confront the demons that still haunt her and the town of cold creek gabe mccord has always blamed himself for what happened to tess he had been a teenager when she was snatched from the group of children he was responsible for watching now gabe has taken on the role of sheriff and hopes to shed new light on the cold case especially given his growing feelings for tess tess isn t ready to recall what happened to her and she has no intention of digging up any details that might remind her of the truth but when another child in the town goes missing she s certain it s related to her return to cold creek together tess and gabe will have to work to unlock their painful memories in order to save another child and heal their damaged souls for good translating for singing discusses the art and craft of translating singable lyrics a topic of interest in a wide range of fields including translation music creative writing cultural studies performance studies and semiotics previously such translation has most often been discussed by music critics many of whom had neither training nor experience in this area written by two internationally known translators the book focusses mainly on practical techniques for creating translations meant to be sung to pre existing music with suggested solutions to such linguistic problems as those associated with rhythm syllable count vocal burden rhyme repetition and sound translation theory and translations of lyrics for other purposes such as surtitles are also covered the book can serve as a primary text in courses on translating lyrics and as a reference and supplementary text for other courses and for professionals in the fields mentioned beyond academia the book is of interest to professional translators and to librettists singers conductors stage directors and audience members the only thing real about reality to is the camera fourteen year old ali caldwell s father keeps her privacy so secure none of the kids at boarding school believe she has a movie star for a mom sick of hiding in the wings all decides to orchestrate her own fame by posting videos of her and her friends on voutube suddenly she s the new hollywood buzz and her mom wants ali on her reality show now ali s in the middle of a media firestorm the paparazzi have tracked her down interview requests are coming from all over and the hottest star in hollywood asks her to the school dance to top it all off some stranger is following her around and sending flowers it's really starting to creep her out but is he really a dangerous stalker or just another cog in her mother's publicity machine long recognized as america s most brilliant jazz writer the winner of many major awards including the prestigious national book critics circle award and author of a highly popular biography of bing crosby gary giddins has also produced a wide range of stimulating and original cultural criticism in other fields with natural selection he brings together the best of these previously uncollected essays including a few written expressly for this volume the range of topics is spellbinding writing with insight humor and a famously deft touch he offers sharp edged perspectives on such diverse subjects as federico fellini and jean renoir norman mailer and ralph ellison marlon brando and groucho marx duke ellington and bob dylan horror and noir the cartoon version of animal farm and the comic book series classics illustrated giddins brings to criticism an uncommon ability long demonstrated in his music writing to address in very few words an entire career so that we get an in depth portrait of the artist beyond the film book or recording under review for instance giddins offers a stunning reappraisal of doris day who he terms the coolest and sexiest female singer of slow ballads in film history he argues eloquently for a reconsideration of the forgotten german language novelist soma morgenstern in a section on comedy he offers fresh perspectives on the three great silent film stars

chaplin keaton and lloyd while resurrecting the legendary jack benny and reevaluating the controversial jerry lewis there s also a memorable look at bing crosby s film career he calls crosby s blockbuster going my way a neglected masterpiece and a close examination of marcel carne s beloved children of paradise of course giddins also supplies excellent commentary on jazz major and underrated figures and especially the uses of jazz in film a wonderful gathering of little known treasures natural selection will broaden the perception of gary giddins as one of our most important
