## Forgetting the Alamo, Or, Blood Memory *2010-01-01*

in this literary novel set in nineteenth century texas a tejana lesbian cowgirl embarks on an adventure after the fall of the alamo micaela campos witnesses the violence against mexicans african americans and indigenous peoples after the infamous battles of the alamo and of san jacinto both in 1836 resisting an easy opposition between good versus evil and brown versus white characters the novel also features micaela s mexican anglo cousin who assists and hinders her progress micaela s travels give us a new portrayal of the american west populated by people of mixed races who are vexed by the collision of cultures and politics ultimately micaela s journey and her romance with a black american indian woman teach her that there are no easy solutions to the injustices that birthed the texas republic this novel is an intervention in queer history and fiction with its love story between two women of color in mid nineteenth century texas pérez also shows how a colonial past still haunts our nation s imagination the battles of the alamo and san jacinto offered freedom and liberty to texans but what is often erased from the story is that common people who were mexican indian and black did not necessarily benefit from the influx of so many anglo immigrants to texas the social themes and identity issues that pérez explores political climate debates over immigration and historical revision of the american west are current today pérez s sparse clean writing style is a blend of cormac mccarthy carson mccullers and annie proulx this makes for a quick and engrossing reading experience as the narrative has a fluid quality about it alicia gaspar de alba professor and chair of chicana and chicano studies university of california los angeles and author of sor juana s second dream riveting emma pérez captures well the violence and the chaos of the southwest borderlands during the time of territorial and international disputes in the 1800s perez vividly depicts the conflicts between nations with the authority of a historian and with language belonging to a poet a fine fine read helena maria viramontes author of their dogs came with them pérez s new novel powerfully presents a revenge tale from an unusual point of view that of a displaced chicana in 1836 texas the writing is sharp and clever the dialogue is realistic lambda literary lambda award finalist filled with lush beauty harshness and horrifying brutality this is one of those books in which you just know what s going to happen at the end but you re wrong the gay lesbian review

## Blood Memory *2023-10-10*

the epic story of the buffalo in america from prehistoric times to today a moving and beautifully illustrated work of natural history the american buffalo our nation s official mammal is an improbable shaggy beast that has found itself at the center of many of our most mythic and sometimes heartbreaking tales the largest land animals in the western hemisphere they are survivors of a mass extinction that erased ancient species that were even larger for nearly 10 000 years they evolved

alongside native people who weaved them into every aspect of daily life relied on them for food clothing and shelter and revered them as equals newcomers to the continent found the buffalo fascinating at first but in time they came to consider them a hindrance to a young nation's expansion and in the space of only a decade they were slaughtered by the millions for their hides with their carcasses left to rot on the prairies then teetering on the brink of disappearing from the face of the earth they would be rescued by a motley collection of americans each of them driven by different and sometimes competing impulses this is the rich and complicated story of a young republic's heedless rush to conquer a continent but also of the dawn of the conservation era a story of america at its very best and worst

Colonial legacies in Chicana/o literature and culture exposes the ways in which colonialism is expressed in the literary and cultural production of the U.S. Southwest a region that has experienced at least two distinct colonial periods since the sixteenth century Vanessa Fonseca Chávez traces how Spanish colonial texts reflect the motivation for colonial domination she argues that layers of U.S. colonialism complicate how Chicana/o literary scholars think about Chicana/o literary and cultural production she brings into view the experiences of Chicana/o communities that have long standing ties to the U.S. Southwest but whose cultural heritage is tied through colonialism to multiple nations including Spain Mexico and the United States while the legacies of Chicana/o literature simultaneously uphold and challenge colonial constructs the metaphor of the kaleidoscope makes visible the rupturing of these colonial fragments via political and social urgencies this book challenges readers to

consider the possibilities of shifting our perspectives to reflect on stories told and untold and to advocate for the inclusion of fragmented and peripheral pieces within the kaleidoscope for more complex understandings of individual and collective subjectivities this book is intended for readers interested in how colonial legacies are performed in the u s southwest particularly in the context of new mexico texas and arizona readers will relate to the book s personal narrative thread that provides a path to understanding fragmented identities
