top ten business books for 2017 forbes the fully revised and updated edition of the classic book about nordstrom s extraordinary customer service in this new edition of the management classic the authors explore in depth the core values of the culture that have made nordstrom synonymous with legendary customer service these essential values have enabled nordstrom to survive and adapt to dramatic market shifts regularly since 1901 and the new edition explains how the nordstrom approach can be emulated by any organization in any industry in every corner of the world this is not a book about selling shoes or clothes or cosmetics or jewelry it is a book about how underlying values such as respect trust compensation and even fun are the building blocks of a culture where employees are empowered to consistently deliver a world class experience to customers nordstrom believes that the employee experience determines the customer experience and that when you attract and reward people who are comfortable in a service oriented culture then everyone succeeds both individually and collectively no wonder nordstrom is one of only five companies to make fortune s best companies to work for and most admired lists every year since those surveys have been taken with new interviews from senior nordstrom executives and family members the book explains how to successfully respond to today s tech savvy time crunched customers who demand a convenient seamless painless personal

experience across all channels nordstrom gives its frontline people all the digital tools necessary to satisfy the customer and your organization must do the same if it wants to adapt the authors show what it takes to earn brand loyalty lead through change and uncertainty and combine extraordinary brick and mortar with online experiences the single most important reason we try to provide great service is this it enables us to sell more says co president blake nordstrom great grandson of the founder the best way for our company to achieve results is to do what s best for the customer in this book readers will find suggestions for becoming the nordstrom of your industry the ten values that define a customer driven culture lessons for providing superior service and experience across all channels

The National Teachers' Monthly 1875

thoughts and ways of thinking give us our substance and personal essence which make us so individualistic but conversely allow as to closely relate to each other our here and now our reality or actuality is deeply rooted in our beliefs hopes and plans for the future that is the reason why it is never about bullshit but is always about hoping dreaming and our imagination as well as about the way how we negotiate and renegotiate our thoughts with those who create with us the here and now this paper and future research are dedicated to the political world which is increasingly becoming virtual in a visionary leadership created by each of us in our own personal way
