**The Positively Productive Writer** 2020-10-27 the second most common question a writer is asked is where do your ideas come from the first is do you make any money from it experienced writers don t go looking for ideas ideas come to them an experienced writer just has the knack of spotting what makes a good story or what will make a good story once it s been given the right spin because none of us if we re honest will let reality get in the way of a saleable piece of work editors are looking for an element of action drama or surprise even in non fiction it s what catches their attention and makes them pause to read further and the key to any editor s heart is originality not necessarily a new departure in style or genre but a refreshing and original slant on a popular theme life writes helps you to find and develop ideas with editor appeal

**The Business of Writing: Volume 3** 2023-01-09 the whole dog journal handbook of dog and puppy care and training features advice on behavior and positive training techniques guidance about natural care and nutrition and information about holistic care such as chiropractic herbal remedies massage acupuncture and homeopathy it covers all aspects of canine health including cancer treatments and most important of all it focuses on how to have fun with a dog this book equips readers with the tools to understand dogs to encourage their physical and emotional wellness and to elicit their full potential and vitality and to do it naturally

*The Business of Writing: Volume 4* 2021-12-02 in the gospels we encounter many people who were shunned by their society because they lived with some form of impairment in stark contrast jesus embraces these people and offers compassion without condescension relationship without ulterior motive and provides them with practical help subsequent history has

rarely matched his ministry particularly for people living with intellectual impairment and their families based on personal interviews with a number of families who have children living with intellectual impairment two major challenges constantly impacted them a longing for people to treat their child as a person and to form genuine friendships with them written from a wesleyan perspective this book seeks to address these two issues from a theological and pastoral perspective it offers practical help for anyone to initiate and develop healthy friendships with people who live with moderate to severe intellectual impairment their families and carers

**Foraging for Murder** 2012-05 we return to vancouver beginning where magical moonlight ended liam and aiden are trying to bring their lives under control despite the fact phoebe has been taken in care by the high king stephen taylor the changeling becca has assumed her sister s place in her human home it is then we discover that becca isn t all she s supposed to be and the lives of the two men are turned upside down an interesting and occasionally humorous story is woven as a plot to steal the amulet granted to liam becomes known the children and the animals are involved in bringing things to rights while the underlying love between liam and aiden continues to flourish with a little help from their friends we are taken on a ride that takes us from vancouver to whistler and then ends spectacularly in the cariboo mountains
