101 Entrepreneur Questions and Answers

2017-03-27

part of the nantchev's nuggets of knowledge series pure actionable knowledge no fluff no theory just results and success to be or not to be an entrepreneur that is the questions that this book solves i collected together 101 question to help clear our some misconceptions that people may have when it comes to being an entrepreneur these questions and answers are based on my experiences and in the attempt to persuade more people to become an entrepreneur to build a better life for themselves and to do what they love not living a life begrudgingly and with regret but to live your life to the fullest one of the regrets of the people on their deathbeds is that they did not take more challenged expanded their comfort zones and nor did they travel as much so i want to help you and enlighten you with what it takes to be an entrepreneur often people want to become an entrepreneur but they don't always know how to become one so i decided to write this book about how people can become entrepreneurs because there is an entrepreneurial revolution happening and the world is changing questions and topics that are covered in this book helps you achieve the entrepreneurial mindset

The Entrepreneur in Youth

2007-01-01

this readable and modestly priced text will appeal to academics researching and teaching entrepreneurship policy makers and students studying entrepreneurship at all levels in higher education especially those studying final year specialist electives or at master's level david w taylor international journal of entrepreneurial behaviour and research

Policy Entrepreneurs in Water Governance

2015-05-19

this book analyses policy making processes at the micro level and offers a unique insight into the fascinating world of policy entrepreneurs elucidating their strategic modus operandi the author identifies change strategies and explores the role of individuals in policy change processes readers will see how these highly talented and exceptional bureaucrats are constantly on the alert for new opportunities and have the capacity to sell and market new ideas based on a uniquely comprehensive four year study entailing more than 60 in depth interviews and an extensive survey of over 300 water policy entrepreneurs in the netherlands this book explores the different strategies that policy entrepreneurs employ it identifies which conditions affect the policy entrepreneur's selection of strategies and more importantly it assesses the contextual effectiveness

of these strategies although the context of the study makes this work directly relevant to those in the fields of water resources and environmental management it delivers universally relevant conclusions on affecting policy change in addition to the theoretical material that will appeal to scholars and students this book highlights a series of concrete recommendations for practitioners on how to affect policy change making it of interest to academics and decision makers in the broad areas of policy change sustainability and water management

Taboo Business Questions

2019-04

taboo business questions is a business book unlike any other you've ever read it will challenge you it will help you process business ideas it will allow you access to a community of great minds with a wide variety of viewpoints simply put it will help you answer questions you didn't even know you had so your business can thrive i specifically wrote this book for entrepreneurs small business owners and business leaders probably just like you it started out with this crazy idea an idea that small business owners had these certain questions they needed answered but didn't know how to or didn't want to ask i believe that when a question can be phrased just right the answer becomes obvious so i've set out to help you and many others get your answers throughout my time consulting i've noticed that business owners are of a different breed maybe you've noticed this too they work these crazy hours take on stress like it's no big deal and never want to let it be known that they don't know something in their business this is exactly why i wrote taboo business questions i recognized that business owners egos get in the way from allowing them to ask the tough questions necessary to grow their business avoiding these questions tends to hurt a business's growth so i took seven taboo business topics and reformatted them into taboo business questions the whole goal with this book is to create a safe place where business owners can find a process to answering challenging questions about their business and keep their egos intact i formatted each answer in the form of a process i didn't want the book to be a formulas and spreadsheets type of business book everyone has a unique business i didn't want the book to be filled with case studies on businesses from the 60s and 70s by an armchair quarterback what good is that going to do business owners today need tools they can use and a process they can follow part of this process is accessing and participating in the forum i created on my website it goes hand in hand with the whole premise of the book with this forum collaboration can happen organically among business owners entrepreneurs and other business savvy individuals with anonymity i hope you enjoy the process
