MPPSC Prelims Solved Previous Papers - GS Paper-1 & CSAT Paper-2 - Madhya Pradesh Public Service Commission 2015-03-12

renowned for his coverage of china s elite politics and leadership transitions veteran sinologist willy lam has produced the first book length study in english of the rise of xi jinping general secretary of the chinese communist party ccp since november 2012 with rare insight lam describes xi s personal history and his fascination with quasi maoist values the factional politics through which he

ascended the configuration of power of the fifth generation leadership and the country's likely future directions under the charismatic princeling despite an undistinguished career as a provincial administrator xi has rapidly amassed more power than his predecessors he has overawed his rivals and shaken up the party state hierarchy by launching large scale anti corruption and rectification campaigns with a strong power base in the people's liberation army and a vision of china as an awakening lion xi has been flexing china's military muscle in sovereignty rows with countries including japan vietnam and the philippines while trying to undermine the influence of the united states in the asia pacific region while xi is still fine tuning his art of governance his zero tolerance for dissent and his preoccupation with upholding the privileges of the red aristocracy and the ccp's status as perennial ruling party do not bode well for economic political or cultural reforms lam takes a close look at xi's ideological and political profile and considers how his conservative outlook might shape what the new strongman calls the great renaissance of the chinese race

this edited volume provides an assessment of an increasingly fragmented aid system development cooperation is fundamentally changing its character in the wake of global economic and political transformations and an ongoing debate about what constitutes and how best to achieve global development this also has important implications for the setup of the aid architecture the increasing number of donors and other actors as well as goals and instruments has created an environment that is increasingly difficult to manoeuvre critics describe today s aid architecture as fragmented inefficient overly complex and rigid in adapting to the dynamic landscape of international cooperation by analysing the actions of donors and new development actors this book gives important insights into how and why the aid architecture has moved in this direction the contributors also discuss the associated costs but also potential benefits of a diverse aid system and provide some concrete options for the way forward

Cracking the CSAT Paper 2

this book provides a rigorous and cross disciplinary analysis of this melanesian nation at a critical juncture in its post colonial and post conflict history with contributions from leading scholars of solomon islands the notion of transition as used to describe the recent drawdown of the decade long regional assistance mission to solomon islands ramsi provides a departure point for considering other transformations social political and economic under way in the archipelagic nation organised around a central tension between change and continuity two of the book

s key themes are the contested narratives of changing state society relations and the changing social relations around land and natural resources engendered by ongoing processes of globalisation and urbanisation drawing heuristically on ramsey's genesis in the state building moment that dominated international relations during the first decade of this century the book also examines the critical distinction between state building and state formation in the solomon islands context it engages with global scholarly and policy debates on issues such as peacebuilding state building legal pluralism hybrid governance globalisation urbanisation and the governance of natural resources these themes resonate well beyond solomon islands and melanesia and the book will be of interest to a wide range of students scholars and development practitioners this book was previously published as a special issue of the journal of pacific history
