Geographies of Schooling 2019-08-21

this open access book explores the complex relationship between schooling as a set of practices embedded in educational institutions and their specific spatial dimensions from different disciplinary perspectives it presents innovative empirical and conceptual research by international scholars from the fields of social geography pedagogy educational and social sciences in germany the united kingdom france czechia hungary austria switzerland norway and canada the book covers a broad range of topics all examined from a spatial perspective the governance of schooling the transition processes of and within national school systems the question of small schools in peripheral areas as well as the embeddedness of schooling in broader processes of social change transcending disciplinary boundaries the book offers deep insights into current theoretical debates and empirical case studies within the broad research field encompassing the complex relationship between education and space

Shakespeare and Canada 2017-03-08

shakespeare in canada is the result of a collective desire to explore the role that shakespeare has played in canada over the past two hundred years but also to comprehend the way our country s culture has influenced our interpretation of his literary career and heritage what function does shakespeare serve in canada today how has he been reconfigured in different ways for particular canadian contexts the authors of this book attempt to answer these questions while imagining what the future might hold for william shakespeare in canada covering the stratford festival the cult cbc television program slings and arrows major canadian critics such as northrop frye and marshall mcluhan the influential acting teacher neil freiman the rise of québécois and first nation approaches to shakespeare and shakespeare s place in secondary schools today this collection reflects the diversity and energy of shakespeare s afterlife in canada collectively the authors suggest that shakespeare continues to offer canadians remembrance of ourselves this is a refreshingly original and impressive contribution to shakespeare studies a considerable achievement in any work on the history of one

of the central figures in the western literary canon
