Survey of Laurens County Public Schools 1928

a thriving community when cotton was king laurens county has endured the ravages of several wars the great depression and the devastation of the boll weevil and today retains the indomitable spirit of her earliest settlers although no longer plagued by such hardships laurens countians are still bonded by the ideals and rights for which their ancestors fought and work equally hard to maintain a community of which they and their children can be proud laurens county was created on december 10 1807 and named for col john laurens an aide to gen george washington during the american revolution the original county seat was located at sumpterville about five miles west of dublin near the banks of turkey creek the history of the county has been marked by a thriving plantation system in the 19th century an unyielding service to her country in wartime an economic boom with the coming of the railroad the establishment of successful local industries the building of numerous churches and schools and participation in a wide variety of sports and recreational activities many laurens countians have achieved fame and celebrity whether as courageous soldiers on the battlefield or triumphant athletes on the playing field and they are highlighted in this volume along with local landmarks and memorable community events

Laurens County School District Fifty-five Comprehensive School Survey 1968

laurens county was founded in the late 18th century and named for henry laurens revolutionary war hero and distinguished south carolina statesman the county s small towns have grown to include opportunities in business the arts and education in laurens county the community s history unfolds in vintage postcards of the laurens court house square presbyterian college textile mills churches health resorts small towns and local residents these collectible postcards portray a picturesque county in upstate south carolina that possesses a rich heritage character and charm that linger even today

Planning and Developing a Transportation System for Laurens County Schools with Emphasis on Safety, Economy, and Efficiency 1951

in the years following the revolutionary war americans delved deeper into their new homeland and found an unequalled grace in the landscape of what is now known as laurens county named after henry laurens a famed war hero and south carolina native the county is nestled in the state s piedmont region with short distances to both the mountains and beaches small town charm lingers in the area even as the county s towns grow to include extraordinary opportunities in business the arts and education in this volume of vintage black and white photographs readers are fortunate to experience a laurens county of a different era the rhythmic patter of horse hooves and squeak of wooden wagons meant people were hard at work and the ringing of a bell called students to a one room schoolhouse the landscape encompassed patchworks of farms and bustling mill villages before the region found the conveniences of modern technology some of those who fashioned the area into its present state where pride in culture and heritage stand at the forefront take center stage in this pictorial history laurens county will spark the memories of those who lived its history while illustrating the tales with images for future generations

Laurens County 2000

excerpt from a night school experiment in laurens county the first need of the state is a trained intelligent god fearing citizenship the doors of the public school are open to children and youth between the ages of six and twenty one years but public school workers are anxious to reach not only the untrained child but the illiterate adult as well about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
