Manhattan D. A. 's Police Squad

2017-07-10

the story of the manhattan district attorney s police squad began in 1934 with a runaway grand jury the jury had publicly complained that the district attorney william c dodge wasn t doing enough to keep the streets safe from organized crime governor herbert h lehman appointed tom dewey as special prosecutor for manhattan under tom dewey and later frank hogan robert morganthau and cyrus vance the da targeted the mobsters who were ruining the city in this fascinating history former new york city detective sergeant bob nicholson shares case studies from his own time

with the district attorney and removes the mystique of the new york city mafia he explains exactly how mobsters exert control over certain industries and city systems he also shares the surprising history of the animosity between the manhattan da and the fbi j edgar hoover himself objected to the efficiency of the office and may have committed a federal crime to keep new york mobsters safe from the long arm of the law despite fbi interference the da set its sights on mob bosses charles lucky luciano and meyer lansky as well as other famous names as nicholson s work shows to the da no one is above the law

Miami Police Squad

detective superintendent michael hames served in the metropolitan police for 32 years his book focuses on his years as head of scotland yard s obscene publications branch also known as the dirty squad which dealt with pornography and became increasingly involved with child sexual abuse

Annual Report on the Police Department of the City of Boston, by the City Marshal

1897

general esdeath assembles a special police squad called the jaegers and sets her sights on the annihilation of night raid in the name of the emperor meanwhile tatsumi desperate to overcome the loss of another ally decides to participate in a grand fighting tournament engineered by esdeath herself

The Dirty Squad

2000

starting in the 1930s urban police forces from new york city to montreal to vancouver established youth squads and crime prevention programs dramatically changing the nature of contact between cops and kids gone was the beat officer who scared children and threatened youth instead a new breed of officer emerged whose intentions were explicit befriend the rising generation good intentions however produced paradoxical results in youth squad tamara gene myers chronicles the development of youth consciousness among north american police departments myers shows that a new comprehensive strategy for crime prevention was predicated on the idea that criminals are not born but made by their cultural environments pinpointing the origin of this paradigmatic shift to a period of optimism about the ability of

police to protect children she explains how by the middle of the twentieth century police forces had intensified their presence in children s lives through juvenile curfew laws police athletic leagues traffic safety and anti corruption campaigns and school programs the book describes the ways that seemingly altruistic efforts to integrate working class youth into society evolved into pervasive supervision and surveillance normalizing the police presence in children s lives at the intersection of juvenile justice policing and childhood history youth squad reveals how the overpolicing of young people today is rooted in well meaning but misguided schemes of the mid twentieth century

Reports of the Board of Police, in the Fire Department, to the Common Council of the City of Chicago

1877

raymond is remembered by historians today for surviving a bomb placed in his automobile by a secret squad of the los angeles police department after the bombing newspapers across the country ran photographs showing him stalwartly smoking a cigarette while doctors removed shrapnel from his legs this brazen attempt on his life would transform los angeles leading to the recall of the mayor the termination of many los angeles police department leaders and the imprisonment of members of a secret lapd police squad the assassination attempt would also fuel the growth of las vegas to where many la underworld figures migrated afterward for some harry raymond would go down in los angeles history as a modern knight in the story of the city s

corrupt days a real life philip marlowe others looking back at his previous career regarded him as the kind of cop marlowe hated brutal and unscrupulous although raymond often worked for the lapd as a special investigator he also associated with leading underworld figures of the twenties and thirties although it was never clear which side he was on there was no doubt that he knew a lot about what was wrong with los angeles and almost paid the ultimate price for his knowledge while my book focuses mainly on raymond s career its backdrop is la s growth in the first decades of the twentieth century it not only tells raymond s story for the first time but also recounts the history of la s criminal underworld in the pre war era it should appeal both to the general public and scholars interested in the history of los angeles in the first part of the twentieth century

when the second world war ended england was bombed out and starving with practically every saleable commodity rationed it was the age of austerity and criminal

opportunity thieves broke into warehouses hijacked trucks and ransacked rail yards to feed the black market others stole recycled or forged ration coupons scotland yard was 6 000 men under strength but something dramatic had to be done and it was four of the yard s best informed detectives were summoned to form the special duties squad and were told go out into the underworld gather your informants do whatever is necessary to ensure that the gangs are smashed up we will never ask you to divulge your sources of information but remember you must succeed they did divisional detective inspector jack capstick a brilliant thief taker and informant runner detective inspector henry clark who knew the south london villains as few other detectives did and in addition possessed a punch like the kick of a mule and detective sergeants matt brinnand and john gosling who topped the flying squad wartime arrests both individually and collectively in under four years they arrested 789 criminals solved 1 506 cases and recovered stolen property valued at 250 000 or 10 million by today s standards with the aid of their informants undercover officers and their own unsurpassed ability the special duties squad was a one off how the four officers accomplished their task is divulged in this thrilling book using hitherto unseen official documents and conversations from people who were there

Youth Squad

2019-10-24

somewhere in the teeming heart of london is a man on a lethal mission his cause a long overdue lesson on the importance of manners when a man gives a public tongue

lashing to a misbehaving child or a parking lot attendant is rude to a series of customers the manners killer makes sure that the next thing either sees is the beginning of his own grisly end when he starts mailing letters to the southeast london police squad he ll soon find out just how bad a man s manners can get the southeast is dominated by the perpetual sneer of one inspector brant and while he might or might not agree with the killer s cause and can even forgive his tactics to some degree brant is just ornery enough to employ his trademark brand of amoral borderline criminal policing to the hunt for the manners killer for if there s one thing that drives the incomparable inspector it s the unshakeable conviction that if anyone is going to be getting away with murder on his patch it ll be brant himself thank you very much ken bruen s calibre is original and astonishing hard boiled noir

Annual Report of the Chief of Police

1983

marty is a professional bus shuttle driver and has been driving for many years his occupation is one that puts him up front and personal with a special sector of our society bus passengers over the years he has accumulated an assortment of short stories while driving a city transit bus he wishes to share these stories with you many of these stories are serious while others are mind boggling hilarious or just make you say oh my gosh what were they thinking he has written this book using the following parameters there are no swear words in this book he doesnt need to use profanity to get his point across he does not identify any ethnic backgrounds of the

people in his stories marty wants people to view people without prejudice and bias and lastly he was honest and told the truth to the best of his ability by doing this he has found out that people dont like the truth and will go to extremes to avoid it martys writings are unique because he writes like he talks he does this so that he can relate to anybody who has ever told a story the stories that he tells are inspirational motivational and humorous he has become a master story teller and shares his stories with all who will listen so get on board put your fare in the box grab a seat and be prepared for the ride of your life hey i m marty i drive the bus book i is currently being sold worldwide
