principles that can enable us to move from potential to fulfillment of purpose what are the basic principles of the gospel that cannot be taken from christ s gospel and make the gospel not the gospel that is a very important question to answer for on a very basic level what people believe in will determine where they will spend eternity the gospel of jesus christ is bound up in eternal realities that cannot be undone after death if people get the gospel wrong do you believe the gospel this work sets down and summarizes the sum and substance of the gospel of jesus christ what is the sum and substance of the gospel how would you summarize it is it simply john 3 16 is it what the penitent thief said to jesus on the cross what is the scriptural data that shows forth enough of the gospel of jesus christ to make it truly christ s gospel mcMahon answers this question by drawing mainly from the book of isaiah the gospel in its sum and substance or the way god was in christ reconciling the world to himself actually contains a great amount of information the bible is a very big book however in distilling the gospel down to its essentials he covers the five principles of the gospel principle 1 god exists principle 2 that god is man s maker and has made humankind in his image principle 3 the bad news that all men have sinned in adam and are under the curse of god principle 4 god has not left all sinners to perish under adam s curse but has given sinners the righteousness of jesus christ as a garment to cover them principle 5 god calls and draws thirsty sinners to himself through jesus christ freely his five main texts from isaiah are 40 9 54 5 24 5 6 61 10 and 55 1 3 a study guide and a teacher s manual gospel principles was written both as a personal study guide and experience or the basis for a topical study the principles of jesus gets back to the basics of biblical christianity by studying fifty two principles jesus taught about such topics as the holy spirit god s will the virtuous life family society church politics poverty and the ideal society although little known this book actually laid the christian foundation long ago for today s twelve step programs if you are looking for a fresh start the principles of jesus will be an excellent guide to get you going how many christians come to christ and never get the foundational teachings of jesus christ too many and like the foundations of a house this should happen right at the beginning of the process is it any wonder many struggle to stand when their feet are planted on the spiritual sands of rhetoric and emotion when businesses and governments find things are becoming too complex what do they say usually they say they need to get back to basics the basics are the key principles that sit beneath all human endeavors and they must be solidly grounded or else the business enterprise and even governments will struggle and fall apart you cannot build a house unless there is a solid foundation likewise you cannot build a christian unless the spiritual foundations are strong how many christians suffer how many fall down or fall away how many struggle with their faith especially in the early years when their faith is put to the test again too many and most of them suffer because their foundations are not strong enough to withstand the storms of life the six foundations this book aims to address this lack first it identifies what the bible defines as the six foundations of jesus christ not what some preachers wrongly state and second this book provides insights from the bible on how to use and build on these foundations the lord jesus said to the apostles that he would give them the keys to the kingdom of heaven these six foundations form the basis of those keys when these foundations are in place and working effectively a christian can withstand any storm or opposition that comes against them today as we walk with jesus christ we need to get back to basics these six foundations are the basic teachings all christians must learn understand and hold fast as they walk in this world table of contents part 1 confession of faith in god the father 1 god the father 2 god s name 3 the apostles creed and its blessings of faith 4 who are the apostles 5 qualifications and duties of the apostles 6 do jews believe in god as the father of creation 7 i believe in john 1 12 13 communion of saints 19 faith in the forgiveness of sins 1 john 1 9 20 faith in the resurrection of the body 21 faith in the everlasting life for those of us who believe in god the faith and beliefs of the apostles provide us with important spiritual lessons their faith becomes a cherished treasure in our hearts for they believed in the gospel that holds the righteousness of god therefore we all need to have such faith urgently anyone who believes in jesus must know the righteousness of god and believe in it and he must spread it throughout the world for only then can all others also come to know this righteousness and believe in it and through the word of god all sinners must learn about his righteousness and they must believe for this is how they can take the righteousness of god by faith without the faith that allows one to attain god s righteousness from his word no one can accept the lord as his savior we must now return to the true faith that knows and believes in the righteousness of god for only those who believe in this righteousness of god can become his royal priests the royal priests here refer to those who have received the remission of their sins by believing in god s righteousness we can become true believers who have this true faith only by believing in god s righteousness and becoming his righteous people it is more than possible for all of us

to have the same faith that the apostles had the new life mission [bjnewlife.org](http://bjnewlife.org) in a time that i needed god he was always there starting from the time that i was around three years old i would stand at the window when the storms came and pray for safety for my family god never failed me there have been many trials and sorrows in my life but god already had chosen a plan for me and it would be carried out god is a god of promises and he always keeps his promise john 3 16 at the age of eleven i started to go to the library where i taught myself to read from beginners books it was then that i realized what god truly wanted from me he wanted me to be able to read the bible his word and carry a message of hope love and peace to as many as possible i was to tell about the savior jesus christ who came died on a cross and was resurrected for the sins of all people i want the world to know jesus perfect and forever without the direction of the lord this book would never have been possible all of the glory goes to him remember to go forward with bold confidence and take what jesus is waiting to give you peace love joy and eternal life this text poses the question what is theology and goes on to discuss issues of methodology the relation of theology to other disciplines and different theological perspectives it also investigates topics in the fields of philosophical theology human existence revelation the language of theology and christianity and other religions symbolic theology triune god doctrines of creation the problem of evil and suffering the person of jesus christ and eschatology and applied theology the church ministry and mission word and the sacraments worship and prayer and ethics this book covers two crucial matters the believers most well known and best loved preachers of our day it is a popular practical study of matthew 5 7 many modern stories help readers understand and apply the principles of jesus sermon on the mount amazon com lord please continue to have mercy on humanity you have made provisions for everything we need in this world and the world to come yet many people although desire good life are suffering some are confused others are desperate families are broken down our nation is struggling to cope many people are lost in spiritual matters and sin in this book the author s main argument is that god in his unfailing love for humanity has already provided what people are frantically seeking in life what people need to do is to turn to the holy scriptures for guidance this book can be of such help you see when life is calm our foundations don t seem to matter but when crisis come our foundations are tested in this book the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation jesus describes god s principles as a solid foundation for people to build their lives on we are strangers in this world therefore we need someone who knows the journey of life to guide us god is the creator of this world and he alone knows the in and out of this world his principles provide guidance for a perfect life the attempts by some groups of people to suppress the knowledge of god in the society have not been very helpful in many ways although they could not succeed for example these people could not provide the society with any viable alternative guiding principles on how people should live their lives this has led many people to turn to wrong sources for guidance sometimes with very little success or no success at all leading to a life of despair hopelessness and failure because of this suppression of god s word there seems to be famine in our society famine of truth famine of the word of god there is also darkness in our society many people are confused and some do not know what to do with their lives but the word of god is light its gives understanding it gives hope it provides guidance on spiritual matters the salvation of the human soul and solutions to all our problems sometimes life is easier and beautiful if you know what to do in any situation you find yourself many people desire a good family life peace joy hope self discipline strength encouragement a connection with a higher being that transcends human existence and meaning to life in their spiritual quest as you read this book know that i am praying for you for all these blessings in jesus name amen anthony bright atwam according to scripture the church is the salt and the light of this world but the church seems to

have locked the resources god has given her to be given to the world in the room and has put the keys in her pocket while the world is suffering one of the things the church needs to do is to start to unpack and release the resources god has given her to meet the needs of postmodern spiritual quest anthony bright atwam excerpt from jesus principles of living jesus worked and taught with these ends ever in view he aimed to do a practical work the political and social conditions of the roman world during the first christian century were strikingly like those of to day humanity felt its unity and at the same time was dissatisfied with its inherited ideas and institutions a yearning for social justice for brother hood and for spiritual satisfaction filled the hearts of men in satisfying the longings of his own day by laying down principles of living that are universal jesus met in a unique way the similar needs of the present age his teachings are so many sided that no one interpreter can do them full justice the aim in this volume has been to interpret the teachings of jesus frankly simply and constructively in the light of modern conditions and to make clear the trail that jesus blazed by which each man may find the larger life in union and co operation with the eternal source of all life above all the endeavor throughout has been to formulate the vital questions that now confront the citizens of every country and to help them in the light of jesus principles of living to think them through and to reach a true and practical solution about the publisher forgotten books are fellowships of like minded believers in jesus christ meeting together in autonomous groups of 2 3 or more on a weekly basis on easter sunday the world is shocked to see a tv rebroadcast of a cataclysmic event that has just occurred in a huge glass topped church in the mountains of north carolina a man who looks exactly like jesus appears and seems to calm an incredibly violent wind and lightning storm and is proclaimed a returned jesus it s a miracle jesus has returned as a flesh and blood man the christian world is in total shock and joy five months earlier the man peter blake a famous young architect is falsely accused of the murder of two employees of the hugo company the contractor building a huge museum that he had designed near new york city in order to prove his innocence he has to escape to his secret camp in north carolina with the help of his attorney sofie sonenberg but is soon pursued in his helicopter by boris karpinski the hugo company employee appointed to find and capture peter peter and sofie fall in love during this whole ordeal during the 40 days the man they call jesus peter blake says that he will be here he must remain mostly in hiding and is still being pursued by police paparazzi boris karpinski and now of course millions of devout christians he manages to get to washington d c and confides in the president harriet o brien who assists in his plans to present each of his 7 principles in different places every week during the 40 days an ancient secret international society the sola scriptura society believes that he is the antichrist and that he is violating some biblical traditions that they are sworn to uphold and they decide they must eliminate the antichrist the man they call jesus and boris karpinski finally met in a violent bittersweet ending at the conclusion of the 40 days it is a tragedy for sofie as well disclaimer if you are a strong believer in the teachings that jesus could only return as strictly interpreted in certain biblical passages and that if he did return he would primarily quote the bible then this may not be the book for you and you may not want to purchase or read it the author fully respects your right to believe that and of course you may be right who knows this is a religious fiction thriller genre with a romantic twist and although it may sound convincing when you read it it is not intended as a prediction of how or if jesus might actually return or what he would say if he did return and the 7 principles that are presented are solely the opinion of the author john macarthur has an answer for those finding the christian life too complicated their zeal diminished their relationship with jesus grown cold and predictable awardwinning author and respected pastor teacher john macarthur reminds us in a simple christianity that what s been lost can be found and tells us how this practical tool can help readers restore the fire and conviction of their first love for christ by helping them to better understand his character his glory and his love for them macarthur counsels all who want more love for christ to pursue him by making christ their focus each day foundations of the bible what is a principle a principle is a fundamental truth or proposition that serves as the foundation for a system of belief or behavior or for a chain of reasoning for this book it is the basic principles of wealth what is a foundation it is a basis for the structure that supports the principles without the foundation the principles cannot stand this is not a book about a get rich quick scheme this is not a book requesting donations and offerings like some of the prosperity preacher programs on television this is a book created to help people build wealth god s way not the world s way real wealth is not income living within your means is not wealth just barely getting by is not wealth wealth is not linked to hard work alone god is our creator and as our creator he is the creator of real wealth everything else is counterfeit fake and short lived real sustainable wealth is created over time god has to make sure that you are mature enough to handle the wealth he wants you to have as a second distinction this book includes daily prayers and decrees job 22 28 kjv says you shall decree a thing and it shall be established for you and the light will shine upon thy ways what is a decree according to dictionary com the definition of decree includes a formal and authoritative order especially having the force of law a judicial decision or order google s definition includes a mandate proclamation edict command an official order issued by a legal authority other definitions include to state emphatically to show reveal or manifest and to declare one s position in a controversy the word established means to set up on a firm or permanent basis to achieve permanent acceptance or recognition for to sow and reveal to be true based on the facts any person who makes a decree must be in a position of power and authority as christians in christ luke 10 19 reminds us that jesus gave us all authority to trample on snakes and scorpions and over all the power of the evil one so that nothing will harm us scripture also reminds us in matthew 16 19 that jesus has given us the keys to the kingdom of heaven and whatever we bind on earth will be bound in heaven and whatever we loose on earth will be loosed in heaven when we pray in his name there are many other verses on spiritual authority proverbs 18 21 death and life are in the power of

the tongue and those that love it will eat its fruit just as god spoke everything into existence we as his children have a powerful weapon in our words we can declare blessings or curses upon our lives and others we can also cancel out our prayers in moments of doubt stress anxiety and conflict by complaining and thinking speaking about what we can or cannot handle on the morning of july 13 2016 i was awakened to a male voice saying death and life are in the power of the tongue and i knew that it was god speaking to me yes i have heard god s voice more than once and not just in dreams since that day i have been decreeing what i want to happen in my life on a daily basis as a final distinction i share some of my personal testimony and decrees as a bonus which i hope will help confirm to you that the word of god is alive and real today hebrews 4 12 for the word of god is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart

## **The Relationship Principles of Jesus 1977**

how many christians come to christ and never get the foundational teachings of jesus christ too many and like the foundations of a house this should happen right at the beginning of the process is it any wonder many struggle to stand when their feet are planted on the spiritual sands of rhetoric and emotion when businesses and governments find things are becoming too complex what do they say usually they say they need to get back to basics the basics are the key principles that sit beneath all human endeavors and they must be solidly grounded or else the business enterprise and even governments will struggle and fall apart you cannot build a house unless there is a solid foundation likewise you cannot build a christian unless the spiritual foundations are strong how many christians suffer how many fall down or fall away how many struggle with their faith especially in the early years when their faith is put to the test again too many and most of them suffer because their foundations are not strong enough to withstand the storms of life the six foundations this book aims to address this lack first it identifies what the bible defines as the six foundations of jesus christ not what some preachers wrongly state and second this book provides insights from the bible on how to use and build on these foundations the lord jesus said to the apostles that he would give them the keys to the kingdom of heaven these six foundations form the basis of those keys when these foundations are in place and working effectively a christian can withstand any storm or opposition that comes against them today as we walk with jesus christ we need to get back to basics these six foundations are the basic teachings all christians must learn understand and hold fast as they walk in this world

lord please continue to have mercy on humanity you have made provisions for everything we need in this world and the world to come yet many people although desire good life are suffering some are confused others are desperate families are broken down our nation is struggling to cope many people are lost in spiritual matters and sin in this book the author's main argument is that god in his unfailing love for humanity has already provided what people are frantically seeking in life what people need to do is to turn to the holy scriptures for guidance this book can be of such help you see when life is calm our foundations don't seem to matter but when crisis comes our foundations are tested in this book the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation jesus describes god's principles as a solid foundation for people to build their lives on we are strangers in this world therefore we need someone who knows the journey of life to guide us god is the creator of this world and he alone knows the in and out of this world his principles provide guidance for a perfect life the attempts by some groups of people to suppress the knowledge of god in the society have not been very helpful in many ways although they could not succeed for example these people could not provide the society with any viable alternative guiding principles on how people should live their lives this has led many people to turn to wrong sources for guidance sometimes with very little success or no success at all leading to a life of despair hopelessness and failure because of this suppression of god's word there seems to be famine in our society famine of truth famine of the word of god there is also darkness in our society many people are confused and some do not know what to do with their lives but the word of god is light it gives understanding it gives hope it provides guidance on spiritual matters the salvation of the human soul and solutions to all our problems sometimes life is easier and beautiful if you know what to do in any situation you find yourself many people desire a good family life peace joy hope self discipline strength encouragement a connection with a higher being that transcends human existence and meaning to life in their spiritual quest as you read this book know that i am praying for you for all these blessings in jesus name amen anthony bright atwam according to scripture the church is the salt and the light of this world but the church seems to have locked the resources god has given her to be given to the world in the room and has put the keys in her pocket while the world is suffering one of the things the church needs to do is to start to unpack and release the resources god has given her to meet the needs of postmodern spiritual quest anthony bright atwam

## **Basic Principles for the Practice of the Church Life 2002**

what distinguishes this book from other books written about wealth first of all this book is grounded in the principles and foundations of the bible what is a principle a principle is a fundamental truth or proposition that serves as the foundation for a system of belief or behavior or for a chain of reasoning for this book it is the basic principles of wealth what is a foundation it is a basis for the structure that supports the principles without the foundation the principles cannot stand this is not a book about a get rich quick scheme this is not a book requesting donations and offerings like some of the prosperity preacher programs on television this is a book created to help people build wealth god s way not the world s way real wealth is not income living within your means is not wealth just barely getting by is not wealth wealth is not linked to hard work alone god is our creator and as our creator he is the creator of real wealth everything else is counterfeit fake and short lived real sustainable wealth is created over time god has to make sure that you are mature enough to handle the wealth he wants you to have as a second distinction this book includes daily prayers and decrees job 22 28 kjv says you shall decree a thing and it shall be established for you and the light will shine upon thy ways what is a decree according to dictionary com the definition of decree includes a formal and authoritative order especially having the force of law a judicial decision or order google s definition includes a mandate proclamation edict command an official order issued by a legal authority other definitions include to state emphatically to show reveal or manifest and to declare one s position in a controversy the word established means to set up on a firm or permanent basis to achieve permanent acceptance or recognition for to sow and reveal to be true based on the facts any person who makes a decree must be in a position of power and authority as christians in christ luke 10 19 reminds us that jesus gave us all authority to trample on snakes and scorpions and over all the power of the evil one so that nothing will harm us scripture also reminds us in matthew 16 19 that jesus has given us the keys to the kingdom of heaven and whatever we bind on earth will be bound in heaven and whatever we loose on earth will be loosed in heaven when we pray in his name there are many other verses on spiritual authority proverbs 18 21 death and life are in the power of the tongue and those that love it will eat its fruit just as god spoke everything into existence we as his children have a powerful weapon in our words we can declare blessings or curses upon our lives and others we can also cancel out our prayers in moments of doubt stress anxiety and conflict by complaining and thinking speaking about what we can or cannot handle on the morning of july 13 2016 i was awakened to a male voice saying death and life are in the power of the tongue and i knew that it was god speaking to me yes i have heard god s voice more than once and not just in dreams since

that day i have been decreeing what i want to happen in my life on a daily basis as a final distinction i share some of my personal testimony and decrees as a bonus which i hope will help confirm to you that the word of god is alive and real today hebrews 4 12 for the word of god is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart
