of israel s magnificent king david mary the mother of jesus of nazareth was honored by the creator of the universe to be the person through whom god himself would visit his own creation no matter what you may have thought you knew before about this first century paragon of virtue and faith there s a good possibility that you ve been misinformed about her in fact chances are you ve been wrong from embellish the story so today more than twenty centuries later biblical scholar and theologian dr william welty pulls back the dusty curtain of historically inaccurate tradition and introduces you to the very human but utterly magnificent character of mary the mother of the messiah as she struggles to pass ten test questions for the world s finest woman in this analysis of every passage recorded in the new testament in which she is mentioned you ll learn why mary the mother of the rabbi from nazareth rose from literal obscurity to become one of the most pivotal figures in all of human history
