a standout resource on the emerging field of applying neuropsychology and the latest findings in sleep and dream research to religious experience this book investigates the proven biological links between rem dreams and religious ideas covering past and current schools of thought in both the science of dreams and the science of religion across time and around the world billions of people with highly dissimilar backgrounds and cultures have felt spiritual or religious inspiration that shaped their lives and supplemented their mental strength and in many cases this inspiration came via a dream the how and why of this common phenomenon is one that science has largely failed to explain in this book nationally recognized behavioral neuroscientist patrick mcnamara taps the latest science in sleep and dreams as well as neuropsychology to investigate one facet of the answer from the inside out the human brain s role the first study of its kind in an emerging field dreams and visions how religious ideas emerge in sleep and dreams provides a comprehensive summary of past theory and examines the latest science on dreams rem sleep cognitive approaches to religion and neuroscience approaches to religion readers will come away with an in depth understanding of how and why god beliefs and spiritual convictions so often emerge in our dreams dedicated sections address special dream types like visitation dreams nightmares precognitive dreams big dreams lucid dreams paralysis dreams twin dreams and more like generations of little girls lauren kessler fell in love with ballet the first time she saw the nutcracker and from that day at age five she dreamed of becoming a ballerina but when she was twelve her very famous ballet instructor crushed those dreams along with her youthful self assurance and she stepped away from the barre fast forward four decades lauren suddenly powerfully itchy restless at midlife embarks on a transcontinental nutcracker binge tour where attending a string of performances in chicago new york boston and san francisco reignites her love affair with the ballet and fuels her girlhood dream what ensues is not only a story about the nutcracker itself but also an inside look at the seemingly romantic but oh so gritty world of ballet about all that happens away from the audience s eye that precedes the magic on stage it is a tale told from the perspective of someone who not only loves it but is also seeking to live it lauren s quest to dance the nutcracker with the eugene ballet company tackles the big issues fear angst risk resilience the refusal to settle in to midlife the refusal to become yet another invisible woman it is also a very funny very real look at what it s like to push yourself further than you ever thought you could go and what happens when you get there a story based on real events about the people living in the area of big bend texas only a river divides two countries in the early 20th century as people religion beliefs and cultures blended across the land santos love and dolores lies and suffering united a love until the end what is to become of their destinies santos love for dolores was so great that it forced to live in misery until the end of time like generations of little girls lauren kessler fell in love with ballet the first time she saw the nutcracker and from that day at age five she dreamed of becoming a ballerina but when she was twelve her very famous ballet instructor crushed those dreams along with her youthful self assurance and she stepped away from the barre fast forward four decades lauren suddenly powerfully itchy restless at midlife embarks on a transcontinental nutcracker binge tour where attending a string of performances in chicago new york boston and san francisco reignites her love affair with the ballet and fuels her girlhood dream what ensues is not only a story about the nutcracker itself but also an inside look at the seemingly romantic but oh so gritty world of ballet about all that happens away from the audience s eye that precedes the magic on stage it is a tale told from the perspective of someone who not only loves it but is also seeking to live it lauren s quest to dance the nutcracker with the eugene ballet company tackles the big issues fear angst risk resilience the refusal to settle in to midlife the refusal to become yet another invisible woman it is also a very funny very real look at what it s like to push yourself further than you ever thought you could go and what happens when you get there but you must not eat from the tree of the knowledge of good and evil for when you eat of it you will surely die gen 2 17 why would god put that troublesome tree in the garden of eden he must have known the childlike adam and eve would give in to temptation especially with that old serpent slithering around maybe that was the divine plan from the start for what would be the most interesting saga an endless summer of adam and family playing with docile lions and feasting on low hanging fruit or a tortuous slog through centuries that eventually lifted humanity from hunter gatherers to astronauts this little book attempts to offer an alternate view of satan in which he was not only a vengeful rebel against the cosmic divine will but unwittingly served as the restless malcontented spark that ignited much of human progress through the ages library assistant cory parker gets more than she bargains for when a rekindled childhood friendship with elizabeth strafford catapults her on the trail of a murderer cory and elizabeth have more in common than having once shared a school bus they ve both lost people they love through violence cory sets out to solve the murder of elizabeth s mother in order to give her friend the peace and closure she needs the past bleeds into the present as cory uncovers a murder plot gone bad the truth of which threatens to destroy both women a stranger interferes with cory s research as clues emerge intimately tying elizabeth to the killer evidence linking the murderer to the crime turns up in cory s possession making her a target cory closes in on the killer just as the killer closes in on her life s too short to be unhappy at work i m working harder than i ever have and i don t know if it s worth it anymore if you re a manager or leader these words have probably run through your mind so many of us are feeling fed up burned out and unhappy at work the

constant pressure and stress the unending changes the politics people feel as though they can't give much more and performance is suffering but it's work after all right should we even expect to be fulfilled and happy at work yes we should says annie mckee coauthor of the bestselling primal leadership in her new transformative book she makes the most compelling case yet that happiness and the full engagement that comes with it is more important than ever in today's workplace and she sheds new light on the powerful relationship of happiness to individual team and organizational success based on extensive research and decades of experience with leaders this book reveals that people must have three essential elements in order to be happy at work a sense of purpose and the chance to contribute to something bigger than themselves a vision that is powerful and personal creating a real sense of hope resonant friendly relationships with vivid and moving real life stories the book shows how leaders can use these powerful pillars to create and sustain happiness even when they're under pressure by emphasizing purpose hope and friendships they can also ensure a healthy positive climate for their teams and throughout the organization how to be happy at work deepens our understanding of what it means to be truly fulfilled and effective at work and provides clear practical advice and instruction for how to get there no matter what job you have surveying the state of american ballet in a 1913 issue of McClure's magazine author willa cather reported that few girls expressed any interest in taking ballet class and that those who did were hard pressed to find anything other than dingy studios and imperious teachers one hundred years later ballet is everywhere there are ballet companies large and small across the united states ballet is commonly featured in film television literature and on social media professional ballet dancers are spokespeople for all kinds of products nail polish companies market colors like ballet slippers and prima ballerina and most importantly millions of american children have taken ballet class beginning with the arrival of russian dancers like anna pavlova who first toured the united states on the eve of world war i ballet class an american history explores the growth of ballet from an ancillary part of nineteenth century musical theater opera and vaudeville to the quintessential extracurricular activity it is today pursued by countless children nationwide and an integral part of twentieth century american childhood across borders of gender class race and sexuality a social history ballet class takes a new approach to the very popular subject of ballet and helps ground an art form often perceived to be elite in the experiences of regular everyday people who spent time in barre lined studios across the united states drawing on a wide variety of materials including children's books memoirs by professional dancers and choreographers pedagogy manuals and dance periodicals in addition to archival collections and oral histories this pathbreaking study provides a deeply researched national perspective on the history and significance of recreational ballet class in the united states and its influence on many facets of children's lives including gender norms consumerism body image children's literature extracurricular activities and popular culture please note this is a companion version not the original book sample book insights 1 the story of the modern caribbean begins in a small port town in northern north africa almost within sight of the iberian peninsula on 25 july 1415 the feast day of st james prince henry of portugal led a fleet of around 200 ships down the tagus river to atlantic ocean 2 the portuguese were struggling to get wheat and gold from ceuta the small kingdom was dependent on imports and could not produce enough to meet its needs it was trying to access a steady dependable source of grain and gold 3 the legend of prester john a christian king who had traveled to a faraway land was used to encourage the search for him and his treasure the story compelled people to search for him and his gold 4 henry the navigator contributed to the rise of portugal's maritime dominance in the fifteenth century which resulted in part from his triumph in ceuta he was a leading ship owner and he pushed castile to invade granada in 1419 and 1434 but that battle would not be fought for decades yet the book provides insight into life inside a maximum security prison while illuminating the benefits of the craft of writing compassionate publishers weekly a grip of time prison slang for a very long sentence behind bars takes readers into a world most know little about a maximum security prison and into the minds and hearts of the men who live there these men who are serving out life sentences for aggravated murder join a fledgling lifers writing group started by award winning author lauren kessler over the course of three years meeting twice a month the men reveal more and more about themselves their pasts and the alternating drama and tedium of their incarcerated lives as they struggle with the weight of their guilt and wonder if they should hope for a future outside prison walls kessler struggles with the fiercely competing ideas of rehabilitation and punishment forgiveness and blame that are at the heart of the american penal system gripping intense and heartfelt a grip of time when prison is your life shows what a lifetime with no hope of release looks like up close takes us on a compelling intensely personal journey into the rarely glimpsed end point of our justice system what dignity meaning and success these lifers achieve despite the system's design edward humes pulitzer prize winning author of burned a story of murder and the crime that wasn't a keenly observed and deeply felt narrative so original and so compelling it wouldn't let me go alex kotlowitz national bestselling author of an american summer beyond books adult library programs for a new era takes us out of the stacks and past the traditional walls of the library to reach underserved and overworked adults in our communities adults who might not think they need the library in their lives readers are introduced to the concept of adult programming through a multifaceted approach based on a solid foundation of behavioral science real life library experience and data on current trends in libraries and other institutions this book posits that offering diverse adult programs is an important catalyst for fostering community connection and individual wellness and that no librarian needs to deliver them alone partnerships are not only helpful they are essential to preventing librarian burnout themes of the book center on passive versus active programs the importance of intergenerational involvement and programs that touch a variety of topics divided by the following sections food drink arts crafts books writing technology media health wellness business finance and nature gardening this book provides clear step by step models and strategies for delivering adult programs both in person and online including where to find funding getting administrative and municipal buy in creating partnerships in the community addressing possible

legal issues marketing tactics training staff and volunteers and how to evaluate programs whether you re a student a brand new recruit or a seasoned public or academic librarian there will be something in this book to inspire you to move your adult library programs beyond book clubs without losing those too in this fascinating new collection an all star team of researchers explores lucid dreaming not only as consciousness during sleep but also as a powerful ability cultivated by artists scientists and shamans alike to achieve a variety of purposes and outcomes in the dream the first set of its kind lucid dreaming new perspectives on consciousness in sleep provides a comprehensive showcase of the theories research and direct experience that serve to illuminate how certain people can maintain conscious awareness while dreaming the text is organized into two sections covering science psychology and education and religious traditions creativity and culture contributors to this two volume work include top dream experts across the globe scholars sharing knowledge gained from deep personal explorations and cutting edge scientific investigations topics covered include the neuroscience of lucid dreaming clinical uses of lucid dreaming in treating trauma the secret history of lucid dreaming in english philosophy and spiritual practices of lucid dreaming in islam buddhism and shamanic traditions the work also addresses lucid dreaming in movies including the matrix and literature such as the fiction of j r r tolkien and explains how modern video gaming enhances lucidity this set serves as an ideal text and reference work for school libraries and academic courses in anthropology psychology religious studies and cognitive science as well as for graduate level study in holistic education an increasingly popular specialization asha qistina is an influencer and social media personality known for her curated aesthetic of beauty and books with over a million followers asha has become a guiding light for many young girls steering them towards her lifestyle however asha s online personality differs from the asha in real life what her followers don t know is that she puts on a filter for every livestream and doesn t even provide honest reviews of her skincare products when the line between the digital realm and real life blurs asha s own face starts transforming into the very filters she uses on glimmergram she finds herself caught in a battle with the supernatural doll face filters and face distortion filters materialise onto her face and she has no idea how to save herself will asha get her face back or will social media filters be etched onto her face for eternity set your heart on apilgrimage into the gloriousfuture god has for you false heroes held hostage by heritage is the true story of diana a survivor it tells of her struggle to free herself from the bondage of her authoritative european heritage and her account of a war ridden childhood germany wwii her story compels the reader to examine issues from their own past it ponders the question can we be held prisoners within our own souls this book is about reconciling the past with the present in one s life a liberating experience it spans continents and conflicts diana did not know there was a tomorrow she said her prayers at night and did not expect to wake up in the morning if i should die before i wake she never taught her children this prayer it gave her the chills ever after diana s story is meant to inspire the reader to ask questions on their own it resonates with the strength one can find in the midst of adversity challenges and despair it s about forging forward despite all odds fighting for identity and freedom from a heritage that holds one hostage as well as the chains within ones soul most of us are descendants from other countries and century old cultures with scars and stigmas with imprints of wars and limited choices this story which follows diana for a lifetime can be a healing experience and a voice for many that could never speak of their most hurtful secrets it unmask sacred convents religion the good and the holy abandonment rape betrayal abusive relationships and more despite subject matters that are painful to comprehend and hard to read about this book effectively captures the readers heart this book was written with the intention to help the reader find strength and resolve courage trust in free choices and a better tomorrow in 1966 truman capote threw a masked ball in honor of washington post publisher katharine graham at new york s plaza hotel an event that became infamous as the party of the century lavishly illustrated this book paints a portrait of revelry at the height of the swinging 1960s on a hillside in san diego muralist gui colon views a murder in order to throw suspicion from himself colon frames a graffiti artist as the witness as the murderer closes in on the graffiti artist colon works hard to cover up any trail that might lead back to himself savvy prosecutor judith thorton doesn t buy colon s story and is determined to get at the truth this book dares believers to dream in line with god s word and work toward fulfilling their dreams explores why we dream ways to remember and analyze our dreams and the meanings of various themes commonly found in dreams includes statistical tables and graphs in the book presented here one encounters dreams and visions from the history of christianity faculty members of the tilburg school of theology tst tilburg university the netherlands and other dutch and flemish experts in theology late antiquity and the middle ages present a collection of articles examining the phenomenon of dreaming in the christian realm from the first to the thirteenth century their aim is to investigate the dream world of christians as a source of historical theology and spirituality they try to show and explain the importance and function of dreams in the context of the texts discussed meanwhile making these texts accessible and understandable to the people of today by contextualizing those dreams in their own historical imagery the authors want to give the reader some insight into the fascinating dream world of the past which in turn will inspire him or her to consider the dream world of today this first historical study of u s budget policy covering the last three decades places the budget at the center of modern american politics and adds an important dimension to the understanding of recent events
