A Chronological Abridgement of the History of Great Britain ... To which is prefixed a new method of teaching history, etc 1813

gamesmanship for teachers a must read from working educator and author ryan a donlan provides a much needed shot in the arm for veteran teachers who are inarguably on top of their game yet are currently bludgeoned by the many nonsensical notions in no child left behind great teachers now working in a much maligned profession can give themselves a pat on the back for great work

in this book teachers discover the power of uncommon sense that this author shares with respect to pedagogy politics and the personal health of professionals this book is a respectful blend of by educator for educator straight talk game sharpening strategy and a celebration of why great teachers went into education in the first place and why they should stay
