On the Great Patriotic War of the Soviet Union 1944 a prize winning historian reveals how stalin not hitler was the animating force of world war ii in this major new history world war ii endures in the popular imagination as a heroic struggle between good and evil with villainous hitler driving its events but hitler was not in power when the conflict erupted in asia and he was certainly dead before it ended his armies did not fight in multiple theaters his empire did not span the eurasian continent and he did not inherit any of the spoils of war that central role belonged to joseph stalin the second world war was not hitler s war it was stalin s war drawing on ambitious new research in soviet european and us archives stalin s war revolutionizes our understanding of this global conflict by moving its epicenter to the east hitler s genocidal ambition may have helped unleash armageddon but as mcmeekin shows the war which emerged in europe in september 1939 was the one stalin wanted not hitler so too did the pacific war of 1941 1945 fulfill stalin s goal of unleashing a devastating war of attrition between japan and the anglo saxon capitalist powers he viewed as his ultimate adversary mcmeekin also reveals the extent to which soviet communism was rescued by the us and britain s self defeating strategic moves beginning with lend lease aid as american and british supply boards agreed almost blindly to every soviet demand stalin s war machine mcmeekin shows was substantially reliant on american materiél from warplanes tanks trucks jeeps motorcycles fuel ammunition and explosives to industrial inputs and technology transfer to the foodstuffs which fed the red army this unreciprocated american generosity gave stalin s armies the mobile striking power to conquer most of eurasia from berlin to beijing for communism a groundbreaking reassessment of the second world war stalin s war is essential reading for anyone looking to understand the current world order

Stalin's War 2021-04-20 this book documents dictator joseph stalin s brilliant tactics as well as missteps in taking preemptive actions that guaranteed ultimate victory over the german invaders it also covers the policies implemented after the war that made the soviet union a menace to world peace and led to collapse of soviet rule a detailed reexamination of historical facts indicates that stalin could deserve to be regarded as a great leader yet stalin clearly failed as his nation s leader in a post world war ii milieu where he delivered the cold war instead of rapid progress and global cooperation it is the proof of both stalin s brilliance and blunders that makes him such a fascinating figure in modern history today most of the russian population acknowledges that stalin achieved greatness the soviet dictator s honored place in history is largely due to stalin successfully attending to the soviet union s defense needs in the 1930s and 1940s and leading the ussr to victory in the war on the eastern front against nazi germany and its allies this book provides an overdue critical investigation of how the soviet leader s domestic and foreign policies actually helped produce this victory and above all how stalin s timely support of a wartime alliance with the western capitalist democracies assured the defeat of the axis powers in 1945

Assured Victory 2011-01-19 exploiting new findings from former east bloc archives and from long ignored western sources this book presents a wholly new picture of the coming of world war ii allied wartime diplomacy and the origins of the cold war the author reveals that the story widely believed by historians and western wartime leaders alike that stalin s purposes in european diplomacy from 1938 on were mainly defensive is a fantasy indeed this is one of the longest enduring products of stalin s propaganda of long term political control of archival materials and of the gullibility of western observers the author argues that stalin had concocted a plan for bringing about a general european war well before hitler launched his expansionist program for the third reich stalin expected that hitler s war when it came would lead to the internal collapse of the warring nations and that military revolts and proletarian revolutions like those of world war i would break out in the capitalist countries this scenario foresaw the embattled proletarians calling for the assistance of the red army which would sweep across europe the book further shows that the wartime disputes between stalin and his western allies originated over the postwar redistribution of the territories stalin had gained from his pact with hitler

the situation was complicated by the incautious unrestricted commitment of support to the soviet union first by churchill and then by roosevelt and wartime circumstances provided cover to obscure these diplomatic failures the early origins of the cold war described in this book differ dramatically from the usual accounts that see a sudden and surprising upwelling of cold war antagonisms late in the war or early in the postwar period

Stalin's Drive to the West, 1938-1945 1995-09-01 there can be no doubt that stalin is one of the most notorious and controversial figures in history he presents a puzzling paradox for both psychologists and sociologists he was simultaneously revered feared loved and hated during his lifetime so much has been written about the life of joseph stalin and yet upon closer inspection he still seems to present us with quite an enigma his cruelty towards his political opponents and dissidents is well known but so are his efforts to go out of his way in lifting up the most downtrodden and desperate members of soviet society giving them the chance that tsarist russia would not inside you will read about a change of weather the real revolution begins from exile to supreme leader a brave new world stalin s gambit stalin makes a comeback defending the capitol going west stalin is known as a brutish dictator who struck a bargain with hitler as if he was an old friend yet it was this same stalin who would almost singlehandedly save europe from nazi occupation who was stalin what did he really want in this book we explore the complexities and nuances of the living breathing conundrum who called himself joseph stalin

Joseph Stalin 2017-01-15 this analytical rather than chronological account of the political career of joseph stalin leader of the ussr from the mid 1920s to his death in 1952 gives an account of his rise to power and his responsibility for such events as the purges and show trials of the 1930s collectivization of agriculture and the various five year plans for the industrialization of the ussr

Joseph Stalin 1993 on june 22 1941 just less than two years after signing the nazi soviet agreements adolf hitler s german army invaded the soviet union the attack hardly came as a surprise to josef stalin in fact history has long held that stalin spent the two intervening years building up his defenses against a nazi attack with the gradual declassifying of former soviet documents though historians are learning more and more about stalin s grand plan during the years 1939 1941 longtime soviet expert albert l weeks has studied the newly released information and come to a different conclusion about the soviet union s pre war buildup it was not precaution against german invasion at all in fact weeks argues the evidence now suggests soviet mobilization was aimed at an eventual invasion of nazi germany the soviets were quietly biding their time between 1939 and 1941 allowing the capitalist powers to destroy one another all the while preparing for their own westward march stalin weeks shows wasn t waiting for a nazi attack hitler simply beat him to the punch

Stalin's Other War 2003 while joseph stalin is commonly reviled in the west as a murderous tyrant who committed egregious human rights abuses against his own people in russia he is often positively viewed as the symbol of soviet era stability and state power how can there be such a disparity in perspectives utilizing an ethnographic approach extensive interview data and critical discourse analysis this book examines the ways that the political elite in russia are able to control and manipulate historical discourse about the stalin period in order to advance their own political objectives appropriating the stalinist discourse they minimize or ignore outright crimes of the soviet period and instead focus on positive aspects of stalin s rule especially his role in leading the soviet union to victory in the second world war advancing the concepts of preventive and complex co optation this book analyzes how elites in russia inhibit the emergence of groups that espouse alternative narratives while promoting message friendly groups that are in line with the kremlin s agenda bringing the resources of the state to bear the russian elite are able to co opt multiple avenues of discourse formulation and dissemination elite sponsored discourse positions stalin as the symbol of a strong centralized state that was capable of great

achievements despite great cost enabling favorably portrayals of stalin as part of a tradition of harsh but effective rulers in russian history such as peter the great this strong state discourse is used to legitimize the return of authoritarianism in russia today

Bringing Stalin Back In 2019-10-16 reassessing the soviet response to the nazi invasion of russia the author portrays stalin as an ineffective military leader who allowed hundreds of thousands of his soldiers to be slaughtered in the first ten days of the invasion

Stalin's Folly 2005 the second world war was caused by one man adolf hitler winston churchill franklin delano roosevelt and joseph stalin were called on by history to stop this menace in this book which includes new material the background attitude and personalities of these men are explored in detail

Three Against One 2002 the figure of joseph stalin has always provoked heated and often polarized debate in this groundbreaking study leading international experts challenge many assumptions about stalin from his early life in georgia to the cold war years using recently declassified archive

Stalin 2005 on 1 october 1939 winston churchill first lord of the admiralty and soon to be the uk s wartime leader described russia as a riddle wrapped in a mystery inside an enigma the same can certainly be said of stalin how can this paradox of a man who on the one hand had once exhibited great tenderness and kindness to his daughter svetlana and on the other sent millions including members of his own family to their deaths be explained it is impossible to quantify the total number of deaths attributable to the policies of stalin but the excess mortality i e deaths over and above what would normally have been expected during the period in question gives an approximate figure in excess of 40 million however this is only part of the story of the amount of misery inflicted by the stalin regime through torture deliberate starvation neglect separation from loved ones cold and hypothermia e g in the prisons of siberia which is unquantifiable and unimaginable svetlana confessed that she would never undertake to explain what motivated all my father s actions simply because i do not possess the psychological genius of russian novelist dostoevsky who knew how to penetrate into another man s soul and examine it from within

In the Mind of Stalin 2023-05-30 best selling author winston groom tells the complex story of how franklin roosevelt winston churchill and joseph stalin the three iconic and vastly different allied leaders aligned to win world war ii and created a new world order by the end of world war ii 59 nations were arrayed against the axis powers but three great allied leaders franklin roosevelt winston churchill and joseph stalin had emerged to control the war in europe and the pacific vastly different in upbringing and political beliefs they were not always in agreement or even on good terms but often led by churchill s enduring spirit in the end these three men changed the course of history using the remarkable letters between the three world leaders enriching narrative details of their personal lives and riveting tales of battles won and lost best selling historian winston groom returns to share one of the biggest stories of the 20th century the interwoven and remarkable tale and a fascinating study of leadership styles of three world leaders who fought the largest war in history

The Allies 2018-11-13 with innovative style and thorough scholarship warlords tells the story of world war ii through the eyes and minds of its four great leaders adolf hitler franklin roosevelt winston churchill and joseph stalin while their nations battled in the field these warlords of the twentieth century waged a private war of the mind from whitehall and washington to the wolf s lair and the kremlin warlords documents their psychological battles and the attempts to outthink and outfight one another like a cinematic thriller rapidly cutting from one man to the next the narrative reveals each leader as they face history s greatest conflict and each other

Warlords 2007-04-03 roughly ten million children were victims of political repression in the soviet union during the stalinist era the sons and

daughters of peasants workers scientists physicians and political leaders considered by the regime to be dangerous to the political order ten grown victims who as children suffered banishment starvation disease anti semitism and trauma resulting from their parents condemnation and arrest now freely share their stories the result is a powerful and moving oral history that will profoundly deepen the reader s understanding of life in the u s s r under the despotic reign of joseph stalin

Silence was Salvation 2015-01-01 a chilling riveting account based on newly released russian documentation that reveals joseph stalin s true motives and the extent of his enduring commitment to expanding the soviet empire during the years in which he seemingly collaborated with franklin d roosevelt winston churchill and the capitalist west at the big three conferences of world war ii joseph stalin persuasively played the role of a great world leader whose primary concerns lay in international strategy and power politics and not communist ideology now using recently uncovered documents robert gellately conclusively shows that in fact the dictator was biding his time determined to establish communist regimes across europe and beyond his actions during those years and the poorly calculated responses to them from the west set in motion what would eventually become the cold war exciting deeply engaging and shrewdly perceptive stalin s curse is an unprecedented revelation of the sinister machinations of stalin s kremlin

Stalin's Curse 2013-12-03 based on documents from the russian archives this comprehensive study charts the tumultuous wartime relationship between soviet dictator joseph stalin and british prime minister winston churchill it highlights the secret correspondence between the two leaders records their meetings and conversations in moscow and at the tehran yalta and potsdam summits and discloses the confidential communications of stalin and his diplomats churchill and stalin has been compiled and edited by three leading russian and british historians of the second world war their narrative brings together military and political history documentary analysis and biography in an illuminating way it reveals how stalin and churchill clashed and collaborated in order to achieve victory and it demonstrates the deep personal relationship between these two great personalities as well as their profound political differences even when the grand alliance collapsed after the war they retained their respect and affection for each other other important wartime personalities also feature in the documents president roosevelt the british and soviet foreign ministers anthony eden and vyacheslav molotov ivan maisky the soviet ambassador in london and averell harriman the american ambassador in moscow this fascinating documentary record is linked by a detailed narrative and commentary on the stalin churchill relationship in the context of anglo soviet relations during the war and the politics of the grand alliance a landmark book it will appeal to all those interested in churchill and stalin and in the politics and diplomacy of the second world war

Churchill and Stalin 2019-10 the breakthrough bestseller by a german academic and longtime researcher with the german military archives that documented stalin s murderous war against the german army and the german people to today s german public based on the late joachim hoffmann s lifelong study of german and russian military records stalin s war of extermination not only reveals as never before the red army s grisly record of atrocities against soldiers and civilians but establishes beyond cavil that torture murder and rape of the captive and the helpless was official soviet policy as ordered by comrade j v stalin in detail since the 1920s stalin planned to invade western europe in order to initiate the world revolution the outbreak of war between germany and the western allies in 1939 gave stalin the opportunity to prepare an attack against europe which was unparalleled in history both in terms of stalin s far reaching goals as well as in terms of the amount of troops and armaments amassed at the soviet border of course stalin s aggressive intentions did not escape germany s notice who in turn planned a preventive strike against the red army however

the germans obviously underestimated both the strength of the red army and the determination of its leaders what unfolded in june 1941 was undoubtedly the most cruel war in history dr hoffmann s book shows in detail how stalin and his bolshevik henchman used unimaginable violence and atrocities to break any resistance in the red army and to force their unwilling soldiers to fight against the germans who were anticipated as liberators from stalinist oppression by most russians stalin ordered not only to kill all german pows but also to kill soviet soldiers who fell into german hands alive because they failed to fight to their death dr hoffmann also explains how soviet propagandists incited their soldiers to unlimited hatred against everything german and he gives the reader a short but extremely unpleasant glimpse into what happened when these soviet soldiers dehumanized by soviet propaganda and brutality finally reached german soil in 1945 a gigantic wave of looting arson rape torture and mass murder befell east germany after reading this book the world should thank the german army that they prevented stalin from succeeding with his plans of world revolution despite all the wrongdoings the germans committed themselves an indispensable book for all students of world war ii as it actually happened as well as a revisionist classic that has shaken anti german propagandists to the marrow

Stalin's War of Extermination 1941-1945: Planning, Realization and Documentation 2015 meticulously researched and vividly written eight days at yalta is a remarkable work of intense historical drama in the last winter of the second world war winston churchill franklin d roosevelt and joseph stalin arrived in the crimean resort of yalta over eight days of bargaining bombast and intermittent bonhomie they decided on the conduct of the final stages of the war against germany on how a defeated and occupied germany should be governed on the constitution of the nascent united nations and on spheres of influence in eastern europe the balkans and greece only three months later less than a week after the german surrender roosevelt was dead and churchill was writing to the new president harry s truman of an iron curtain that was now drawn down upon the soviets front diana preston chronicles eight days that created the post war world revealing roosevelt s determination to bring about the dissolution of the british empire and churchill s conviction that he and the dying president would run rings round the soviet premier but stalin monitored everything they said and made only paper concessions while his territorial ambitions would soon result in the imposition of communism throughout eastern europe

Eight Days at Yalta 2019-10-29 a comparative study of the lives and careers of hitler and stalin alternate chapters on each serve both to draw contrasts and highlight parallels the author gives his reasons for believing that the key to an understanding the character of the two is the same

Hitler and Stalin 1991 1818 83 1820 95 1847

Stalin 2010 bernie sanders bs self identifies the same way that adolf hitler self identified socialist in voluminous speeches and writings hitler glorified the identical word touted by bs as his political philosophy hitler s swastika was s letter shaped symbolism for his socialism bs proudly classifies himself in the same fashion as hitler and the world s other genocidal psychopaths bernie sanders was endorsed by alexandria ocasio cortez aoc in the 2020 presidential election and aoc actively campaigns for bs why does aoc support such an old white male she promotes him because they share the same extremist dogma how did they both become socialists aoc was heavily influenced by bs the usa s two worst national socialists were both born and raised in new york city aoc grew up during bs s years as a career politician she learned a lot about socialism and wanted to get on the dole too bs is the oldest white male who is running for nomination bs is so elderly that he could be aoc s grandfather he is 48 years older than her aoc was born a year after bs s infamous honeymoon 1988 in the ussr just as soviet socialism self destructed sanders was born in 1941 shortly after soviet socialism s partnership with german socialism soviet socialism under stalin and german socialism under hitler had joined to launch wwii destroying poland

together and going onward from there in a pact to enslave europe after german socialism was defeated soviet socialism continued as sanders grew up to ruin millions of lives and increase its record setting mass murders as a child sanders had learned about socialism from his parents and other relatives they attended government schools socialist schools in the usa where students were forced to perform the nazi salute and chant robotically to the flag each morning at the ring of a bell the pledge of allegiance to the usa s flag was the origin of the infamous stiff armed salute and other propagandistic behavior that was borrowed decades later under german socialism and under other socialists worldwide the pledge was written by an american socialist francis bellamy in order to spread socialism anyone who refused the ritual in the socialist schools was persecuted at that time the socialist schools taught racism as official policy and imposed segregation by law sanders also learned socialism from government schools that he attended and he chanted in unison each morning to the flag too although the gesture had changed to hide socialism s putrid history during sanders youth the socialist schools continued to teach racism as official policy and continued to impose segregation by law america s nazi salute was often performed by public officials in the usa from 1892 through 1942 what happened to old photographs and films of the american nazi salute performed by federal state county and local officials those photos and films are rare because people don t want to know the truth about the government s past american youth groups scouting adopted bellamy s american nazi salute with bellamy s encouragement and saluted swastika badges □ worn by fellow scouts many americans were accustomed to nazi salutes for swastikas long before german socialism and hitler youth adopted similar behavior under hitler that helps to explain another shocking revelation swastikas were promoted in the us military and worn as a patch on the upper left arm of american soldiers in a fashion that would become uniform under german socialism there are photos in this book

□□□□ 2022-12-21 at the turn of the century washington launched a series of invasions and proxy wars against all the independent peoples and states of the region in the name of creating a new middle east that offensive involved mass propoganda and the use of large proxy terrorist armies especially sectarian islamist groups armed and financed by washington and its regional allies especially saudi arabia qatar turkey and israel resistance to that regional war led to the formation of a loose regional bloc led by iran which is now forming more substantial relations with the wider counter

hegemonic blocs led by china and russia in particular the brics and the shanghai cooperation organization sco west asia after washington addresses how as washington s multiple wars for a subjugated new middle east fail the global order is shifting against the north american giant china is displacing the usa as the productive and economic center of the world and new global organizations are competing with those created by the anglo americans it is in this global context we must understand the future of the arabic and islamic countries of the middle east now often called west asia in reflection of that new orientation among other things this alliance is making real what north american intelligence has long feared and termed an iranian land bridge extending to the mediterranean in the west and as far as china in the east that land bridge between east asia and europe centers on iran the largest independent state of the region and is from a zionist perspective thought to represent the most serious long term existential threat to israel because it forms a united resistance front in support of the colonized palestinian people this book discusses the wars of hegemonic decline the roots of western fascism zionist cancel culture the kurdish card in syria the purging of christians from the new middle east the betrayal of yemen and takes us inside syrian idlib then it looks into the near future considering washington s strategic retreat the legacy of murdered iranian commander qassem soleimani and the possibilities of dismantling apartheid israel and the lifting of the siege on syria and its recovery the iranian land bridge to china iran s resistance economy regional integration and the challenge of multipolarity offer insight into the west asian region after washington

Stalin's Falcons 2003-03 embark on a captivating journey through the annals of time with our specialized guide world history tailored for history enthusiasts students and curious minds this comprehensive book unfolds the rich tapestry of human history enriched with in depth insights practical knowledge and extensive multiple choice question mcq practice this guide is designed to deepen your understanding of the events cultures and civilizations that have shaped the world we live in key features chronological exploration unravel the historical timeline from ancient civilizations to modern societies world history provides a chronological exploration of key events movements and milestones that have defined different epochs in human history cultural and civilizational insights delve into the diverse cultures and civilizations that have flourished across continents the guide offers a nuanced understanding of societal structures beliefs and contributions that have left an indelible mark on the global tapestry practical connections to the present connect historical events to contemporary issues world history provides insights into how the past continues to influence the present fostering a deeper appreciation for the interconnectedness of historical narratives mcq practice questions reinforce your understanding with a diverse array of multiple choice question practice each question is strategically designed to challenge your knowledge critical thinking skills and prepare you thoroughly for examinations and assessments in world history keyword integration seamlessly incorporate key terms and concepts throughout your learning journey world history strategically places important keywords such as ancient civilizations cultural insights chronological exploration mcq practice questions and more aligning your understanding with the language used in the study of history visual learning support enhance your comprehension with visually stimulating illustrations maps and timelines visual learners will find these aids invaluable in conceptualizing the vast scope of world history who will benefit history enthusiasts students of world history educators and researchers those interested in global affairs prepare for an enlightening exploration of world history with confidence world history is not just a guide it s your key to unlocking the narratives that have shaped our world backed by extensive mcq practice order now and embark on a historical voyage of discovery and academic excellence elevate your understanding of world events master the chronicles of human history with the ultimate guide 1 world history 3 1 1 origins of civilization prehistory 300 b c 3 1 2 the ancient middle east and egypt 3200 b c 500 b c 31 1 3 history of the middle east 43 1 4 ancient india
