bestselling author of the magical cats mysteries fabric shop owner polyester monroe can get tangled up in textiles but it s murder that really throws her for a loop in the third material witness mystery the time has come for the annual miss tangorli beauty pageant and polyester monroe has agreed to use her fabric store s inventory of shimmering silks to create gowns fit for a crown but when the man who revived the city s citrus trade with his imported tangorli tree is found dead days before the pageant contestants are announced something sour takes over the town to make matters worse poly s closest friend is caught up in the crime having been seen in the company of the case s prime suspect juicy secrets come to light creating tension in the small california town now while poly juggles seamstresses and a gaggle of pageant contestants the killer seems intent to put the squeeze someone she loves with delightfully engaging characters and riveting mystery it is a series i am looking to see more of open book society followers and newcomers to nhat hanh s teaching alike will find this collection inspiring for everyday practice and for social engagement in the world publishers weekly this collection of autobiographical and teaching stories from peace activist and zen master thich nhat hanh is thought provoking inspiring and enjoyable to read collected here for the first time these stories span the author s life there are stories from thich nhat hanh s childhood and the traditions of rural vietnam there are stories from his years as a teenaged novice as a young teacher and writer in war torn vietnam and of his travels around the world to teach mindfulness make pilgrimages to sacred sites and influence world leaders the tradition of teaching the dharma through stories goes back at least to the time of the buddha like the buddha thich nhat hanh uses story telling to engage people s interest so he can share important teachings insights and life lessons in 17 bce the han dynasty archivist liu xiang presented to the throne a collection of some seven hundred items of varying length mostly quasi historical anecdotes and narratives that he deemed essential reading for wise leadership garden of eloquence shuoyuan divided into twenty books grouped by theme follows a tradition of narrative writing on historical and philosophical themes that began seven centuries earlier long popular in china as a source of allusions and quotations it preserves late western han views concerning history politics and ethics many of its anecdotes are attributed to confucius s speeches and teachings that do not appear in earlier texts demonstrating that long after confucius s death in 479 bce it was still possible for new historical narratives to be created garden of eloquence is valuable as a repository of items that originally appeared in other early collections that are no longer extant and it provides detail on topics as various as astronomy and astrology yin yang theory and quasi geographical and mystical categories eric henry s unabridged translation with facing chinese text and extensive annotation will make this important primary source available for the first time to anglophone world historians growing up in birmingham alabama a city that he loved jonathan foster was forced to come to grips with its reputation for racial violence in so doing he began to question how other cities dealt with similar kinds of stigmas that resulted from behavior and events that fell outside accepted norms he wanted to know how such stigmas changed over time and how they affected a city s reputation and residents those questions led to this examination of the role of stigma and history in three very different cities birmingham san francisco and las vegas in the era of civil rights birmingham became known as bombingham a place of constant reactionary and racist violence las vegas emerged as the nation s most recognizable sin city and san francisco s tolerance of homosexuality made it the perceived capital of gay america stigma cites shows how cultural and political trends influenced perceptions of disrepute in these cities and how in turn their status as sites of vice and violence influenced development decisions from birmingham s efforts to shed its reputation as racist to san francisco s transformation of its stigma into a point of pride to las vegas s use of gambling to promote tourism and economic growth the first work to investigate the important effects of stigmatized identities on urban places foster s innovative study suggests that reputation no less than physical and economic forces explains how cities develop and why an absorbing work of history and urban sociology the book illuminates the significance of perceptions in shaping metropolitan history this classic cook book contains a wonderful collection of recipes for producing delicious and easy to produce entrées written in simple clear language and full of invaluable expert tips recherché entrées would make for a worthy addition to culinary collections and is not to be missed by collectors of vintage cook books charles herman senn 1862 1934 was a german writer of cookery books he wrote profusely on the subject producing cook books for all manner of people and situations but was particularly well known for his vegetarian and confectionery recipes other notable works by this author include breakfast

and supper dishes 1898 a book of salads the art of salad dressing 1922 and british red cross society cookery manual 1915 contents include hot sweets cold sweets ices and how to make them gateaux and pastry auxiliary recipes sweet sauces hot and cold etc the vintage cookery books series hopes to bring old wisdom and classic techniques back to life as we have so much to learn from the old ways of cooking not only can these books provide a fascinating window into past societies cultures and every day life but they also let us actively delve into our own history with a taste of what how and when people ate drank and socialised tracing the exchange of ideas among history s key philosophers the great conversation a historical introduction to philosophy ninth edition provides a generous selection of excerpts from major philosophical works and makes them more easily understandable to students with lucid and engaging explanations extensive cross referencing shows students how philosophers respond appreciatively or critically to the thoughts of other philosophers a brilliant investigation of globalization the most significant socioeconomic trend in the world today and how it is affecting everything we do economically politically and culturally abroad and at home as foreign affairs columnist for the new york times thomas l friedman crisscrosses the globe talking with the world s economic and political leaders and reporting as only he can on what he sees now he has used his years of experience as a reporter and columnist to produce a pithy trenchant riveting look at the worldwide market forces that are driving today s economies and how they are playing out both internationally and locally globalization is the technologically driven expression of free market capitalism and as such is essentially an american creation it has irrevocably changed the way business is done and has raised living standards throughout the world but powerful local forces of religion race ethnicity and cultural identity are in competition with technology for the hearts and minds of their societies finding the proper balance between the lexus and the olive tree is the great game of globalization and the ultimate theme of friedman s challenging provocative book essential reading for all who care about how the world really works more than 20 inspired quilting and sewing patterns as a generation of mostly self taught creative women takes to the world of fabric quilting and sewing are joining forces in a way that they never have before long time quilters committed to their craft for decades are starting to experiment with a bit of home sewing or simple sewing for their grandchildren the younger side of the sewing community is embracing the world of patchwork and quilting a world that once seemed inaccessible or even undesirable to younger seamstresses with fabric thread seamlessly bridges the language and intimidation gap between these two crafts and delivers a unique collection of projects that appeal to sewers and quilters alike featuring 20 new projects with fabric thread marries the nomenclature of both sewing and quilting to create an effortless set of instructions that anyone can follow plus a special section features six patterns that can be accomplished two different ways one using sewing techniques and one using quilting techniques the result is two unique looks from a single pattern provides an excellent stepping off point for sewers learning to quilt and quilters learning to sew chic projects well styled photos and modern illustrations speak to this increasingly unified audience good basic understandable instructions if you re a quilter experimenting with sewing or vice versa the beautiful designs in with fabric thread give you everything you need to bring these two crafts together to make unique and inspired projects the publication of edward said s orientalism in 1978 marks the inception of orientalism as a discourse since then orientalism has remained highly polemical and has become a widely employed epistemological tool three decades on this volume sets out to survey analyse and revisit the state of the orientalist debate both past and present the leitmotiv of this book is its emphasis on an intimate connection between art land and voyage orientalist art of all kinds frequently derives from a consideration of the land which is encountered on a voyage or pilgrimage a relationship which until now has received little attention through adopting a thematic and prosopographical approach and attempting to locate the fundamentals of the debate in the historical and cultural contexts in which they arose this book brings together a diversity of opinions analyses and arguments enter the world of septimus heap wizard apprentice magyk is his destiny when silas heap unseals a forgotten room in the palace he releases the ghost of a queen who lived five hundred years earlier queen etheldredda is as awful in death as she was in life and she s still up to no good her diabolical plan to give herself ever lasting life requires jenna s compliance septimus s disappearance and the talents of her son marcellus pye a famous alchemist and physician and if queen etheldredda s plot involves jenna and septimus then dark adventure awaits with heart stopping action and magykal wit angie sage continues the fantastical journey of septimus heap half an arch is the compelling autobiography of one of the most distinctive english writers of the late twentieth century jonathan gathorne hardy in the rise and fall of the english nanny the public school phenomenon and doctors gathorne hardy explored three apparently familiar institutions with unprecedented originality and depth now the biographer of writer and adventurer gerald brenan and american sexologist alfred kinsey brings the same rigour perception and sensitivity to bear on the story of his own life as he chronicles vividly but without sentimentality the brutal decline in the fortunes of the clever and colourful gathorne hardy family in the aftermath of two world wars the last godfathers charts the spectacular rise and
