Oct 09 2022

benson commentary revelation 4 3 he that sat was to look upon like a jasper shone with a visible lustre like that of sparkling precious stones such as those which were of old on the high priest s breast plate and those placed as the foundations of the new jerusalem revelation 21 19 20

jasper reports using like with parameter expression in

Sep 08 2022

1 answer sorted by 3 where clause will be same as you have used in first step which is where name like p px name but as you said report says the document has no pages means the query is returning 0 row so just use the same string in like and run the same query in database
