**The Greatest Prayer Point** 1873 a haunting examination of groupthink and mass hysteria in a rural community the place is salem massachusetts in 1692 an enclave of rigid piety huddled on the edge of a wilderness its inhabitants believe unquestioningly in their own sanctity but in arthur miller s edgy masterpiece that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft and then when those accusations multiply to consume the entire village first produced in 1953 at a time when america was convulsed by a new epidemic of witch hunting the crucible brilliantly explores the threshold between individual guilt and mass hysteria personal spite and collective evil it is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can a drama of emotional power and impact new york post Every Saturday 2010-02-10 i was quite a good student of the bible that could stand on my own against jehovah s witnesses and a seventh day adventist roommate but by the time i went to college i had relapsed in bible studies with the conclusion that only the great commandment mattered or was essential for my wellbeing matt 22 36a eur 40 teacher

which is the great commandment in the law jesus said to him you shall love the lord your god with all your heart with all your soul and with all your mind this is the first and great commandment and the second is like it aeur you shall love your neighbor as yourself on these two commandments hang all the law and the prophets if the lord says that the law and prophets are based on these two commandments why do i have to bother with the finer points of the law and prophets instead of striving to love the lord and my neighbor when my life unraveled after college i conflated two bible passages into one matt 6 33 but seek ye first the kingdom of god and his righteousness and all these things shall be added unto you luke 17 21 neither shall they say lo here or lo there for behold the kingdom of god is within you i was skeptical but had no recourse with my back against the wall than seek for the kingdom of god within me according to the holy bible i concluded or realized in the end that one does not have to be a person of faith or believer in the existence of god to find god within according to the bible but once you find the kingdom of god within you will never be the same again this is the result of my search for the kingdom of god within me it changed me and i have never been the same again since i touched the kingdom of god within me in midaeur seventies
