the mystical the mysterious and the macabre have attracted and repelled people from the beginnings of the  
 human race there was a time when witches were hunted and burned at stakes and people who were thought  
 to be possessed by demons were shunned or stoned but in our time the aquarian 70s there has been a dramatic  
 shift in attitude toward those who experience the occult world or are in some way spiritually different maxine  
 believes she was alive in rome during the time of julius caesar and that one day in the forum she killed her  
 husband ronald speaks in tongues as a higher form of praying calamandro kuboosh haykya lisa a witch says  
 there are doctors and businessmen and scientists and people from every walk of life who belong to covens mrs  
 faber talks through automatic writing to her deceased husband who has been to other planets spiritualists  
 revivalists astrologers and exorcists were all challenges to veteran reporter robert t smith mr smith s 25 years  
 of journalistic experiences have taught him to be skeptical during his numerous interviews there were events  
 that he said couldn t be explained naturally one reviewer reported cult occult is like a catalog covering all of  
 the unexplainable mystical and spiritual experiences you ve heard about in a lifetime believers will find in it  
 an affirmation of what they already believe others will be fascinated by the diversity cult occult is a revealing  
 book it includes true reports about individuals following paths toward religious rituals the stars god the devil  
 peace with nature and the open door to the unknown back cover

just think of it as a bad haircut hubert watched the surgeon hold up a sterile bag of circumcision tools a week from now you won t feel a thing for geeky teenager hubert pubes rawlings his new job as a shopping center food court cleaner is one thing but a picture with the hot cleaning crew exposing him as the only cleaner who s uncut is too much too fast when his obscure mother stresses over his nightly dream adventures then catches his father in a single handed affair she insists hubert undergo a circumcision it s all about sensitivity dear i certainly don t want you to do like daddy does meanwhile because of the picture hubert s popularity has soared his best friend will tries to convince him that it s a good thing that may be fine for will to say but for hubert it s simply not the case with the circumcision complete hubert struggles with his popularity among the food court hotties will s constant encouragement and the cleaning crew s threatening jealousy adds to his problems not to mention having to keep his secret of being circumcised at seventeen

## **House documents** *1881*

robert altman and the elaboration of hollywood storytelling reveals an altman barely glimpsed in previous critical accounts of the filmmaker this re examination of his seminal work during the hollywood renaissance or new hollywood period of the early 1970s including m a s h brewster mccloud mccabe mrs miller images the long goodbye thieves like us california split and nashville sheds new light on both the films and the filmmaker reframing altman as a complex pragmatic innovator whose work exceeds but is also grounded in the norms of classical hollywood storytelling rather than someone who rejected those norms in favor of modernist art cinema its findings and approach hold important implications for the study of cinematic authorship largely avoiding thematic exegesis it employs an historical poetics approach robust functionalist frameworks archival research and formal and statistical analysis to demystify the essential features of the standard account of altman s filmmaking history and profile lax narrative form heavy reliance on the zoom sound design replete with overlapping dialogue improvisational infidelity to the screenplay and a desire to subvert based in his time in the training grounds of industrial filmmaking and filmed television the book provides a clear example of how a

filmmaker might work collaboratively and pragmatically within and across media institutions to elaborate upon their sanctioned practices and aims we misunderstand altman s work and the creative work of hollywood filmmakers in general when we insist on describing innovation as opposition to institutional norms and on describing those norms as simply assimilating innovation
