2006-05-02

this elegantly written book describes the evolving perception and experience of the night in three great european cities paris berlin and london as joachim schlör shows the lighting up of the european city by gas and electricity in the nineteenth and early twentieth centuries brought about a new relationship with the night for both those who toiled at work and those who caroused in restaurants pubs and cafes nights in the big city explores this change and offers a stirring portrait of the secrets and mysteries a city can hold when the sun goes down sifting through countless police and church archives alongside first hand accounts schlör sets out on his own explorations with a head full of histories exploring the boulevards and side streets of these three great capitals illustrated with haunting and evocative photographs by among others bill brandt and andré kertész and filled with contemporary literary references nights in the big city is a milestone in the cultural history of the city

A Visit to Paris in 1814 ... Second Edition, Corrected, and with a New Preface Referring to Late Events.

1816

on 14 july 1789 thousands of parisians seized the bastille fortress in paris this was the most famous episode of the revolution of 1789 when huge numbers of french people across the kingdom successfully rebelled against absolute monarchy and the privileges of the nobility but the subsequent struggle over what social and political system should replace the old rgime was to divide french people and finally the whole of europe the french revolution is one of the great turning points in history it continues to fascinate us to inspire us at times to horrify us never before had the people of a large and populous country sought to remake their society on the basis of the principles of liberty and equality the drama success and tragedy of their project have attracted students to it for more than two centuries its importance and fascination for us are undiminished as we try to understand revolutions in our own times there are three key questions the book investigates first why was there a revolution in 1789 second why did the revolution continue after 1789 culminating in civil war foreign invasion and terror third what was the significance of the revolution was the french revolution a major turning point in french even world history or instead just a protracted period of violent upheaval and warfare which wrecked millions of lives this new edition of the french revolution contains revised text and new photographs this edition includes video footage of peter mcphes s interviews with professor ian germani university of regina saskatchewan canada on the role of military discipline in the french revolutionary wars dr marisa linton kingston university in london about her book choosing terror virtue friendship and authenticity in the french revolution a major study of the politics of jacobinism and professor timothy tackett university of california irvine on the origins of terror in the french revolution

We Go to Paris ... Second Edition, Revised

1960

henri lefebvre has been celebrated as one of the most influential social theorists of the twentieth century understanding henri lefebvre places lefebvre in his historical and intellectual context and analyzes the extraordinary range of his work across politics philosophy history literature and culture particular emphasis is given to lefebvre s trilogy of inspirational thinkers hegel marx and nietzsche his links to contemporaries such as heidegger axelos and the situationalists and his critiques of existentialism and structuralism analysis of his writings on cities are balanced with those on rural communities the production of space connected to ideas of time and history and everyday life linked to the festival and cultural revolution understanding henri lefebvre offers the most wide ranging and reliable account of this central theorist available
