

Free read National movement constitution of india (2023)

the constitution of india original book by dr b r ambedkar the constitution of india original book by dr b r ambedkar is a seminal work that presents the original text of the constitution of india along with insightful commentary by the author dr b r ambedkar the principal architect of the indian constitution provides valuable insights into the principles intentions and significance of the constitution this book serves as a vital resource for anyone seeking to understand the foundation of india s democratic system the rights and duties of citizens and the constitutional framework that governs the country key aspects of the book the constitution of india original book original text of the constitution the book presents the original text of the constitution of india providing readers with access to the authoritative document that lays the foundation of the indian democratic system it includes all the articles schedules and amendments as initially adopted insightful commentary by dr b r ambedkar dr b r ambedkar in his commentary offers valuable insights into the various aspects of the constitution he explains the rationale behind specific provisions discusses the principles of democracy social justice and equality enshrined in the constitution and provides a historical context to its formation understanding the constitutional framework this book enables readers to gain a comprehensive understanding of the constitutional framework of india it explores fundamental rights directive principles of state policy the structure of government the powers of different branches and the relationship between the center and the states among other key aspects dr b r ambedkar an eminent jurist social reformer and the chief architect of the indian constitution authored the constitution of india original book his profound knowledge of constitutional law and his vision for a just and inclusive society are reflected in this seminal work dr ambedkar s invaluable contribution to the drafting and framing of the indian constitution along with his deep understanding of social issues continues to inspire generations and shape the democratic fabric of india this book serves as a testament to his immense scholarship and unwavering commitment to equality and justice a well known comprehensive text on india s constitution with a holistic approach a revised and updated edition providing a cumulative account of the changing scene of politics with the fifteenth general elections of 2014 bringing about the decimation of the congress party and the triumph of bjp coverage of the new legislation regulating procedure for recommending new appointments to the supreme court of india foreword by ca dr girish ahuja pages 359 edition 2021 specially designed for competitive exams and students of b com m com bba mba llb ca cs cma and other specialised courses the main features of this book which make it better than other books are 1 all the topics have been presented in a tabular form no paragraphs have been used which make it easier to read and understand 2 diagrams for most of the topics have been given in this book this makes it very easy for the students to understand and remember the contents 3 all the concepts have been given pointwise which makes reading very fast and easy 4 this book gives conceptual clarity of the law 5 this book not only helps in scoring very good marks in exam but also in using the law in practical world the indian constitution is one of the world s longest and most important political texts its birth over six decades ago signalled the arrival of the first major post colonial constitution and the world s largest and arguably most daring democratic experiment apart from greater domestic focus on the constitution and the institutional role of the supreme court within india s democratic framework recent years have also witnessed enormous comparative interest in india s constitutional experiment the oxford handbook of the indian constitution is a wide ranging analytical reflection on the major themes and debates that surround india s constitution the handbook provides a comprehensive account of the developments and doctrinal features of india s constitution as well as articulating frameworks and methodological approaches through which studies of indian constitutionalism and constitutionalism more generally might proceed its contributions range from rigorous legal studies of provisions within the text to reflections upon historical trends and social practices as such the handbook is an essential reference point not merely for indian and comparative constitutional scholars but for students of indian democracy more generally an introduction to the constitution of india 5th edition this book provides an overview of the content and functioning of the indian constitution with an emphasis on the broader socio political context it focuses on the overarching principles and the main institutions of constitutional governance that the world s longest written constitution inaugurated in 1950 the nine chapters of the book deal with specific aspects of the indian constitutional tradition as it has evolved across seven decades of india s existence as an independent nation beginning with the pre history of the constitution and its making the book moves onto an examination of the

structural features and actual operation of the constitution's principal governance institutions these include the executive and the parliament the institutions of federalism and local government and the judiciary an unusual feature of indian constitutionalism that is highlighted here is the role played by technocratic institutions such as the election commission the comptroller and auditor general and a set of new regulatory institutions most of which were created during the 1990s a considerable portion of the book evaluates issues relating to constitutional rights directive principles and the constitutional regulation of multiple forms of identity in india the important issue of constitutional change in india is approached from an atypical perspective the book employs a narrative form to describe the twists turns and challenges confronted across nearly seven decades of the working of the constitutional order it departs from conventional indian constitutional scholarship in placing less emphasis on constitutional doctrine as evolved in judicial decisions delivered by the high courts and the supreme court instead the book turns the spotlight on the political bargains and extra legal developments that have influenced constitutional evolution written in accessible prose that avoids undue legal jargon the book aims at a general audience that is interested in understanding the complex yet fascinating challenges posed by constitutionalism in india its unconventional approach to some classic issues will stimulate the more seasoned student of constitutional law and politics

part i introductory part ii the growth of constitutionalism in india part iii preamble territory and citizenship part iv fundamental rights and directive principles part v the government of the union part vi the machinery of government in the states part vii the federal system part viii miscellaneous provisions

Dr P K Agrawal is first class first in law and a gold medalist from University of Allahabad in 1973 he started his career as a lecturer in law he did LL M from Calcutta University when he was the district magistrate in IAS cadre of West Bengal in 1987 he was awarded D Phil in law from Allahabad University in 1992 for review of land laws of Uttar Pradesh Dr Agrawal worked as joint secretary department of justice ministry of law and justice govt of India from 1997 to 2002 where he tried to implement judicial reforms he was also a member of three men drafting committee of the IT Act Dr Pramod Kumar Agrawal is a prolific writer of Hindi and English and has sixty books to his credit he worked as an advocate and partner after retirement with Khaitan Company a leading law firm at present Dr Agrawal is the managing partner Vas Global a New Delhi based law firm although political circles treat the constitution of India as a sacred scripture which has guided the inner workings of the world's largest democracy since 1950 the document has mysteriously escaped critical inquiry why is it because of its bulkiness its complexity its inconsistencies and contradictions the constitution of India simplified invites the common person to examine the internals of the Indian constitution in order to comprehend its basic contents and discover how to make a little sense out of the document's seemingly bewildering set of principles comprehensive text on the constitution of India with a holistic approach covers the evolution of the Indian constitution government and politics from independence to the present day an appendix at the end of every chapter providing the latest information useful for the students and teachers of political science and law and candidates appearing for the competitive examinations conducted by the union public service commission and the state public service commissions India became independent in 1947 and after nearly three years of debate in the constituent assembly adopted a constitution that came into effect on 26 January 1950 this constitution has lasted until the present with its basic structure unaltered a remarkable achievement given that the generally accepted prerequisites for democratic stability did not exist and do not exist even today half a century of constitutional democracy is something that political scientists and legal scholars need to analyze and explain this volume examines the career of constitutional political ideas implicitly of western origin in the text of the Indian constitution or implicit within it as well as in actual political practice in the country over the past half century contributed articles conscious of the fact that our constitution was the product of socio economic forces operating at the time of its enactment the founding fathers bestowed upon the parliament the powers under the article 368 of the constitution to amend it with a view to bringing it in tune with the changing needs and aspirations of the people since we adopted the constitution in 1950 this amending process has been working like a safety valve and has helped in reconciling with the requisites for peace and progress this publication is a well documented study on the nature scope and operation of amending process of the constitution of India it contains a brief legislative history and a synopsis of each of the constitution amendment act enacted till August 1994 a brief legislative history of the amending bills which were either lapsed or withdrawn or removed or negated after their introduction also forms part of the study the texts of these acts and bills have been reproduced in full in the annexures give statements showing the provisions of the constitution amended by various amendment acts and the number of the constitution amendment bills as introduced vis a vis the number of the constitution amendment acts as passed and status of bills if removed lapsed withdrawn or negated it is hoped that the study would be useful not only for

parliamentarians but for all those interested in constitutional studies a commentary and study this work focuses on the relationship between constitutionalism and popular sovereignty in india the author contends that its identity was shaped by a prior period of prolonged popular engagement in resisting a colonial regime and goes on to show that the constitutional text can be meaningfully viewed within a specifically indian tradition of political and intellectual history annotated edition incorporating amendments judicial reviews case law etc up to august 1981 the basic structure doctrine articulated by the indian supreme court in 1973 made it amply clear that the basic features of the constitution must remain inviolable the doctrine has generated serious debates ever since as it placed substantive and procedural limits on the amending powers of the executive despite the lack of clarity as to its nature the scope of the doctrine has been broadened in recent years and a wide range of state actions are covered in its purview in this book krishnaswamy analyses its legitimacy in legal moral and sociological terms and argues that the doctrine has emerged from a valid interpretation of the constitutional provisions this book will be of interest to scholars of indian constitutional law political theory and jurisprudence as well as judges and legal practitioners at a time when the nation is passing through difficulties and our polity is under tremendous strain the india international centre has taken the initiative to analyse and examine a theme of great relevance to the current crisis eminent political scientists educationists and public men have come together in this prestigious work to present their perspectives on the constitution of india part i constitutional development of india part ii national movement part iii modern indian constitution this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public to ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Constitution of India 2017-12-28

although political circles treat the constitution of india as a sacred scripture which has guided the inner workings of the world s largest democracy since 1950 the document has mysteriously escaped critical inquiry why is it because of its bulkiness its complexity its inconsistencies and contradictions the constitution of india simplified invites the common person to examine the internals of the indian constitution in order to comprehend its basic contents and discover how to make a little sense out of the document s seemingly bewildering set of principles

Constitutional Government in India 2003

comprehensive text on the constitution of india with a holistic approach covers the evolution of the indian constitution government and politics from independence to the present day an appendix at the end of every chapter providing the latest information useful for the students and teachers of political science and law and candidates appearing for the competitive examinations conducted by the union public service commission and the state public service commissions

Reconstitution of the Constitution of India 2002

india became independent in 1947 and after nearly three years of debate in the constituent assembly adopted a constitution that came into effect on 26 january 1950 this constitution has lasted until the present with its basic structure unaltered a remarkable achievement given that the generally accepted prerequisites for democratic stability did not exist and do not exist even today half a century of constitutional democracy is something that political scientists and legal scholars need to analyze and explain this volume examines the career of constitutional political ideas implicitly of western origin in the text of the indian constitution or implicit within it as well as in actual political practice in the country over the past half century

Preamble of the Constitution of India 2007

contributed articles

Commentary on the Constitution of India 2020-01-01

conscious of the fact that our constitution was the product of socio economic forces operating at the time of its enactment the founding fathers bestowed upon the parliament the powers under the article 368 of the constitution to amend it with a view to bringing it in tune with the changing needs and aspirations of the people since we adopted the constitution in 1950 this amending process has been working like a safety valve and has helped in reconciling with the requisites for peace and progress this publication is a well documented study on the nature scope and operation of amending process of the constitution of india it contains a brief legislative history and a synopsis of each of the constitution amendment act enacted till august 1994 a brief legislative history of the amending bills which were either lapsed or withdrawn or removed or negatived after their introduction also forms part of the study the texts of these acts and bills have been reproduced in full in the annexures give statements showing the provisions of the constitution amended by various amendment acts and the number of the constitution amendment bills as introduced vis a vis the number of the constitution amendment acts as passed and status of bills if removed lapsed withdrawn or negatived it is hoped that the study would be useful not only for parliamentarians but for all those interested in constitutional studies
