

Free download Gower peninsula south wales national trust guidebook national trust guidebooks .pdf

the guide has been described as the national trust s bible and indeed it is this latest edition takes a larger squarer format to do full justice to the trust s illustrious collection of colour photographs and to showcase recent acquisitions such as the gothic wonder of tyntesfield john lennon s childhood home mendips and william morris arts and crafts red house magnificent landscapes including the breathtaking coast of cornwall snowdonia the peak district and the lunar scenery of strangford lough are set beside the trust s great gardens such as sissinghurst castle in kent and stourhead landscape garden in wiltshire the trust s country houses of course feature in all their varied beauty from the tudor splendour of hardwick hall in derbyshire through to the magnificent victoriana at cragside in northumberland not everything is on such a grand scale lydia greeves describes t e lawrence s modest cottage at clouds hill in dorset a spade mill in northern ireland and even a duck decoy at boarstall in buckinghamshire the national trust maintains more than 500 000 acres of coast and countryside in england wales and northern ireland 200 historic houses and 150 great gardens this official fully illustrated book the bible of the trust properties is the only fully comprehensive guide to the trust s treasures including 16 pages of maps for easy reference this book s practical size makes it an indispensable companion for tourists and a delight for armchair travelers from the mountains of wales and the lake district to the flower studded meadows of east anglia this gazetteer provides a site by site guide to over 150 wildlife reserves in trust ownership highlighting the plant and animal life to be found at each site it looks at the ten key habitats that make up the landscape focusing on the areas that fall under the protection of the trust each chapter offers an insight into the way a habitat has evolved and the effect that man has had upon it it describes the flowers birds animals and othr wildlife associated with the habitat and looks at the conservation measures to protect them the definitive guide to hundreds of britain s most outstanding gardens in the care of the national trust the national trust owns approximately 40 000 archaeological sites in england wales and northern ireland and in 1995 its centenary year the trust in close co operation with the society of antiquaries held a conference designed to highlight the important part archaeology now plays in the management of its properties historic houses so long identified as the main interest of the national trust were touched on only in so far as they offer an opportunity or provide the context for archaeological research an updated guide to over 130 gardens of the national trust across england wales and northern ireland which should prove an invaluable reference for the garden enthusiast each entry provides information on the character of the garden type of terrain its age size description of special features and the most pleasing season details are also given of various facilities on offer including refreshments plant sales and disabled access the national trust has in its care some 200 historic houses in england wales and northern ireland using 40 of the trust s most interesting and important houses the author looks at how they came to be built their appearance and those who live and work with them this book is part of a series of national trust guidebook for visitors to national trust properties they cover history horticulture garden history history of art architecture social history natural environment and conservation this book looks at barrington court a 16th century tudor manor house in somerset england the national trust guide is the only fully comprehensive guide to these properties lavishly illustrated in colour and black and white with maps for ease of reference the second edition published in 1989 has now been completely revised and updated making their first appearance are recent acquisitions that illustrate the variety of the national trust s work the great eighteenth century landscape gardens at stowe in buckinghamshire 7 blyth grove an edwardian semi detached house in worksop nottinghamshire that is virtually unchanged since it became the home of the straw family in 1923 patterson s mill the last working water driven spade mill in ireland and 2 willow road the architect erno goldfinger s modernist house in hampstead london with its fascinating twentieth century art collection the definitive illustrated guide for visitors to national trust houses gardens coast and countryside areas 2018 brings fresh and exciting things to discover throughout the national trust with newly renovated properties and gardens unusual buildings and world heritage sites as well as exquisite collections to suit every taste and age group together with historic buildings and countryside open access properties the handbook also features places to visit along the coastline of england wales and northern ireland opening times catering facilities and special events are listed together with over 500 attractive colour photographs an invaluable guide for all national trust members visitors tourists and anyone interested in british heritage the definitive illustrated guide for visitors to national trust houses gardens and many unusual buildings 2013 brings fresh and exciting things to discover throughout the national trust with newly renovated properties and gardens as well as exquisite collections to capture the imagination and to suit every taste and age group together with historic buildings and countryside open access properties the handbook also features places to visit along the coastline of england wales and northern ireland opening times catering facilities and special events are listed together with 400 attractive colour photographs an invaluable guide for all national trust members visitors tourists and anyone interested in heritage this fully revised edition of the national trust manual of housekeeping is essential reading for all those interested in the care of historic houses and their collections it gives practical guidance on how to care for fragile interiors maintain decorative fixtures and fittings and how to display furnishings and objects within their historic context it also includes the latest thinking on housekeeping theory and practice in particular the manual highlights the ways in which preventative conservation measures can help reduce the need for expensive repair to collections at a later date it also explains how to strike the balance between the care and display of historic interiors and the provision of public access full of engaging insights into traditional and modern housekeeping techniques the manual explains how the nation s treasure houses have survived until today and champions their future preservation using conservation science professional advice and environmentally sustainable methods and materials written by internationally renowned specialists at the national trust this manual brings together many years of practical experience in the care of hundreds of historic houses and their collections explore the british countryside with the national trust no organisation knows more about the british countryside than the national trust the custodians of some of our most beautiful stretches of land and coastline drawing on their expertise this stunningly illustrated book is a comprehensive guide to the country s natural heritage part one describes the major habitats and landscapes coasts mountains forests and woods rivers and lakes meadows and downland the formation development and ecology of each habitat is described and brought to life with photographs and indepth information on the wildlife you can see there find out about the secretive migrations of our eels salmon and sea trout an exploding bombardier beetle a totally aquatic moth or delight in the beauty of our fields of heather our sea of bluebells in woodlands and our ever changing coastline part two gets you closer to specific areas of the british isles

with coverage of the regions south west england southern england central england northern england eastern england wales and northern ireland it provides a tour of the key landscapes of each of our regions from an exploration of the lake district to why the white cliffs of dover are white plus some of the best walks in each of the regions from the thousand year old limbs of yew trees near crom old castle northern ireland to the lake of bluebells on the isle of wight the ghost of what was probably a wood this is a celebration of our land the national trust handbook is a concise up to date guide for anyone interested in places of historic or natural interest short descriptions are given of each property or location along with opening times facilities directions and maps diary with images from each state showing the work n the trusts in conserving heritage sites how much of our built environment should be preserved for future generations using examples from australia and the united kingdom this book debates the commercialisation of heritage and argues that market forces offer more opportunities than threats national trust handbook is a concise up to date guide for anyone interested in places of historic or natural interest short descriptions are given of each property or location along with opening times facilities directions and maps
