war and the current crisis in catalonia la violencia will be in the tradition of those books which come to define our understanding of a country

Spain and the Spaniards 1874 spanish papers by washington irving a captivating collection of washington irving s firsthand experiences and

observations during his time in spain through his travel writings and essays irving takes readers on a journey through the rich history culture and landscapes of spain his eloquent prose and deep appreciation for the country s beauty make this collection a delightful and insightful exploration of spain's allure key aspects of the book spanish papers travel writing irving s writings provide a vivid and detailed account of his travels allowing readers to immerse themselves in the beauty and charm of spain cultural exploration the book offers valuable insights into spain s history traditions and people capturing the essence of the country s cultural identity author s perspective irving s personal reflections add a touch of intimacy and authenticity to the narratives making the reader feel like a fellow traveler washington irving was an american author essayist and diplomat who gained fame for his literary contributions during the early 19th century born in 1783 irving s most famous works include the legend of sleepy hollow and rip van winkle his keen interest in travel and fascination with european culture and history led to his exploration of spain and subsequent publication of spanish papers which remains a beloved travelogue and a testament to irving s love for the country The Origins of Spain and Portugal 1971 the edge of a barber s razor secretos a voces looking for the generalisimo amnistia and amnesia the pact of forgetting how the bikini saved spain anarchy order and a real pair of balls the mean streets of flamenco clubs and curas men and children first ii m moros y cristianos in the shadow of the serpent and the axe the madness of
