American History 2000-07 consists of short answers to questions about the roles and achievements of women in america from prehistory to the end of the 20th century

The Great American History Quiz? 2007-07-31 guess what the indians didn't save the pilgrims from starvation by teaching them to grow corn thomas jefferson thought states rights an idea reviled today were even more important than the constitution's checks and balances the wild west was more peaceful and a lot safer than most modern cities and the biggest scandal of the clinton years didn't involve an intern in a blue dress surprised don't be in america where history is riddled with misrepresentations misunderstandings and flat out lies about the people and events that have shaped the nation there's the history you know and then there's the truth in 33 questions about american history you're not supposed to ask thomas e woods jr the new york times bestselling author of the politically incorrect guide to american history sets the record straight with a provocative look at the hidden truths about our nation's history the ones that have been buried because they're too politically incorrect to discuss woods draws on real scholarship as opposed to the myths platitudes and slogans so many other history books are based on to ask and answer tough questions about american history including did the founding fathers support immigration was the civil war all about slavery did the framers really look to the american indians as the model for the u.s. political system was the u.s. constitution meant to be a living breathing document and does it grant the federal government wide latitude to operate as it pleases did bill clinton actually stop a genocide as we're told you'd never know it from the history that's been handed down to us but the answer to all those questions is no woods's eye opening exploration reveals how much has been whitewashed from the historical record overlooked and skewed beyond recognition more informative than your last u.s. history class 33 questions about american history you're not supposed to ask will have you wondering just how much about your nation's past you haven't been told

The Great American History Quiz 2001 presents questions and answers relating to important periods in african american history including the revolution civil war reconstruction migration and the civil rights

movement
